Specimen Directory of 300 sets

CHAPTER VIII

SPECIMEN DIRECTORY OF 300 SETS

THE descriptive suffixes in the following directory are, with few exceptions, sufficiently elaborate to deal not only with 300 but with 3000 sets in so minute a manner that doubt shall rarely lie between more than two prints. The exceptions are, that in the *ull*, *ull*; *ll*, *ll* sets, the number of ridges in the middle and ring fingers should have been added; which was not done on account of the narrowness of the column. In the *rl*, *rl*; *ll*, *ll* sets the number of ridges in the middle finger should have been added, and those in the forefinger should have been inserted in the rest of the common formulæ (p.). The proportionate number of the various sets in this small directory approximates to, but could hardly have been expected to be identical with, those in the collection of 2632. In that collection the number of formulæ beginning with A, R, U, and W respectively, was 14, 20, 30, and 33 per cent; here it is 15, 22, 33, and 30.

The notation and the order of reading the fingers has explained (p.). F.M.R. signifies the fore, middle, and ring fingers; Th the thumb; L the little finger.

For the notation in column 3, see p. . It is there shown that 1 stands for *aa*; 2, for *al*; 3, for *aw*; 4, for *la*; 5, for *ll*; 6, for *lw*; 7, for *wa*; 8, for *wl*; 9, for *ww*.

The entries in column 4 are to be understood to be suffixed to those in column 1, the entries in column 5 to be suffixed to those in column 2, and those in column 6 and 7 to be suffixed to the four letters signified by the two numbers in column 3.

Thus the entry—

Aal, all | 55 | . *l* . | . . *yw* | *v* . | *vw* . | 3550

is to be read as signifying—

Aal, all; ll, ll. 3550.
l yw v vw

CHAPTER VIII

SPECIMEN DIRECTORY OF 300 SETS

THE descriptive suffixes in the following directory are, with few exceptions, sufficiently elaborate to deal not only with 300 but with 3000 sets in so minute a manner that doubt shall rarely lie between more than two prints. The exceptions are, that in the *ull*, *ull*; *ll*, *ll* sets, the number of ridges in the middle and ring fingers should have been added; which was not done on account of the narrowness of the column. In the *rl*, *rl*; *ll*, *ll* sets the number of ridges in the middle finger should have been added, and those in the forefinger should have been inserted in the rest of the common formulæ (p.). The proportionate number of the various sets in this small directory approximates to, but could hardly have been expected to be identical with, those in the collection of 2632. In that collection the number of formulæ beginning with A, R, U, and W respectively, was 14, 20, 30, and 33 per cent; here it is 15, 22, 33, and 30.

The notation and the order of reading the fingers has (already been explained (p.). F.M.R. signify the fore, middle, and ring fingers; Th. the thumb; L.

the little finger. For the notation in column 3, see p. . . It is there shown that 1 stands for *aa*; 2, for *al*; 3, for *aw*; 4, for *la*; 5, for *ll*; 6, for *lw*; 7, for *wa*; 8, for *wl*; 9, for *ww*.

The entries in column 4 are to be understood to be suffixed to those in column 1, the entries in column 5 to be suffixed to those in column 2, and those in column 6 and 7 to be suffixed to the four letters signified by the two numbers in column 3.

Thus the entry—

Aal, all | 55 | . *l* . | . . *yw* | *v* . | *vw* . | 3550

is to be read as signifying—

Aal, all; ll, ll 3550.

Reference notes on "W" or Whorls

The image shows the front cover of a book. The cover is decorated with a traditional marbled paper pattern, featuring large, irregular, cell-like shapes in shades of blue and green, separated by thin, branching veins of brown and tan. A rectangular white paper label is affixed to the upper right portion of the cover. The label has a slightly aged, off-white appearance. On the label, the word "INDEX" is written in a black, serif, all-caps font and is underlined. Below this, there is a small, rectangular piece of tape or a sticker with horizontal stripes in orange, tan, and grey. Further down on the label, the text "300 Sets" is written in a black, elegant cursive script.
