John B. Morgan M.D. ^{Pl} Veterinarian of race
in Social Cities — Social Science Assoc. Transact. 1885

Excel want of Stamina - frequent deformity, very frequent
minor physical defects. - Pulse. heart weak - bad
teeth - Having often enquired about birth place - in response,
resp: far most weakly - more than who had lived for
near generations

Near Generations
 Shows that 83 per cent ~~of~~ ^{under 20} ~~men~~ are born in the town
 46 " " " ^{over 20} " —
 therefore towns are largely recruited by immigrants at the
 prime of life.

UNIVERSITY COLLEGE LONDON
 GALTON PAPERS

List of countries whence the immigrants came.

Among the virginian & hard, diamonds are rare but deeded & acute among the Sheroots and asting they are abiding and chronic. — — — — — I have visited some time in one of the western islands of Scotland & found he could not employ the restorative medicines of a London Hospital but had to resort to depletion, antimony, & mercury.
