## PREFATORY NOTE.

---

Frequent requests for many of the journal articles, reprints and books listed herein have made it necessary to compile this bibliography. Many of them are now out of print, and, of a number, no copies are on hand for reference. To librarians the booklet may also be useful.

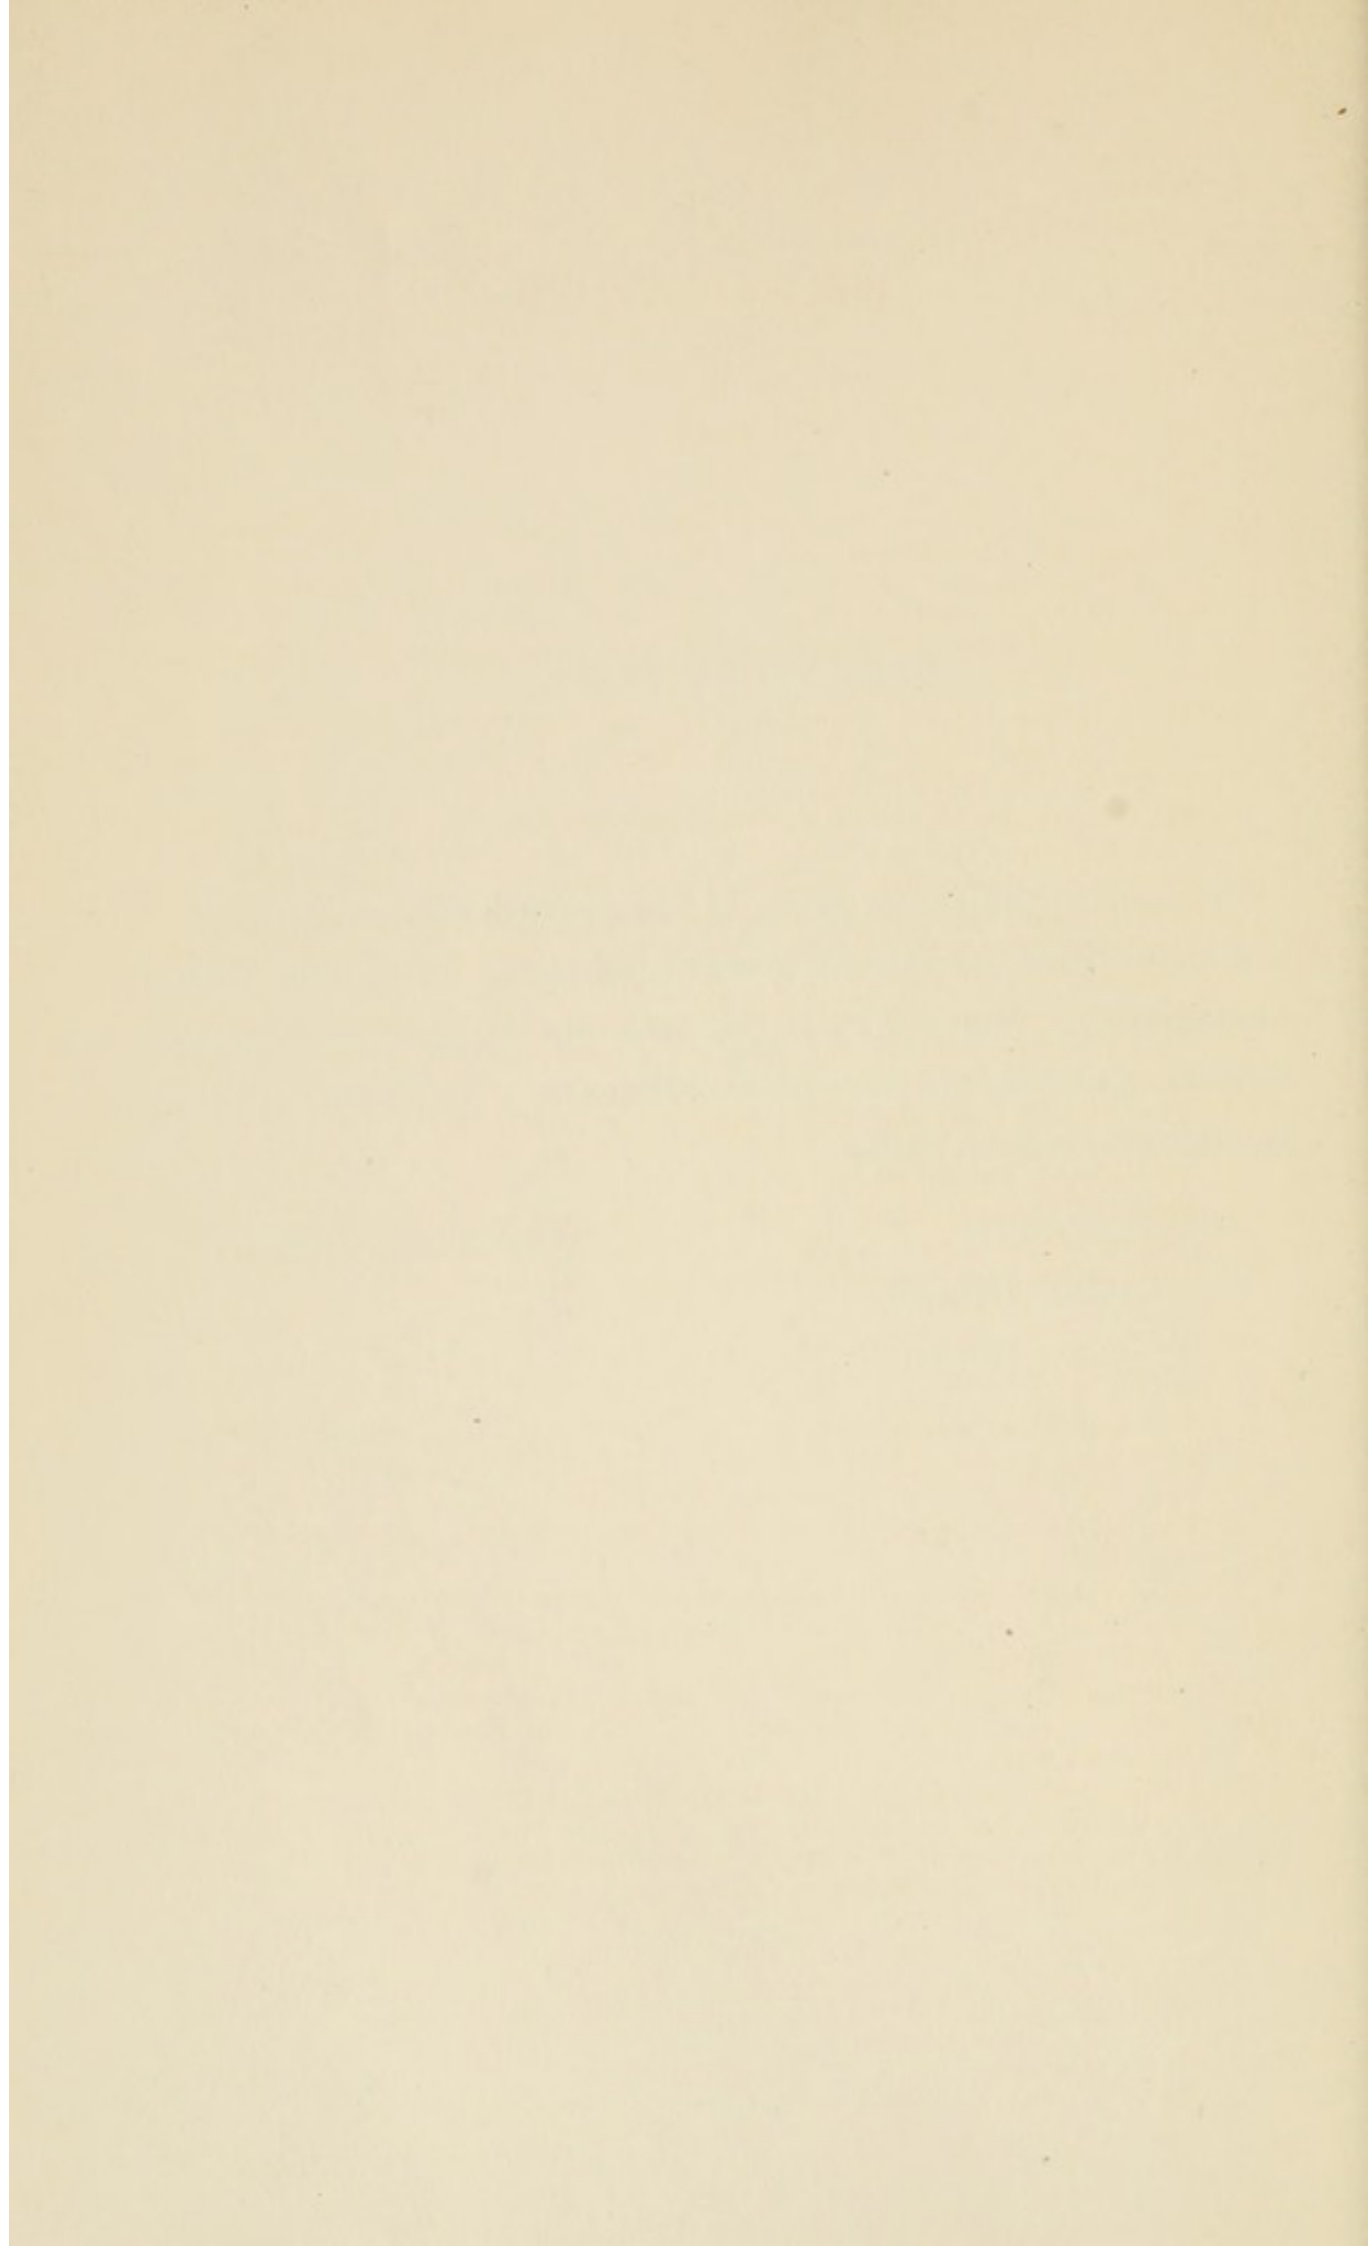

THE SENTINELS,

Cayuga Heights,

Ithaca, N. Y.

GEORGE M. GOULD.

## BIBLIOGRAPHY.

---

1886.

1. **A compend of the diseases of the eye; including refraction and surgical operations.** L. Webster Fox and George M. Gould. Illustrations and plates. pp. 148. Philadelphia: P. Blakiston's Son & Company, 1886. 8 vo.  
The same. Second edition, revised and enlarged. With 71 illustrations. 1888.
2. **Description of an ametropia model for class demonstration.** pp. 2. Philadelphia: James W. Queen & Company, 1886. Illustrated. (See also title No. 5.)
3. **Heat considered as the retinal intermediate of light and color sensation.** pp. 23. Repr. from *The American Journal of Ophthalmology and Otology*. St. Louis, July, 1886.
4. **The human color-sense considered as the organic response to natural stimuli.** pp. 20. Repr. from *The American Journal of Ophthalmology and Otology*. St. Louis, September, 1886.
5. **A new model of the eye for class and private demonstration.** Philadelphia: James W. Queen & Company, 1886. (See also title No. 2.)
6. **The oculist, the optician and the public.** pp. 2. In collaboration with Dr. L. Webster Fox. Repr. from *The Philadelphia Medical Times*, December 25, 1886.
7. **Retinal insensibility to ultraviolet and infrared rays.** With folder illustration. pp. 20. Repr. from *The American Journal of Ophthalmology and Otology*, St. Louis, December, 1886.

1887.

8. **The ethics of economics.** pp. 10. Address to the *Society for Ethical Culture*, Philadelphia, February 6, 1887. Repr. from *The Open Court*, Chicago, January 19, February 2, 16, 1888.
9. **The justification of social parasitism.** pp. 5. *Work and Wages*, October, 1887.
10. **Ophthalmology and diseases of the nervous system.** p. 1. Editorial in *The Medical and Surgical Reporter*, Philadelphia, Vol. LVI, April 2, 1887.
11. **Ophthalmology.** Etiology of Ocular Paralysis. pp. 11. Repr. from *The American Journal of the Medical Sciences*, Philadelphia, October, 1887.
12. **Reflex neuroses associated with dental pathology.** pp. 67. By Albert P. Brubaker, assisted by George M. Gould. Repr. from *The American System of Dentistry*. Edited by Dr. Wilbur F. Litch. Philadelphia: Lea Brothers & Company, 1887.

## 1888.

13. **Cerebral localization.** Editorial in *The Medical and Surgical Reporter*, Philadelphia, March 23, 1888.
14. **Compend of diseases of the eye, etc.** (Fox & Gould.) (See title No. 1.) 2d Edition, 1888.
15. **The homing instinct, an explanation suggested.** pp. 24. Repr. from *Progress*, Louisville, October 1888.
16. **Is the electric light injurious to the eyes?** pp. 23. With bibliography of the subject. Repr. from *The Medical News*, Philadelphia, December 8, 1888.
17. **Mixed astigmatism, the result of severe inflammation of an eye.** 1 sheet. Letter to *The Polyclinic*, Philadelphia, November, 1888.
18. **A new style of bifocal lenses.** pp. 7. Repr. from *The Medical and Surgical Reporter*, Philadelphia, November 3, 1888.
19. **Ophthalmology. Diseases of the eye.** In collaboration with Dr. William Thomson, *The Annals of the Universal Medical Sciences*. Edited by Dr. Charles E. Sajous. Philadelphia: F. A. Davis, 1888, Vol. III, page 1-186. Illustrated.
20. **Ophthalmology. Ocular affections in Bright's disease.** Under the charge of Dr. Charles A. Oliver. pp. 12. *The American Journal of the Medical Science*, Philadelphia, 1888.
21. **A peculiar case of herpes zoster ophthalmicus, serous iritis, or "ophthalmo-neuritis."** pp. 6. Repr. from *The Polyclinic*, Philadelphia, October, 1888.
22. **The psychological influence of errors of refraction and of their correction.** pp. 6. Repr. from *The Medical and Surgical Reporter*, Philadelphia, September 29, 1888.
23. **Physiology as she is wrote.** Editorial in *The Medical and Surgical Reporter*, Philadelphia, Vol. LIX, September 15, 1888.
24. **Progress in clinical medicine.** p. 1. *The Polyclinic*, Philadelphia, July, 1888.
25. **Progress in general medicine.** pp. 3. *The Polyclinic*, Philadelphia, August, 1888.  
 Second article, same title. pp. 3. *The Polyclinic*, Philadelphia, September, 1888.  
 Third article, same title. pp. 7. *The Polyclinic*, Philadelphia, November, 1888.  
 Fourth article, same title. pp. 6. *The Polyclinic*, Philadelphia, December, 1888.  
 Fifth article, same title. pp. 4. *The Polyclinic*, Philadelphia, January, 1889.  
 Sixth article, same title. pp. 3. *The Polyclinic*, Philadelphia, February, 1889.  
 Seventh article, same title. pp. 3. *The Polyclinic*, Philadelphia, March, 1889.

## 1889.

26. **Concerning reflex neuroses due to eye-strain.**  
 I. Three remarkable cases of reflex neuroses due to eye-strain. pp. 14.

- II. The influence of sexualism in reflex ocular neuroses. pp. 11. Repr. from *The Medical and Surgical Reporter*, Philadelphia, February 9, and March 9, 1889.
27. **Directory of the class of 1888 of the Jefferson Medical College, and a report of the class reunion held April 3, 1889.** pp. 29. Published by order of the class. Philadelphia, 1889.
28. **Dreams, sleep and consciousness. A psychological study.** pp. 24. Chicago, *The Open Court Publishing Company*, 1889.  
The same. *The Open Court*, Chicago, January 24-31, 1889.  
The same. *Borderland Studies. I.* Philadelphia: P. Blakiston's Son and Company, 1896. Chapter 22, p. 319 ff.  
This article considers *The Nature of Sleep; What is Consciousness? Does Consciousness Sleep? The Difference between the Dreaming and the Waking Consciousness; Origin and Nature of the Waking Consciousness, and of the Dreaming Consciousness; Insomnia; Characteristics of Dreams; Preponderance of Visual Sensations; Character, the Soul, and Consciousness, etc.*
29. **A dream of alchemy.** pp. 7. *The Open Court*, Chicago, December, 1889.
30. **Helps in practical ophthalmic work.** pp. 6. G. P. Putnam's Sons, Printers, New York. Repr. from *The Archives of Ophthalmology*, New York. Vol. XVIII, No. 4, 1889.
31. **Is medicine a science?** pp. 11. *The Forum*, New York 1889.  
The same. *The Medical News*, Philadelphia, 1890.  
The same. *Borderland Studies I.* Philadelphia: P. Blakiston's Son and Company, 1896. Chapter 5, p. 131 ff.
32. **The modern Frankenstein.** pp. 25. Address to the *Medical Jurisprudence Society of Philadelphia*, May 14, 1889. Chicago: *The Open Court Publishing Company*, 1889.  
The same. *The Open Court*, Chicago, 1889.  
The same. *Borderland Studies I.* Philadelphia: P. Blakiston's Son and Company, 1896. Chapter XXI, p. 292 ff.
33. **Ophthalmology, diseases of the eye.** In collaboration with Dr. Charles A. Oliver. *The Annals of the Universal Medical Sciences.* Edited by Dr. Charles E. Sajous. Philadelphia: F. A. Davis, 1889. Vol. IV. pp. 1-170. Illustrated.
34. **Ophthalmology.** Reflex neuroses due to errors of refraction, under the charge of Dr. Charles A. Oliver. pp. 11. *The American Journal of the Medical Sciences*, Philadelphia, March, 1889.
35. **Progress in general medicine.** (See title No. 25 for previous articles.)  
Fifth article, same title. pp. 4. *The Polyclinic*, Philadelphia, January, 1889.  
Sixth article, same title. pp. 3. *The Polyclinic*, Philadelphia, February, 1889.  
Seventh article, same title. pp. 3. *The Polyclinic*, Philadelphia, March, 1889.
36. **A query as to the relation of leucocythemic retinitis and tobacco-poisoning.** p. 1. *University Medical Magazine*, Philadelphia, December, 1889.

1890.

37. **The abuse of a great charity.** pp. 19. Repr. from *The Medical News*, Philadelphia, November 22, 1890.  
The same. *Public Opinion*, Washington, D. C., 1890.  
The same. *The Medical Mirror*, St. Louis, 1890.
38. **Ametropic choroidoretinitis** ("central choroiditis"). pp. 11. Repr. from *Archives of Ophthalmology*, New York, Vol. XIX, No. 1, 1890. A letter in the *University Medical Magazine*, Philadelphia, January 13, 1891, entitled, *A Question of Discovery and Nomenclature* pertains to this subject. (See title No. 62.) Another letter appeared in the *University Medical Magazine*, Philadelphia, April, 1891, entitled *Ametropic Choroidoretinitis*. (See title No. 53.)
39. **Bibliography.** pp. 4. *Cyclopedia of the Diseases of Children*. Vol. III. Edited by John M. Keating. Philadelphia: J. B. Lippincott Company, 1890.
40. **A card of test letters**, on the Snellen standard, for refractionists, with confusion letters. p. 1. Manufactured by Bouschur & Holmes, Philadelphia, 1890.
41. **Clinical illustrations of reflex ocular neuroses.** pp. 7. Philadelphia: Lea Bros. & Company, 1890. Repr. from *The American Journal of the Medical Sciences*, Philadelphia, vol. XCIX, New Series, 1890.
42. **Diseases of the eye.** In conjunction with Dr. Charles E. Turnbull, Philadelphia, 1890. pp. 38. Illustrated.
43. **The ethics of hypnotism.** pp. 6. *The Open Court*, Chicago, 1890.
44. **"From an unexpected source."** A letter to the editor of *The Nation*. January 9, 1890.  
**"From one of 'the list of shame.'"** A letter to the editor of the "*Medical and Surgical Reporter*," in "*Taggart's Times*," Philadelphia, January 12, 1890.
45. **A noteworthy book.** pp. 2. Editorial in *The Conservator*, Philadelphia, August, 1890.
46. **Ophthalmology, diseases of the eye.** In collaboration with Dr. Charles A. Oliver. *The Annals of the Universal Medical Sciences*, edited by Dr. Charles E. Sajous. Philadelphia, F. A. Davis, 1890. Vol. IV, pp. 1-146. Illustrated.
47. **Pyoktanin in diseases of the eye.** pp. 2. *The University Medical Magazine*, Philadelphia, December, 1890.
48. **The recognition of eyestrain by the general practitioner.** Address to *Philadelphia County Medical Society*, June 25, 1890, by Edward Jackson. Discussion by G. M. Gould. Published: *Society Proceedings, The Buffalo Medical and Surgical Association*, 1890.
49. **The relation of eyestrain to general medicine.** pp. 21. An address to the *Philadelphia Hospital Medical Society*, July 9, 1890. Repr. from *The Medical News*, Philadelphia, August 23, 1890.
50. **The relation of the eyes and teeth.** A monograph on *The reflex neuroses of dental origin*. In conjunction with Dr. Albert P. Brudaker. Published: *The System of Dentistry*, edited by Dr. Wilbur F. Litch, Philadelphia, Lea Bros. & Company, 1890.

51. **Some conservative views of hypnotism.** *The Boston Medical and Surgical Journal*, 1890.
52. **The student's medical dictionary**, including all the words and phrases generally used in medicine, with their proper pronunciation and definitions. Based on recent medical literature. With elaborate tables of bacilli, micrococci, leucomains, ptomains, etc., of the arteries, ganglia, muscles, and nerves; of weights and measures, analyses of the waters of the mineral springs of the United States, etc., etc. And a new table of eponymic terms and tests. Illustrated. pp. 840. Small octavo. Philadelphia: P. Blakiston's Son & Company, 1890. Half-morocco; thumb index; also flexible, morocco, indexed. 1st edition, 1890.
- The same. 2d edition, 1890.
- The same. 3d edition, 1891.
- The same. 4th edition, 1891.
- The same. 5th edition, 1892.
- The same. 6th edition, 1892.
- The same. 7th edition, 1893.
- The same. 8th edition, 1894.
- The same. 9th edition, 1895.
- The same. 10th edition, 1896.
- The same. 11th edition, 1900.

## 1891.

53. **Ametropic choroido-retinitis.** pp. 2. Letter to *The University Medical Magazine*, Philadelphia, April, 1891. (See title No. 38.)
54. **The evolution of optics.** pp. 9. Discussion of a lecture on *Optics as Related to Evolution*, by Dr. L. A. W. Alleman. *Brooklyn Ethical Association*, 1891. Repr. from *Evolution in Science and Art*. New York: D. Appleton & Company, Series No. 10, July 15, 1891.
55. **Human life under denied sensation.** pp. 5. *The Medical News*, Philadelphia, October 24, 1891.
- The same. *Borderland Studies, I.* Philadelphia: P. Blakiston's Son & Company, 1896. Chapter XXIII, p. 351 ff.
56. **Immortality.** pp. 20. *The Monist*, Chicago, April, 1891.
- The same. *Borderland Studies I.* Philadelphia: P. Blakiston's Son & Company, 1896. Chapter XXIV, p. 356 ff.
57. **A little fable.** The Hommyptic Hen. 1 sheet. *The Medical News*, Philadelphia, September 12, 1891.
58. **The Medical News.** A Weekly Medical Journal. Philadelphia: Lea Brothers & Company, royal 8 vo., 10 vols. 1891-1895. Vol. 1, (LVII). pp. 736. 1891.
- The same. Vol. 2, (LIX). pp. 752. 1891.
- The same. Vol. 3, (LX). pp. 736. 1892.
- The same. Vol. 4, (LXI). pp. 752. 1892.
- The same. Vol. 5, (LXII). pp. 712. 1893.
- The same. Vol. 6, (LXIII). pp. 756. 1893.
- The same. Vol. 7, (LXIV). pp. 732. 1894.

- The same. Vol. 8, (LXV). pp. 726. 1894.  
 The same. Vol. 9, (LXVI). pp. 748. 1895.  
 The same. Vol. 10, (LXVII), pp. 748. 1895.
59. **The optician vs. oculist.** pp. 2. *The Optician*, August, 1891. See also article, *The Optician and Ophthalmology*, title No. 60.
60. **The optician and ophthalmology.** pp. 2. *The Journal of the American Medical Association*, Chicago, June 5, 1891. See also article, *The Optician vs. Oculist*, title No. 59.
61. **The power of will in disease.** pp. 3. *The Medical News*, Philadelphia, June 27, 1891.  
 The same. *Borderland Studies I.* Philadelphia: P. Blakiston's Son & Company, 1896. Chapter XVIII, p. 277 ff.
62. **A question of discovery and nomenclature.** 1 sheet. Repr. from *University Medical Magazine*, Philadelphia, January 13, 1891. (See title No. 38.)
63. **The spelling of medical words.** Editorial in *The Medical News*, Philadelphia, August 22, 1891.
64. **The statistics and lessons of 1500 cases of refraction.** pp. 36. Address to the *Section on Ophthalmology, American Medical Association*. Washington, D. C., May, 1891. Repr. from *The Journal of the American Medical Association*, Chicago, September 1891.
- 7 65. **The student's medical dictionary. etc.** (See title No. 52.)  
 Third edition, 1891.  
 Fourth edition, 1891.
66. **Superciliary entropium.** p. 1. *The Medical News*, Philadelphia, June 27, 1891.
67. **The untrustworthiness of the lay press in medical matters.** pp. 4. Repr. from *The Medical News*, Philadelphia, November 21, 1891.  
 The same. *Borderland Studies I.* Philadelphia: P. Blakiston's Son & Company, 1896. Chapter X, p. 222 ff.

## 1892.

68. **Amblyopiatrics.** pp. 15. Address before the *Philadelphia County Medical Society*, December 28, 1892. Repr. from *The Medical News*, Philadelphia, December 31, 1892.
69. **The antiseptic dropper.** pp. 2. Repr. from *The Medical News*, Philadelphia, December 3, 1892.
70. **The etiology, diagnosis, and treatment of the prevalent epidemic of quackery.** pp. 24. Address delivered by invitation of the faculty of the medical department of the Buffalo University, before the graduating class, May 3, 1892. Repr. from *The Medical News*, Philadelphia, May 7, 1892.  
 The same. *Borderland Studies I.* Philadelphia: P. Blakiston's Son & Company, 1896. Chapter IX, p. 197 ff.
71. **Everybody's medical duty.** pp. 22. Address to the *Unitarian Club of Philadelphia*, February 11, 1892. Privately printed. Philadelphia: Wm. A. Church, 1892.  
 The same. *Borderland Studies I.* Philadelphia: P. Blakiston's Son & Company, 1896. Chapter XVII, p. 258 ff.

72. **The function of the lacrimal puncta.** pp. 3. Repr. from *The Medical News*, Philadelphia, June 25, 1892.
73. **Medical aspect of life insurance.** pp. 5. *The Medical News*, Philadelphia, January 23, 1892.  
The same. *Borderland Studies I.* Philadelphia: P. Blakiston's Son & Company, 1896. Chapter XIV, p. 243 ff.
74. **The Medical News.** A Weekly Medical Journal. Philadelphia: Lea Brothers & Company. (See title No. 58.) Vols. 3, 4 (LX, LXI), pp. 736, 752. 1892.
75. **Medico-political and quack aspects of American life.** p. 1. *The British Medical Journal*, London, December 2, 1892.
76. **A method of infection, treatment, and prophylaxis of purulent ophthalmia.** pp. 5. Repr. from *The Medical News*, Philadelphia, June 11, 1892.
77. **A pocket medical dictionary** giving the pronunciation and definition of about 12,000 of the principal words used in medicine and the collateral sciences. Including very complete tables of the arteries, muscles, nerves, bacteria, bacilli, micrococci, spirilli, and thermometric scales, and a dose list of drugs and their preparations, in both the English and metric systems of weights and measures. 64 mo. pp. 838. Flexible morocco. Philadelphia: P. Blakiston's Son & Company, 1892.  
The same. New edition. Revised and enlarged to 21,000 words, 1898.  
The same. Third edition. Enlarged to 24,000 words. 1899.  
The same. Fourth edition. Enlarged to 30,000 words. 1900.
78. **The practical adjustment of spectacles.** pp. 7. Repr. from *The Annals of Ophthalmology and Otolaryngology*, St. Louis, January, 1892.
79. **A simple method of treating many cases of lacrimal obstruction.** pp. 6. Repr. from *The New York Medical Journal*, June 4, 1892.
80. **The student's medical dictionary.** (See title No. 52.)  
Fifth edition, 1892.  
6th edition, 1892.

## 1893.

81. **An additional word as to the treatment of exophoria.** pp. 5. Repr. from *The Medical News*, Philadelphia, November 18, 1893. (See title No. 86.)
82. **A case of homotropin susceptibility.** p. 1. Repr. from *The Medical News*, Philadelphia, January 21, 1893.
83. **Diseases of the eye dependent upon diseases of the nose.** pp. 23. Chapter in "A System of Diagnosis and Treatment of Diseases of the Ear, Nose, and Throat," edited by Dr. Chas. Burnett. Philadelphia: J. B. Lippincott & Company, 1893.
84. **The disorganization of medical science.** pp. 4. Repr. from *The Medical News*, Philadelphia, July 29, 1893.  
The same. *Borderland Studies I.* Philadelphia: P. Blakiston's Son & Company, 1896. Chapter XI, p. 226.
85. **The duty of the community to medical science.** pp. 12. Address before the *American Academy of Medicine*, Milwaukee, June 3, 1893. Repr. from *The Bulletin of the American Academy of Medicine*, Easton, Pa., No. 16.

- The same. *Borderland Studies I*. Philadelphia: P. Blakiston's Son & Company, 1896. Chapter VI, p. 144 ff.
86. **Exophoria curable without operation.** pp. 16. Repr. from *The Medical News*, Philadelphia, October 14, 1893. (See title No. 81.)
87. **Foot-ball.** pp. 5. *The Medical News*, Philadelphia, November, 1893.  
**Promised foot-ball reform.** pp. 2. *The Medical News*, Philadelphia, January 13, 1894.  
 The same (under one title.) *Borderland Studies I*. Philadelphia: P. Blakiston's Son & Company, 1896. Chapter XV, p. 248 ff.
88. **Homeochronous hereditary optic-nerve atrophy, extending through six generations.** pp. 4. Address before the *section of Ophthalmology, Pan-American Medical Congress*, Washington, D. C., September, 1893. Repr. from *The Annals of Ophthalmology and Otology*, St. Louis. Vol. II, No. 4, October, 1893.
89. **The meaning and method of life.** A search for religion in biology: "From Life, Through Life, to Life." pp. 297. New York, London: G. P. Putnam's Sons. The Knickerbocker Press, 1893. 12mo.  
 Contents: Introduction.  
 I. Physical and Metaphysical.  
 II. Partial Truths.  
 III. Incarnation.  
 IV. Cytology.  
 V. Sensation.  
 VI. Evolution.  
 VII. Reproduction.  
 VIII. Concerning Evil.  
 IX. Justification of the Incarnation Process.  
 X. Freedom.  
 XI. Personality.  
 XII. Immortality.  
 XIII. Ethics.  
 XIV. Beauty.  
 XV. Sleep, Dreaming, and Awakening.  
 Index.
90. **The Medical News.** A Weekly Medical Journal, Philadelphia: Lea Brothers & Company. (See title No. 58.) Vols. 5, 6 (LXII, LXIII.) pp. 712, 756, 1893.
91. **The medical press.** pp. 12. Response to a Toast, at the Dinner given by the President of the *American Gynecological Society* in Philadelphia, May 16, 1893. Repr. from *The American Lancel*, Detroit, June, 1893.
92. **Medicine and city noises.** pp. 5. *The Medical News*, Philadelphia, August 26, 1893.  
**The noisome noise of unmusical music.** pp. 2. *The Medical News*, Philadelphia, September 9, 1893.  
 The same (under one title.) *Borderland Studies I*. Philadelphia: P. Blakiston's Son & Company, 1893. Chapter XIII, p. 237 ff.
93. **Muscular development and use the conditions of health.** pp. 3. *The Medical News*, Philadelphia, November 18, 1893.  
 The same. *Borderland Studies I*. Philadelphia: P. Blakiston's Son & Company, 1896. Chapter XVI, p. 255 ff.

94. **The pernicious influence of albinism upon the eye.** pp. 10. (with blank question-circular for replies of correspondents.) Address before the *Ophthalmological Section of the American Medical Association*, in Milwaukee, June, 1893. Repr. from *The Annals of Ophthalmology and Otology*, St. Louis, July, 1893.
95. **The spelling of some medical words.** pp. 8. Address before the *American Medical Editors' Association*, at Milwaukee, June 5, 1893. Repr. from *The Medical News*, Philadelphia, June 17, 1893.  
The same (in part under different title.) *Borderland Studies I.* Philadelphia: P. Blakiston's Son & Company, 1896. Chapter VIII, p. 40 ff: "Concerning Medical Language"—beginning at p. 56 to 58.
96. **The student's medical dictionary.** (See title No. 52.) 7th edition, 1893.

Repr. from *American Medicine*, Philadelphia, Vol. VII, No. 13,  
pp. 513-516. March 26, 1904. (See title No. 332.)

## 1905.

320. **American medicine.** Philadelphia : American Medicine Publishing  
Company. (See title No. 259).  
Vol. IX, 1905.  
Vol. X, 1905.
321. **The American year-book of medicine and surgery for 1905.**  
Philadelphia : W. B. Saunders & Company. 2 vols. I *Medicine*,  
pp. 701 ; II *Surgery*, pp. 696. (See title No. 135).

322. **Balzac, the hero of "over-work."** pp. 28. *The Montreal Medical Journal*, November, 1905.  
The same. *Biographic Clinics IV*. Philadelphia: P. Blakiston's Son & Company, 1906. Chapter III, p. 89 ff.
323. **Berlioz.** pp. 25. *The St. Louis Medical Review*, December 23, 30, 1905.  
The same. *Biographic Clinics IV*. Philadelphia: P. Blakiston's Son & Company, 1906. Chapter VII, p. 241 ff.
324. **Biographic Clinics.** Essays concerning the influence of visual function pathologic and physiologic upon the health of patients. Vol. III. Philadelphia: P. Blakiston's Son & Company, 1905. pp. 516. 32 illustrations. 8 vo.  
Contents: Introduction.  
Chapter I. The New Ophthalmology and its Relation to General Medicine, Biology and Sociology. (Reprinted from *The Journal of the American Medical Association*, November 26, December 3, 1904).  
Chapter II. The Life Tragedy of John Addington Symonds. (Reprinted from *The Maryland Medical Journal* August, 1904).  
Chapter III. Taine's Ill-Health. (Reprinted from *American Medicine*, Vol. VIII, No. 19, pp. 805-808, November 5, 1904).  
Chapter IV. Eyestrain as a cause of Headache and other Neuroses. (by Simeon Snell, *F.R.C.S.E.*)  
Chapter V. Slight Errors of Refraction and their Influence on the Nervous System. (by C. Ernest Pronger, *F.R.C.S.*)  
Chapter VI. The History and Etiology of "Migraine." (Reprinted from *The Journal of the American Medical Association*, January 16-23, 1904).  
Chapter VII. The Optic and Ocular Factors in the Etiology of the Scoliosis of school children. (Reprinted from *American Medicine*, April 8, 1905).  
Chapter VIII. Visual Function the cause of Slanted Handwriting; its Relation to School-Hygiene, School Desks, Malposture, Spinal Curvature, and Myopia. (Reprinted from *The Medical Record*, April 22, 1905).  
Chapter IX. Dextrality and Sinistrality. (Reprinted from *The Popular Science Monthly*, August, 1905).  
Chapter X. The Pathologic results of Dextrocularity and Sinistrocularity. (Reprinted from *The Transactions of the American Ophthalmological Society*, October, 1904).  
Chapter XI. Subnormal Accommodation and Premature Presbyopia (Reprinted from *American Medicine*, Vol. IX, No. 3, pp. 103-108. January 21, 1905).  
Chapter XII. The reception of Medical Discoveries. (Reprinted from *The Annals of Ophthalmology*, October, 1904).  
Chapter XIII. Some Problems of Presbyopia. (Reprinted from *The Journal of the American Medical Association*, January 21, 1905).

- Appendix A. Suggestions as to Postmydriatic Refraction Tests. (Reprinted from *The Annals of Ophthalmology*, July, 1904).
- Appendix B. A Case of "Mathematically-Perfect Eyes" (Read before *The American Medical Association*. June, 1898).  
Index.

327. **The etiology of astigmatism.** pp. 12. Repr. from *The Annals of Ophthalmology and Otology*, St. Louis, July, 1905.  
The same. *Biographic Clinics IV*. Philadelphia: P. Blakiston's Son & Company, 1906. Chapter VIII, p. 269 ff.
328. **Eyestrain as a cause of disease of the digestive organs.** pp. 15. Repr. from *The Journal of the American Medical Association*, Chicago, March 24, 1905.  
The same. *Biographic Clinics V*. Philadelphia: P. Blakiston's Son & Company, 1907. Chapter XVI, p. 257 ff.
329. **The eyestrain origin of epilepsy** pp. 12. Repr. from *The Annals of Ophthalmology and Otology*, St. Louis, October, 1905.  
The same. *Biographic Clinics IV*. Philadelphia: P. Blakiston's Son & Company, 1906. Chapter XI, p. 345 ff.
330. **The ocular origin of "migraine."** pp. 20. Address before the meeting of the *Buffalo Academy of Ophthalmology and Otolaryngology*, at Buffalo, N. Y., September 14-16, 1905. Repr. from *The Journal of the American Medical Association*, Chicago, October 28, 1905.  
The same. *Biographic Clinics V*. Philadelphia: P. Blakiston's Son & Company, 1907. Chapter XVIII, p. 281 ff.
331. **One patient's experience with two general physicians, one Neurologist, one leading Physician, one Gastrologist, two Ophthalmic Surgeons, one Diagnostician, and one Refractionist.** pp. 13. Repr. from *American Medicine*, Philadelphia, Vol. X, No. 26, pp. 1068-1071, December 23, 1905.  
The same. *Biographic Clinics V*. Philadelphia: P. Blakiston's Son & Company, 1907. Chapter IX, p. 129 ff.
332. **The optic and ocular factors in the etiology of the scoliosis of school children.** pp. 27. Repr. from *American Medicine*, Philadelphia: April, 1905.  
The same. *Biographic Clinics III*. Philadelphia: P. Blakiston's Son & Company, 1905. Chapter VII, p. 251 ff. Illustrated. Previous papers on the same subject: *American Medicine*, March 26, 1904; title No. 319. *American Medicine*, May 21, 1904; title No. 308.
333. **A study of failures of ophthalmic practice.** pp. 19. Address before the meeting of the *American Academy of Ophthalmology and*

- Otolaryngology*, at Buffalo, N. Y., September 14-16, 1905. Repr. from *The Medical Record*, New York, September 30, 1905.
- The same. *Biographic Clinics IV*. Philadelphia : P. Blakiston's Son & Company, 1906. Chapter IX, p. 293 ff.
334. **Subnormal accommodation and premature presbyopia.** pp. Repr. from *American Medicine*, Philadelphia, Vol. IX, No. 3, pp. 103-108. January 21, 1905
- The same. *Biographic Clinics III*. Philadelphia : P. Blakiston's Son & Company, 1905. Chapter XI, p. 377.
335. **Thirty-five years of treatment by seventeen physicians for strabismus, tinnitus, headache, indigestion, eyestrain, etc.** pp. 7. Repr. from *The Maryland Medical Journal*, April, 1905.
- The same. *Biographic Clinics V*. Philadelphia : P. Blakiston's Son & Company, 1907. Chapter IV, p. 67 ff.
336. **Visual function the cause of slanted handwriting ; its relation to school hygiene, school desks, malposture, spinal curvature, and myopia.** pp. 37. Illustrated. Repr. from *The Medical Record*, New York, April 22, 1905.
- The same. *Biographic Clinics III*. Philadelphia : P. Blakiston's Son & Company, 1905. Chapter VIII, p. 295 ff.
- The same. *Righthandedness and Lefthandedness*. Philadelphia and London : J. B. Lippincott Company, 1908. Chapter V, p. 146 ff.

## 1906.

337. **American medicine.** Philadelphia : American Medicine Publishing Company, Vol. XI, Vol. I New Series—1906. (See title No. 259.)
338. **Biographic clinics.** Essays Concerning the Influence of Visual Function, Pathologic and Physiologic, upon the Health of Patients. Vol. IV. Philadelphia : P. Blakiston's Son & Company, 1906. pp. 375. 8 vo.
- Contents : Preface.
- Chapter I. Progress.
- Chapter II. The Cause, Nature and Consequences of Eyestrain. (Reprinted from *The Popular Science Monthly*, December, 1905.)
- Chapter III. Balzac, the "Hero of Overwork." (Reprinted from *The Montreal Medical Journal*, November, 1905.)
- Chapter IV. Tchaikovsky. (Reprinted from *The Boston Medical and Surgical Journal*, Vol. LIV, No. 19, pp. 513-517, May 10, 1906 ; and Vol. LIV, No. 20, pp. 552-557, May 17, 1906.)
- Chapter V. Flaubert. (Reprinted from *The Medical Record*, April 14, 1906.)
- Chapter VI. Lafcadio Hearn.
- Chapter VII. Berlioz. (Reprinted from *St. Louis Medical Review*, December 23, 30, 1905.)
- Chapter VIII. The Etiology of Astigmatism. (Reprinted from *The Annals of Ophthalmology*, July, 1905.)
- Chapter IX. A Study of Failures in Ophthalmic Practice. (Reprinted from *The Medical Record*, September 30, 1905.)

- Chapter X. The "Exaggeration" and Hobby-Riding of the Eye-strain Theorist. (Reprinted from *The Annals of Ophthalmology*, January, 1906.)
- Chapter XI. The Eyestrain Origin of Epilepsy. (Reprinted from *The Annals of Ophthalmology*, October, 1905.)

## Index.

339. **A case of hyperchlorhydria, indigestion, constipation, etc., as treated by one gastrologist, three general physicians, one "mechano-neuralist," one hospital, one professor of medicine, and one refractionist.** pp. 6. Repr. from *The St. Louis Medical Review*, June 2, 1906.  
The same. *Biographic Clinics V.* Philadelphia: P. Blakiston's Son & Company, 1907. Chapter V, p. 83 ff.
340. **A case of hysteria due to eyestrain.** pp. 5. Repr. from *The Brooklyn Medical Journal*, October 1, 1906.  
The same. *Biographic Clinics V.* Philadelphia: P. Blakiston's Son & Company, 1907. Chapter XII, p. 165 ff.
341. **A case of "Neurasthenia" as treated by two general physicians, one homeopathist, one quack, one osteopath, one pregnancy, three ophthalmic surgeons, two gynecologists, one diagnostician, one neurologist, one resident sanitarium physician, and one refractionist.** pp. 8. Repr. from *American Medicine*, Philadelphia, Vol XI, No. 8, pp. 281-283. February 24, 1906.  
The same. *Biographic Clinics V.* Philadelphia: P. Blakiston's Son & Company, 1907. Chapter VIII, p. 115 ff.
342. **A case of stercoraceous vomiting due to eyestrain.** pp. 3. Repr. from *The St. Paul Medical Journal*, June, 1906.  
The same. *Biographic Clinics V.* Philadelphia: P. Blakiston's Son & Company, 1907. Chapter X, p. 149 ff.
343. **A case in which "sinking spells"—"thousands of them"—sickheadache, vomiting, etc. were due to eyestrain.** pp. 7. Repr. from *The St. Louis Medical Review*, 1906.  
The same. *Biographic Clinics V.* Philadelphia: P. Blakiston's Son & Company, 1907. Chapter XIII, p. 173 ff.
344. **Eyestrain and crime.** pp. 5. Epitome of an address by Dr. George M. Case of Elmira at the meeting of the *American Academy of Ophthalmology and Otolaryngology*, August 30, 1906  
The same. *Biographic Clinics V.* Philadelphia: P. Blakiston's Son & Company, 1907. Chapter XIX, p. 341 ff.
345. **The "exaggeration" and hobby-riding of the eyestrain theorist.** pp. 12. Repr. from *The Annals of Ophthalmology and Otolaryngology*, St. Louis, January, 1906.  
The same. *Biographic Clinics IV.* Philadelphia: P. Blakiston's Son & Company, 1906. Chapter X, p. 319 ff.
346. **"Fitting glasses," the diagnosis of errors of refraction, the influence of eyestrain, etc.** pp. 3. New York: William Wood & Company, 1906. Repr. from *The Medical Record*, New York, July 21, 1906.
347. **Biographic clinic on Gustave Flaubert.** pp. 40. Repr. from *The Medical Record*, New York, April 14, 1906.

- The same (under new title). **Flaubert.** *Biographic Clinics IV.* Philadelphia: P. Blakiston's Son & Company, 1906. Chapter V, p. 155 ff.
- 347a. **Headache and eyestrain.** Address before the Section on *Practice of Medicine, The American Medical Association*, June, 1906.  
Published in *The Journal of the American Medical Association*, Chicago, November 10, 1906.
348. **Incurable eyestrain.** pp. 21. Address before the *Section on Ophthalmology of the American Medical Association*, at Boston, June 5, 1906.  
Published. *The Journal of the American Medical Association*, Chicago, 1906.  
The same. *Biographic Clinics V.* Philadelphia: P. Blakiston's Son & Company, 1907. Chapter XVIII, p. 315 ff.
349. **A historic parallel.** pp. 6. *The Bulletin of American Academy of Medicine*, Easton, Pa., October, 1906.  
The same. *Biographic Clinics V.* Philadelphia: P. Blakiston's Son & Company, 1907. Chapter XXIII, p. 383 ff.

The same. *Biographic Clinics V.* Philadelphia: P. Blakiston's Son & Company, 1907. Chapter XXI, p. 361 ff.

## 1907.

365. **American medicine.** Philadelphia: American Medicine Publishing Company. No. 2, New Series, 1907. (See title No. 259.)
366. **The Association of medical libraries; past, present and future.** By Albert Tracy Huntington. Address before the Association of Medical Librarians at the 10th meeting, at Atlantic City, N. J., June 3, 1907. Repr. from *The Medical Library and Historical Journal*, Brooklyn, June, 1907.
367. **An autumn singer.** Philadelphia; J. B. Lippincott Company, 1907. pp. 163. 8 vo.

368. **Back to the old ways!** pp. 10. *Putnam's Monthly Magazine*, New York, September, 1907.
369. **Biographic clinics.** Essays concerning the influence of visual function, pathologic and physiologic, upon the health of patients. Vol. V. Philadelphia: P. Blakiston's Son & Company, 1907. pp. 399. 8 vo.

Contents: Preface.

- |         |   |
|---------|---|
| Chapter | I. Biology and Ophthalmology.   |
| Chapter | II. The Ocular Factors in the Etiology of Spinal Curvatures. (Reprinted from the <i>New York Medical Journal</i> , July 28, 1906.)  |
| Chapter | III. A Life and Career Blighted by Ignored Eyestrain. (Reprinted from <i>The Annals of Ophthalmology and Otology</i> , July, 1906.)   |
| Chapter | IV. Thirty-five Years of Treatment by Seventeen Physicians for Strabismus, Tinnitus, Headache, Indigestion, Eyestrain, etc. (Reprinted from <i>The Maryland Medical Journal</i> , April, 1905.)   |
| Chapter | V. A Case of Hyperchloxydria, Indigestion, Constipation, etc., as Treated by one Gastrologist, three General Physicians, one "Mechano-Neuralist," one Hospital, one Professor of Medicine, and one Refractionist, (Reprinted from <i>The St. Louis Review</i> , June 2, 1906.)  |
| Chapter | VI. Nil Desperandum as an Article of the Refractionist's <i>Materia Medica</i> . (Reprinted from <i>The Albany Medical Annals</i> , October, 1906.)   |
| Chapter | VII. Resection of the Infraorbital and Supraorbital Nerves for Eyestrain. (Reprinted from <i>American Medicine</i> , New Series, Vol. I, No. 2, pp. 71-74. May, 1906.)  |
| Chapter | VIII. A Case of "Neurasthenia" as treated by two General Physicians, one Homeopathist, one Quack, one Osteopath, one Pregnancy, three Ophthalmic Surgeons, two Gynecologists, one Diagnostician, one Neurologist, one Resident Sanitarium Physician, and one Refractionist. (Reprinted from <i>American Medicine</i> , Vol. XI, No. 8, pp. 281-283. February 24, 1906.) |
| Chapter | IX. One Patient's Experience with two general Physicians, one Neurologist, two Ophthalmic Surgeons, one Diagnostician, and one Refractionist. (Reprinted from <i>American Medicine</i> , Vol. X, No. 26, pp. 1068-1071. December 23, 1905.)   |
| Chapter | X. A Case of Stercoraceous Vomiting due to Eyestrain. (Reprinted from <i>The St. Paul Medical Journal</i> , June, 1906.)  |
| Chapter | XI. A Professional and Successful Life Wrecked by Ill-fitting Eye-glasses. (Reprinted from <i>American Medicine</i> , N. S. Vol. I, No. 8, pp. 476-478. November, 1906.)  |

- Chapter XII. A Case of Hysteria due to Eyestrain. (Reprinted from *The Brooklyn Medical Journal*, October 1, 1906.)
- Chapter XIII. A Case in which "Sinking Spells"—"Thousands of Them"—Sickheadache, Vomiting, etc., were due to Eyestrain. (Reprinted from *The St. Louis Medical Review*, 1906.)
- Chapter XIV. The Mysteries and Sources of Suicide. (Reprinted in epitomized form in *The Medical Record*, September 8, 1906.)
- Chapter XV. A Study of the Contributions to Ophthalmology made by our Society during the last 31 years. (Reprinted from *The Maryland Medical Journal*, January, 1907.)
- Chapter XVI. Eyestrain as a Cause of Diseases of the Digestive Organs. (Reprinted from *The Journal of the American Medical Association*, March 24, 1905.)
- Chapter XVII. The Ocular Origin of "Migraine." (Reprinted from *The Journal of the American Medical Association*, October 28, 1905.)
- Chapter XVIII. Incurable Eyestrain. (Reprinted later in *The Journal of the American Medical Association*.)
- Chapter XIX. Eyestrain and Crime.
- Chapter XX. The Ophthalmic Sins in Hospitals. (Reprinted from *The Annals of Ophthalmology and Otology*, July, 1906.)
- Chapter XXI. Ten Types of Ophthalmic Charlatanism. (Reprinted from *The Cleveland Medical Journal*, December, 1906.)
- Chapter XXII. A Conspiracy of Silence.
- Chapter XXIII. A Historic Parallel. (Reprinted from *The Bulletin of the Academy of Medicine*, October, 1906.)
- Index.

## 1908.

392. **Borderland studies.** Miscellaneous Addresses and Essays pertaining to medicine and the medical profession, and their relations to general science and thought. Vol. II. Philadelphia : P. Blakiston's Son & Company, 1908. p. 311. Illustrated, 8 vo.
- Contents : Preface.
- I. The History of the House, etc. (Reprinted from *The Interstate Medical Journal*, Vol. XV, Nos. 2, 3, 4, 1908.)
  - II. A System of Personal Biologic Examinations, etc. (Reprinted from *The Journal of the American Medical Association*, July 21, 1900.)
  - III. The Life-Study of Patients, etc. (Reprinted from *American Medicine*, Vol. VII, No. 6, February 6, 1904.)
  - IV. "The Seven Deadly Sins" of Civilization. (Reprinted from *The Medical Standard*, December, 1907.)
  - V. Disease and Sin. (Reprinted from *American Medicine*, August 31, September 7, 1901.)

- VI. King Arthur's Medicine. (Reprinted from *The Quarterly Medical Journal*, October, 1907; and *The Johns Hopkins Hospital Bulletin*.)
- VII. Some intellectual Weeds of American Growth. (Reprinted from *The Montreal Medical Journal*, August, 1904.)
- VIII. Concerning Crank, Morphinomaniac, Dotard, Criminal, and Insane Physicians. (Reprinted from *The Virginia Medical Semi-Monthly*. September 27, 1907.)
- IX. Some Ethical Questions. (Reprinted from *Suggestions to Medical Writers*, Chapter IX, Philadelphia Medical Publishing Company, 1900.)
- X. History and Psychology in Words. (Reprinted from *Suggestions to Medical Writers*, Chapter X, Philadelphia Medical Publishing Company, 1900.)
- XI. Style. (Repr. from *Suggestions to Medical Writers*, Chapter VI, Philadelphia Medical Publishing Company, 1900.)
- XII. Child Fetiches. (Repr. from *The Pedagogical Seminary*, January 18, 1908.)
- XIII. The Story and Lessons of an Unknown Hero's Life. (Repr. from *The Jeffersonian*, February, 1900.)
- XIV. Vocation or Avocation. (Repr. from *American Journal of Clinical Medicine*, January, 1908.)
393. **Care of the eyes.**  $\frac{1}{2}$  sheet. First article: *Ambition. A Journal of Inspiration to Self-Help.* Scranton, Pa. Vol. 3, No. 6, June, 1908.
394. 2nd article: **The little baby's eyes.**  $\frac{1}{2}$  sheet. Vol. 3, No. 8, August, 1908.
395. 3d article: **Conjunctivitis.**  $\frac{1}{2}$  sheet. Vol. 3, No. 9, September, 1908.
396. 4th article: **How to remove "foreign bodies" from the eyes.**  $\frac{1}{2}$  sheet. Vol. 3, No. 11, November, 1908.
397. 5th article: **Diseases of the lids.**  $\frac{1}{2}$  sheet. Vol. 3, No. 12, December, 1908.
- These articles will also appear during the years 1909 and 1910 in *The Countryman, A monthly magazine published by the students of the New York State College of Agriculture, Cornell University, Ithaca, N. Y.*
398. **The case of Jonathan Swift.** pp. 30. Repr. from *The Interstate Medical Journal, St. Louis.* Vol. XV, Nos. 11, 12, 1908.
- The same. *Biographic Clinics VI.* Philadelphia: P. Blakiston's Son & Company, 1909. Chapter II.
399. **Concerning Lafcadio Hearn.** With a Bibliography by Laura Stedman. Philadelphia: George W. Jacobs & Company, Publishers, May, 1908. pp. 416. 7 illustrations. 12 mo.
- Contents: Preface.
- Chapter I. Heredity.
- Chapter II. In Person.
- Chapter III. The Period of the Gruesome.
- Chapter IV. The New Orleans Time.
- Chapter V. At Martinique
- Chapter VI. "Getting a Soul."
- Chapter VII. "In Ghostly Japan."
- Chapter VIII. As a Poet.
- Chapter IX. The Poet of Myopia.

- Chapter X. Hearn's Style.  
 Chapter XI. Summary and Conclusion.  
 Chapter XII. Appreciation and Epitomes.  
 Bibliography.
