GENERAL COLLECTION OF VOYAGES

AND TRAVELS. Parts I. to X. Price 10s. 6d. each (to be continued Monthly) forming a complete History of the Origin and Progress of Discovery, by Sea and Land, from the earliest Ages to the present Time. Preceded by an Historical Introduction, and critical Catalogue of Books of Voyages and Travels, and illustrated and adorned with numerous Engravings. By JOHN PINKERTON, Author of Modern Geography, &c.

CONDITIONS.

I. This Work will be handsomely printed in demy 4to. on a new Type.—II. The Work, it is expected, will be completed in 10 or 12 vols.—III. A Part, or Quarter of a Volume, price 10s. 6d. will be published on the First Day of every Month.—IV. Each Part will contain 25 Sheets of Letter Press, besides Engravings.

. In the present Work it is not intended merely to reprint the Narratives which have already appeared, nor to adhere to the strict chronological order of the Occurrences which they detail; but in most Cases to class the Subjects, and consolidate the Materials of different Writers, so as to exhibit at one View all that is interesting or important in their several Publications, and to present the Reader with a regular, succinct, and separate History of the Progress of Discovery in every great Division of the Globe. It is proposed, however, that the utmost Care shall be taken not to destroy or weaken the Interest which in a greater or less Degree must always belong to the Narrative of the Voyager himself, by using where it can be done with Advantage, the Language of original Authority. The First in the Order of the Divisions of this Work as most interesting to the great Body of Readers will be Europe, comprising every thing valuable that has ever appeared in the Form of Voyages or Travels relating to this Portion of the Earth; and in the subsequent Parts, the Order of Arrangement which Mr. Pinkerton has pursued in his great geographical Work, will be adopted.

NEW BRITISH ENCYCLOPEDIA; OR, DICTIONARY OF ARTS AND SCIENCES, comprising an accurate and popular View of the present improved State of Human Knowledge.

By WILLIAM NICHOLSON,

Author and Proprietor of the Philosophical Journal, and various other Chemical, Philosophical, and Mathematical Works. Illustrated with 156 elegant Engravings, by Lowry and Scott. Neatly printed by Whittingham.

. This Work may be had complete in 6 vols. 8vo. Price 6l. 6s. in Boards; or taken Monthly, in Twelve Parts, price 10s. 6d. each.

THE NEW CYCLOPEDIA; OR, UNIVERSAL DICTIONARY OF ARTS, SCIENCES, AND LITERATURE. Formed upon a more enlarged Plan of Arrangement than the Dictionary of Mr. Chambers; comprehending the various Articles of that Work, with Additions and Improvements; together with the new Subjects of Biography, Geography, and History; and adapted to the present State of Literature and Science.

By ABRAHAM REES, D.D. F.R.S.

Editor of the last Edition of Mr. Chambers's Dictionary; with the Assistance of eminent professional Gentlemen. Illustrated with new Plates, including Maps, engraved for the Work by some of the most distinguished Artists. The Second Edition.

The First Edition of this new Work consisted of 5000 Copies, and a Second Edition of all the early Parts have

been already called for. The following are its principal Recommendations.

1. The Plan of this Work is intended as an Improvement upon similar Publications, being a Medium between the Plan of a Dictionary and that of Treatises; and comprehending the Advantages of each. The History and Outlines of each Science are given under its appropriate Title; and its various Divisions, which can be more satisfactorily explained in separate Articles than in the Body of a Treatise, are introduced under their respective Terms.

2. The Editor is of acknowledged Learning and Industry, and of unquestionable Experience in this Department of literary Labour; the greater Part of his Life having been employed in editing and improving the last Edition of Mr. Chambers's Dictionary, and in collecting Materials for the present Work.

3. Among the Gentlemen who have engaged to contribute their Assistance to this Work, are many of distinguished Eminence.

4. The Embellishments are of a very superior Description, and will form, when completed, an incomparably more elegant and correct Set of scientific and other Plates than has ever been produced. The scientific Subjects are engraved by Mr. Lowry, whose accurate Knowledge and improved Method of Execution, in this Branch of the Art, have not been equalled. The Subjects of Natural History, &c. are chiefly engraved by Mr. Milton and Mr. Scott, with corresponding Taste and Beauty.

The Drawings are almost wholly new. The Plates which are already engraved, are from Drawings by Messrs. Flaxman, Howard, Stubbs, Lowry, Edwards, Donovan, Sowerby, Strutt, Muesett, E. Aikin, P. Nicholson, Daniel, Naylor, Anderson, Kirkman, Farey, junior, &c.

5. The Maps will be double the Size usually given in similar Publications, and are drawn and engraved under the Direction of Mr. Arrowsmith.

6. Parts I. to XXII. are already published, and may be had either periodically or together, Price 20s. each, in Boards, and arrangements have lately been made to publish the succeeding Parts every two Months, till the whole Work be completed.

7. A few Copies are printed off on royal paper, with proof impressions of the plates, price 1*l.* 16s. each Part.

THE LONDON MEDICAL REVIEW, Nos. I. to IV. (to be continued Quarterly) Price 2s. 6*d.* each.

The Object of this Publication is to analyze and criticise Works of primary Importance in Medicine, Surgery, and the collateral Sciences: An ample Discussion of controversial Subjects, and the frequent Introduction of original Matter, will form its peculiar Character.

The Necessity of such a Work must be obvious, its Utility must be proportioned to the Abilities of its Execution—its Merits must be determined by Time.

Each Number will contain a correct List of the Medical Publications of the preceding Quarter.

THE ATHENÆUM; a Magazine of Literary and Miscellaneous Information.

* * * The Athenæum is designed essentially to be one of those popular Miscellanies, so long known and approved in this Country, under the name of a *Magazine*, and to embrace all the usual Objects of such Publications; but, as its Title may be understood to imply, it is meant to aim at a higher literary Character than they commonly support.

Soc.* "The plates are beautifully executed, and the whole constitutes a pleasing performance of a moderate price." *M. How far it is superior to similar Works, in Rectitude of Principle and Ability of Execution, will best be ascertained by Reference to its Pages. HISTORY AND BIOGRAPHY.

SIR JOHN FROISSART'S CHRONICLES of ENGLAND, FRANCE, SPAIN, and the adjoining Countries, from the latter Part of the Reign of Edward II. to the Coronation of Henry IV. Newly translated from the French Editions, with Variations and Additions from many celebrated MSS. By THOMAS JOHNES, Esq. M. P. To which is prefixed, a Life of the Author, an Essay on his Works, a Criticism on his History, and a Dissertation on his Poetry. The Third Edition, in 12 vols. 8vo. Price 7l. 4s. in Boards.

"Froissart is an historian consulted and cited by every writer whose subject leads him to the period in which he wrote; he is the chief, if not the only authentic source of information we are possessed of with regard to one of the proudest and most striking portions of our national annals. The engravings from old illuminated MSS. which accompany the present portion of the work, are useful as well as curious ornaments. As the authenticity of the sources from which they are taken cannot be doubted, they present valuable pictures of the costume of the times. We consider the translation of Froissart's Chronicles by Mr. Johnes as an undertaking of great importance, and even of high national interest." *Crit. Rev.*

MEMOIRS OF JOHN LORD DE JOINVILLE, Grand Seneschal of Champagne, written by himself, containing a History of Part of the Life of Louis IX. King of France, surnamed St. Louis, including an Account of that King's Expedition to Egypt, in the year 1248. To which are added, the Notes and Dissertations of M. Du Cange on the above, together with the Dissertations of M. Le Baron de La Batiolle on the Life of St. Louis, M. L'Evêque de la Ravaliere and M. Falcoett, on the Assassins of Syria; from the "Memoirs de l'Academie de belles Lettres et Inscriptions de France."

Translated by THOMAS JOHNES, Esq. M. P. Handsomely printed in 2 vols. 4to. and illustrated with Engravings. Price 4l. 4s. in Boards.

"The unquestionable fidelity of the writer, his situation near the person of the King, the simplicity in which he relates all that he beheld—*quorumque pars magna fuit*; and, above all, the perspicuous and interesting picture which is exhibited of the manners of that period, render these memoirs, in an English dress, peculiarly valuable." *Brit. Crit.*

MEMOIRS OF THE LIFE OF COLONEL HUTCHINSON, Governor of Nottingham Castle and Town, Representative of the County of Nottingham in the long Parliament, and of the Town of Nottingham in the first Parliament of Charles II. &c. With original Anecdotes of many of the most distinguished of his Contemporaries, and a Summary Review of Public Affairs, written by his Widow, Lucy, daughter of Sir Allen Aspley, Lieutenant of the Tower, &c. Now first published from the original Manuscript.

By the Rev. JULIUS HUTCHINSON.

To which is prefixed, the Life of Mrs. Hutchinson, written by herself, a Fragment. Embellished with two elegantly engraved Portraits, and a View of Nottingham Castle. In one vol. 4to. The 2d edit. Price 1l. 11s. 6d.; and Royal, price 2l. 12s. 6d. in Boards.

"As a political record we regard this work as a valuable addition to our stock of original documents; but perhaps its greatest merit will be allowed to rest on its excellency as a literary composition.

The Works of the inimitable Hogarth have not only been sought for with Avidity in his Native Country, but have been admired by every civilized Nation in the World. Since his Death various Editions of his Works have, from Time to Time, been offered to the Public. But without attempting to depreciate any of the former Editions, it is presumed that the present Work will, from its Elegance and Cheapness, stand unrivalled.

* The succeeding Numbers will be published on the First Day of every Second Month.

THE MONTHLY REPOSITORY OF THEOLOGY AND GENERAL LITERATURE, Nos. I. to XXXVII. Price 1s. each. (To be continued.)

* The object of the Monthly Repository is to blend Literature with Theology, and to make Theology rational, and Literature popular; it consists of two Parts, viz. a Magazine and a Review. The Magazine Part contains interesting Biographical Sketches, Moral and Theological Disquisitions, Biblical Criticism, Select Poetry, and Miscellaneous Original Communications. The Review consists of a brief Analysis of the principal Publications in Morals and Theology, with an impartial Examination of their Merits. To these two Parts are added, an Obituary, a Monthly Catalogue of New Books, and copious Religious, Politico-religious, and Literary Intelligence; the whole forming annually one large elegant 8vo. volume.

The story is interesting in the highest degree. The editor has not exaggerated when he recommends his book to the Ladies as more entertaining than most novels. The style is undoubtedly entitled to the praise of vigour and elegance, and will not be easily matched among the writings of our elder authors." *Crit. Rev.* "The present volume forms a valuable addition to our records, and is justly entitled to stand by the side of those of Rushworth, Clarendon, and Ludlow." *Mss. Rev.* "We have not often met with any thing more interesting and curious than this volume." *Edin. Rev.*

NAVAL AND MILITARY MEMOIRS of GREAT BRITAIN, from 1727 to 1783.

By ROBERT BEATSON, Esq. LL.D.

The 2d Edit. with a Continuation. 6 vols. 8vo. 3l. 3s. Bds.

"We cannot but remark, that the mind is lost in wonder while contemplating the mass of heroic deeds, and the number of brilliant exploits, which are collected together within the compass of these volumes. The author has executed a laborious task, and has established a claim to the acknowledgments of his country. He has manifested remarkable diligence in the collection of materials; yet we do not believe that the writer's partiality has induced him in a single instance to suppress any fact within the fair scope of his memoirs, or wilfully to misrepresent any one which he has undertaken to relate." *M. Rev.*

A POLITICAL INDEX to the HISTORIES of GREAT BRITAIN and IRELAND; or a Complete Register of the Hereditary Honours, Public Offices, and Persons in Office, from the earliest Periods to the present Time. By ROBERT BEATSON, LL. D.

The Third Edition, corrected and much enlarged, in 3 vols. 8vo. Price 1l. 11s. 6d. in Boards.

"The public are certainly obliged to the author for the compilation and publication of so useful a work: a work produced at the expence of much time and great labour, and executed with strict fidelity." *M. Rev.*

A CHRONOLOGICAL REGISTER of both Houses of the BRITISH PARLIAMENT, from the Union in 1708, to the Fourth Parliament of the United Kingdom of Great Britain and Ireland, in 1807.

By ROBERT BEATSON, LL. D.

In 3 volumes 8vo. price 1l. 11s. 6d. in boards.

LONDINIUM REDIVIVUM, or an ancient History, and modern Description of LONDON, compiled from parochial records, archives of various foundations, the Harleian MSS. and other authentic sources.

By JAMES PELLER MALCOLM, F. S. A.

In Quarto, Price 2l. 2s. in Boards, the Fourth Volume.

"This may indeed be considered as an original History of London. No subject at all connected with the undertaking seems to have escaped the author's notice. The work is full of biographical notices, curious anecdotes, local peculiarities, charters, presentments, &c. &c.; and what is not less deserving praise, the extracts from Registers are so various, that certificates may be obtained, if necessary, of upwards of a thousand eminent names, exclusive of inscriptions on monuments. The labour of such an undertaking is so manifest, and its utility at the same time so obvious, that it seems a sort of public duty to promote it by all possible accommodation. We have no doubt that when finished, this will be the most comprehensive account of London that has ever been published." *Brit. Crit.*

* The purchasers of the former volumes are requested to complete their sets.

The three first volumes may be had either separately or together, price 5l. 5s. in boards.

"We are now obliged, by the limits of our Review, to close Mr. Gell's volume, which (we take this opportunity of observing) is a specimen of very elegant typography. That we have perused it with uncommon satisfaction, the reader will already have perceived. Here, in the account of Troy, he generally renders Homer his own commentator; yet discovers such a knowledge of ancient and modern writers, as clearly evinces that he qualified himself, by previous study, for his geographical and antiquarian researches." *Brit. Crit.*

"We have throughout found Mr. Parsons an instructive and agreeable companion. His travels are not, as usually happens, made up out of books, but appear to be a faithful delineation of what he himself saw and heard: his descriptions are always conspicuous and sometimes exhibit specimens of elegance and taste; his remarks are sensible, and never tridling; he exhibits the present state of the countries, through which he travelled, without encumbering his narrative with a representation of the past; and his work exhibits the marks of a mind which sought after knowledge without being impelled by vanity, which was communicative but not ostentatious, which was studious of novelty, but never negligent of truth." *Ann. EDUCATION.

. The Proprietors of LINDLEY MURRAY's works have the satisfaction of stating to the Public, that the additions, alterations, and improvements, which the author had contemplated, are now completed; and are contained in the sixteenth edition of the Grammar, the twelfth of the Exercises, and the tenth of the Key; that these editions of the books correspond exactly to one another; and that in every future edition of them, this correspondence will be faithfully preserved. It is proper to observe, that the new editions of these books have been considerably enlarged and improved; and that in particular, the tenth edition of the Key, contains a copious Alphabetical Index to the Grammar, the Exercises, and the Key; in addition of which, it is presumed, will be generally useful, and particularly acceptable to students, who have made some progress in the knowledge of Grammar. It is calculated to form at once an Index to particulars, and an Epitome of the chief rules and principles of the languages.

An ENGLISH GRAMMAR; comprehending the PRINCIPLES and RULES of the LANGUAGE, illustrated by appropriate EXERCISES, and a KEY to the EXERCISES.

By LINDLEY MURRAY. In Two Vols. 8vo. Price One Guinea, in Boards.

. The Proprietors of Mr. MURRAY's Grammatical Works flatter themselves, that the present improved edition of the whole, in two volumes, octavo, in a large letter, and on superfine paper, will be received by the Public with approbation. The Author has, on this occasion, revised the Grammar, enlarged it very considerably, and adapted the whole to the purposes in view. The additions occupy more than ninety pages of the first volume, and are interspersed throughout the book.

In its present state, the work may be considered as almost a new performance. It contains an ample exhibition of the principles of English Grammar, and a copious illustration of those principles; with many positions and discussions which, it is presumed, will be found not destitute of originality. To teachers of the language, and to others, who wish to extend their knowledge of the grammatical art, or to consult the work as a book of reference, these volumes may be particularly acceptable, and may be thought worthy of a place in their libraries.

"Mr. Murray's English Grammar, English Exercises, and Abridgment of the Grammar, claim our attention, on account of their being composed on the principle we have so frequently recommended, of combining religious and moral improvement with the elements of scientific knowledge. The late learned Dr. Blair gave his opinion of it in the following terms:—'Mr. Lindley Murray's Grammar, with the Exercises and the Key in a separate volume, I esteem as a most excellent performance. I think it superior to any work of that nature we have yet had; and am persuaded that it is, by much, the best Grammar of the English language extant. On Syntax, in particular, he has shown a wonderful degree of acuteness and precision, in ascertaining the propriety of language, and in

rectifying the numberless errors which writers are apt to commit. Most useful these books must certainly be to all who are applying themselves to the arts of composition." *Guard. of Edu.*

"The charm of these letters consists in their being the artless effusion of a superior mind. There is sterling good sense in most of her remarks on books, manners, education, &c. and a great share of originality. She always appears to us in a light at once respectable and amiable. Her understanding is strong, her fancy lively, her sensibility acute. She has the art of placing every thing before our eyes; we see her, we hear her, and we become acquainted with her; and when we shut her book, we seem to take leave of a friend." *Ann. Rev.*

"Mr. Harriott has possessed vast opportunities for collecting the most useful, important, and diversified information. When we add, that he has not wholly neglected these opportunities; that to an acute and vigilant understanding he unites a restless activity, an undaunted perseverance, great quickness of feeling, and a peculiar readiness to learn; that his minor adventures, his early loves, friendships, and quarrels, are interesting and attractive, our readers will not be surprised at our declaring that his work has revived in our mind sensations which have slept almost ever since the happy days in which Robinson Crusoe had the charm of novelty." *M.
