Die Herausgabe einer Uebersetzung in französischer und englischer Sprache,
sowie in anderen modernen Sprachen wird vorbehalten.

Die Schreibweise der geographischen Namen ist nach den Angaben und Erläuterungen gewählt, welche Dr. Hermann v. Schlagintweit-Sakünlünsky in seinen indischen Reisen Bd. I, S. XXIII bis XXVIII gegeben hat: ch = tsch — j = dsch — sh = sch — z = weiches s — sonst Vocale und Consonanten wie im Deutschen. Jedes mehrsilbige Wort hat Accent.

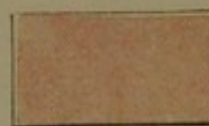

Für die Bezeichnung der geographischen Länge wurde der in Indien, sowie in England übliche Meridian beibehalten.
