MEDICAL CERTIFICATE, No. I.

I, the undersigned, Mrs Dean Fairless
being a (1) Doctr of Medicine and Registered
and being in actual practice as a (2) Physician
do hereby certify, on soul and conscience, that I have this day, at (3) Uddingston in the County of Lanark separately from any other Medical Practitioner, visited and personally examined (4) Janet Gray, daughter of, and residing under the charge of George Gray, Engineer, Uddingston, and a pauper and that the said Janet Gray is a (5) Insane person and a proper Person to be detained under Care and Treatment, and that I have formed this opinion upon the following grounds, viz.:—

1. Facts indicating Insanity observed by myself: (6) I found her confined in a wooden shed in the garden attached to her father's cottage. She was in a state of nudity, lying on a rude bed-head, upon a little straw saturated with urine, and covered by a piece of sack sheet and an old sack. Her knees were drawn up, and the tendons so contracted that she cannot walk. She cannot articulate beyond a few incoherent words, and hid her face on the pillow, and has a vacant staring appearance.

2. Other facts (if any) indicating Insanity communicated to me by others: (7) She had a former attack & had been confined in Gartnavel Asylum. The present attack of mania began four years or more ago, and my informants stated that, they were unable from various causes, to place her again in an Asylum. They had nursed her in their own cottage, but owing to her exceeding violence, they had prepared the shed in the garden, and had confined her in it, for above a year and half.
