Superior Accommodation, such as a suite of Private Apartments, Attendants, &c. may be had.

THE TWO FOLLOWING DOCUMENTS ARE IN EVERY CASE INDISPENSABLE.

I. Warrant from the Sheriff of Lanarkshire, in terms of the Statutes 55 Geo. III. Cap. 69; 9 Geo. IV. Cap. 34; 4 and 5 Vic. Cap. 60. The Warrant—which will be granted on the presentation of Certificates of Lunacy from two respectable Medical Practitioners—is to be presented at the Asylum, on or before the arrival of the Patient.

II. Written Obligation for Payment of Board, as well as for due observance of the Rules of the Institution, from one or two responsible Persons resident in Glasgow. The Letter of Obligation is to be deposited with the Treasurer on Payment of the Board.

The Forms of these Documents, herewith furnished, or Copies of them, must be properly filled up and subscribed.

According to the rate of Board, a difference will be observed in the apartments, in the quality of furniture and of diet, in the rank of associates, and in the proportion of attendants or servants.

Every Patient must be provided with proper apparel. An accurate list of every Article brought with the Patient, must, on admission, be delivered to the Steward. If any necessary part of dress should not be duly supplied, after eight days' intimation has been given that it is wanted, it will be furnished by the House, and the cost of it charged against the Patient.

Patients, in cases of urgency, will be admitted at any hour; but, in ordinary cases, they must be sent to the Asylum after 7 o'clock in the morning, and before 7 o'clock in the evening. Timely notice of the hour when any Patient may be expected to arrive ought always to be given to the Physician, that due preparation may be made for the Patient's reception.

On applying to the Physician, the Patient will be carefully and expeditiously conveyed to the Asylum; the necessary expenses being paid to the Steward by the Applicant.

GENERAL REGULATIONS.

Patients sent by any Parish which has contributed a sum proportioned to its population, as stipulated by the Regulations, pay according to a rate of Board fixed annually.

Patients sent by other Parishes, pay according to the first rate of board.

The board is, in all cases, paid quarterly and in advance. The regular quarterly terms are: 1st January, 1st April, 1st July, and 1st October. The first payment is always made from the day of admission, to the end of the current or of the next quarter.

When any Patient is dismissed, or dies, before the close of a quarter, an application may be made to the Weekly Committee, to ascertain if any, and what portion of the sum advanced for board shall be refunded.

Patients have no claim to remuneration for their labour.

A fee, on admission, is paid to the Institution by each Patient, at the second rate of board, and upwards. On the dismissal or death of the Patient, after six and within twelve months, the fee is repeated. But should the Patient remain a year, or longer, the fee is repeated only on the expiry of the year, and on that of each succeeding year of the Patient's residence in the Asylum. No fees are paid for parish Patients, or by Patients at the first rate of board.

Patients are admitted and dismissed by orders from the Physician.

No Person affected with contagious fever, or in a dying state, can be admitted as a Patient.

When any Patient is ordered to be dismissed, timely written notice of the order for dismissal is always sent to the Person or Persons in Glasgow, who have subscribed the Obligation for Payment of Board; and when the Patient is not removed from the Asylum, within a week after the time fixed in the notice, the board is doubled and the case reported to the Sheriff.

Near Relatives, Guardians, or others, producing proper written authority, from the subscribers of those Letters of Application on which Patients have been admitted, are, by an order from the Physician, allowed to visit Patients.

No Visitor is permitted to enter the apartment of any Patient of a different sex, but under proper restrictions.

All letters or other articles, brought to or from Patients, must be lodged in the Physician's office before they can be permitted to pass in or out.

Three Days' previous notice must be given, before the Removal of any Patient.

All necessary Documents may be addressed (post paid) to the Physician, Dr. Hutcheson, Royal Lunatic Asylum, or 72 St. George's-Place; or to the Secretary and Treasurer, Mr. Donald Cuthbertson, No. 110 West George-Street. And, to ensure the immediate admission of any Patient from a distance, it is requested that these, if possible, be transmitted in due time for correspondence, before the Patients be sent to the Asylum.

GENERAL REGULATIONS.

Patients sent by any Parish which has contributed a sum proportioned to its population, as stipulated by the Regulations, pay according to a rate of Board fixed annually.

Patients sent by other Parishes, pay according to the first rate of board.

The board is, in all cases, paid quarterly and in advance. The regular quarterly terms are: 1st January, 1st April, 1st July, and 1st October. The first payment is always made from the day of admission, to the end of the current or of the next quarter.

Patients have no claim to remuneration for their labour.

A fee, on admission, is paid to the Institution by each Patient, at the second rate of board, and upwards. On the dismissal or death of the Patient, after six and within twelve months, the fee is repeated. But should the Patient remain a year, or longer, the fee is repeated only on the expiry of the year, and on that of each succeeding year of the Patient's residence in the Asylum. No fees are paid for parish Patients, or by Patients at the first rate of board.

Patients are admitted and dismissed by orders from the Physician.

No Person affected with contagious fever, or in a dying state, can be admitted as a Patient.

When any Patient is ordered to be dismissed, timely written notice of the order for dismissal is always sent to the Person or Persons in Glasgow, who have subscribed the Obligation for Payment of Board; and when the Patient is not removed from the Asylum, within a week after the time fixed in the notice, the board is doubled and the case reported to the Sheriff.

No Visitor is permitted to enter the apartment of any Patient of a different sex, but under proper restrictions.

The Warrant—which will be granted on the presentation of Certificates of Lunacy from two respectable Medical Practitioners—is to be presented at the Asylum, on or before the arrival of the Patient.

II. Written Obligation for Payment of Board, as well as for due observance of the Rules of the Institution, from one or two responsible Persons resident in Glasgow. The Letter of Obligation is to be deposited with the Treasurer on Payment of the Board.

The Forms of these Documents, herewith furnished, or Copies of them, must be properly filled up and subscribed.

According to the rate of Board, a difference will be observed in the apartments, in the quality of furniture and of diet, in the rank of associates, and in the proportion of attendants or servants.

Every Patient must be provided with proper apparel. An accurate list of every Article brought with the Patient, must, on admission, be delivered to the Steward. If any necessary part of dress should not be duly supplied, after eight days' intimation has been given that it is wanted, it will be furnished by the House, and the cost of it charged against the Patient.

Patients, in cases of urgency, will be admitted at any hour; but, in ordinary cases, they must be sent to the Asylum after 7 o'clock in the morning, and before 7 o'clock in the evening. Timely notice of the hour when any Patient may be expected to arrive ought always to be given to the Physician, that due preparation may be made for the Patient's reception.

On applying to the Physician, the Patient will be carefully and expeditiously conveyed to the Asylum; the necessary expenses being paid to the Steward by the Applicant.

GENERAL REGULATIONS.

Patients sent by any Parish which has contributed a sum proportioned to its population, as stipulated by the Regulations, pay according to a rate of Board fixed annually.

Patients sent by other Parishes, pay according to the first rate of board.

The board is, in all cases, paid quarterly and in advance. The regular quarterly terms are: 1st January, 1st April, 1st July, and 1st October. The first payment is always made from the day of admission, to the end of the current or of the next quarter.

When any Patient is dismissed, or dies, before the close of a quarter, an application may be made to the Weekly Committee, to ascertain if any, and what portion of the sum advanced for board shall be refunded.

Patients have no claim to remuneration for their labour.

A fee, on admission, is paid to the Institution by each Patient, at the second rate of board, and upwards. On the dismissal or death of the Patient, after six and within twelve months, the fee is repeated. But should the Patient remain a year, or longer, the fee is repeated only on the expiry of the year, and on that of each succeeding year of the Patient's residence in the Asylum. No fees are paid for parish Patients, or by Patients at the first rate of board.

Patients are admitted and dismissed by orders from the Physician.

No Person affected with contagious fever, or in a dying state, can be admitted as a Patient.

When any Patient is ordered to be dismissed, timely written notice of the order for dismissal is always sent to the Person or Persons in Glasgow, who have subscribed the Obligation for Payment of Board; and when the Patient is not removed from the Asylum, within a week after the time fixed in the notice, the board is doubled and the case reported to the Sheriff.

Near Relatives, Guardians, or others, producing proper written authority, from the subscribers of those Letters of Application on which Patients have been admitted, are, by an order from the Physician, allowed to visit Patients.

No Visitor is permitted to enter the apartment of any Patient of a different sex, but under proper restrictions.

All letters or other articles, brought to or from Patients, must be lodged in the Physician's office before they can be permitted to pass in or out.

Three Days' previous notice must be given, before the Removal of any Patient.

All necessary Documents may be addressed (post paid) to the Physician, Dr. Hutcheson, Royal Lunatic Asylum, or 72 St. George's-Place; or to the Secretary and Treasurer, Mr. Donald Cuthbertson, No. 110 West George-Street. And, to ensure the immediate admission of any Patient from a distance, it is requested that these, if possible, be transmitted in due time for correspondence, before the Patients be sent to the Asylum.

THE THREE FOLLOWING DOCUMENTS ARE IN EVERY CASE INDISPENSABLE:

I. Certificate of Lunacy from a respectable Medical Practitioner. The Certificate is to be exhibited, along with the Petition, to the Sheriff.

II. Warrant from the Sheriff of Lanarkshire, in terms of the Statutes 55 Geo. III. Cap. 69, and 9 Geo. IV. Cap. 34. The Warrant, together with the Medical Certificate, must be presented at the Asylum, on or before the arrival of the Patient.

According to the rate of board, a difference will be observed, in some, or all, of the following particulars, *viz.* in the apartments, in the quality of furniture and of diet, in the rank of associates, and in the proportion of keepers or servants, appointed to a given number of Patients. If a keeper or servant be provided to attend a single Patient, a charge is made in addition to the rate of board.

Every Patient must be provided with a proper suit of apparel, and with a sufficient number of those articles of dress which require to be washed. An accurate list of every article brought with the Patient, must, on admission, be delivered to the Steward. If any necessary part of dress should not be duly supplied, after eight days' intimation has been given that it is wanted, it will be furnished by the House, and the cost of it charged against the Patient.

Patients, in cases of urgency, will be admitted at any hour; but, in ordinary cases, they must be sent to the Asylum, after seven o'clock in the morning, and before seven o'clock in the evening. Timely notice of the hour when any Patient may be expected to arrive, ought always to be given to the Physician, that due preparation may be made for the Patient's reception.

GENERAL REGULATIONS.

Patients sent by any parish which has contributed a sum proportioned to its population, as stipulated by the Regulations, pay according to a rate of board fixed annually.

Patients sent by other parishes, pay according to the first rate of board.

The board is, in all cases, paid quarterly, and in advance. The regular quarterly terms are:—1st January, 1st April, 1st July, and 1st October. The first payment is always made from the day of admission, to the end of the current, or of the next, quarter.

When any Patient is dismissed, or dies, before the close of a quarter, an application may be made to the Weekly Committee, to ascertain if any, and what portion of the sum advanced for board shall be refunded.

Patients have no claim to remuneration for their labour.

A fee, on admission, is paid to the Physician, by each Patient at the second rate of board, and upwards. On the dismission, or on the death of the Patient, after six, and within twelve months, the fee is repeated. But should the Patient remain a year or longer, the fee is repeated only on the expiry of the year, and on that of each succeeding year of the Patient's residence in the Asylum. No fees are paid for parish Patients, or by Patients at the first rate of board.

Patients are admitted and dismissed by orders from the Physician.

No person affected with contagious fever, or in a dying state, can be admitted as a Patient.

When any Patient is ordered to be dismissed, timely written notice of the order for dismission is always sent to the person or persons in Glasgow, who have subscribed the Obligation for Payment of Board; and when the Patient is not removed from the Asylum, within a week after the time fixed in the notice, the rate of board is doubled.

Near relatives or guardians, or others producing proper written authority, from the subscribers of those Letters of Application on which Patients have been admitted, are, by an order from the Physician, allowed to visit Patients at first rate of board on Saturdays, from 11 till 2; and at the other rates, on Mondays and Thursdays, at the same hours.

No visitor is permitted to enter the apartment of any Patient of a different sex, but under proper restrictions.

All letters or other articles, brought to or from Patients, must be lodged in the Office, before they can be permitted to pass in or out.

All necessary Documents may be addressed (post paid) to Dr. HUTCHESON, Royal Lunatic Asylum, the Physician; or to Mr. DONALD CUTHBERTSON, No. 110, West George-Street, the Secretary and Treasurer. A sealed *confidential* statement of properly numbered Answers to the following Queries, may be enclosed, for the Physician, along with the other Documents, addressed to the Secretary. The Sheriff's Warrant having been produced, and the Regulations of the Institution duly observed, the Physician will grant an Order for Admission. But, to ensure the immediate admission of any Patient from a distance, it is requested that the Documents may, if possible, be transmitted in due time for correspondence, before the Patient be sent to the Asylum. Three days' previous notice must be given, before the removal of any Patient.

GENERAL REGULATIONS.

Patients sent by any Parish which has contributed a sum proportioned to its population, as stipulated by the Regulations, pay according to a rate of Board fixed annually.

Patients sent by other Parishes, pay according to the first rate of board.

The board is, in all cases, paid quarterly and in advance. The regular quarterly terms are:—1st January, 1st April, 1st July, and 1st October. The first payment is always made from the day of admission, to the end of the current, or of the next, quarter.

When any Patient is dismissed, or dies, before the close of a quarter, an application may be made to the Weekly Committee, to ascertain if any, and what portion of the sum advanced for board shall be refunded.

Patients have no claim to remuneration for their labour.

A fee, on admission, is paid to the Institution by each Patient, at the second rate of board, and upwards. On the dismissal or death of the Patient, after six, and within twelve months, the fee is repeated. But should the Patient remain a year, or longer, the fee is repeated only on the expiry of the year, and on that of each succeeding year of the Patient's residence in the Asylum.

No fees are paid for parish Patients, or by Patients at the first rate of board.

Patients are admitted and dismissed by orders from the Physician.

No Person affected with contagious fever, or in a dying state, can be admitted as a Patient.

When any Patient is ordered to be dismissed, timely written notice of the order for dismissal is always sent to the Person or Persons in Glasgow, who have subscribed the Obligation for Payment of Board; and when the Patient is not removed from the Asylum, within a week after the time fixed in the notice, the case is reported to the Sheriff.

Near Relatives, Guardians, or others, producing proper written authority, from the subscribers of those Letters of Application on which Patients have been admitted, are, by an order from the Physician, allowed to visit Patients.

No Visitor is permitted to enter the apartment of any Patient of a different sex, but under proper restrictions.

All letters or other articles, brought to or from Patients, must be lodged in the Physician's office before they can be permitted to pass in or out.

All necessary Documents may be addressed (post paid) to the Physician, Dr. HUTCHESON, Royal Lunatic Asylum, or 72 St. George's-Place; or to the Secretary and Treasurer, Mr. DONALD CUTHBERTSON, No. 110 West George-Street. And, to ensure the immediate Admission of any Patient from a distance, it is requested that these, if possible, be transmitted in due time for correspondence, before the Patient be sent to the Asylum. Three Days' previous notice must be given, before the Removal of any Patient.
