On applying to the Physician, the Patient will be carefully and expeditiously conveyed to the Asylum; the necessary expenses being paid to the Steward by the Applicant.

GENERAL REGULATIONS.

Patients sent by any Parish which has contributed a sum proportioned to its population, as stipulated by the Regulations, pay according to a rate of Board fixed annually.

Patients sent by other Parishes, pay according to the first rate of Board.

The Board is, in all cases, paid quarterly and in advance. The regular quarterly terms are—1st January, 1st April, 1st July, and 1st October. The first payment is always made from the day of admission, to the end of the current or of the next quarter.

When any Patient is dismissed or dies before the close of a quarter, an application may be made to the Weekly Committee, to ascertain if any, and what portion, of the sum advanced for Board shall be refunded.

Patients have no claim to remuneration for their labour.

A Fee, on admission, is paid to the Institution by each Patient, at the second rate of Board, and upwards. On the dismissal or death of the Patient, after six and within twelve months, the fee is repented. But should the Patient remain a year or longer, the fee is repeated only on the expiry of the year, and on that of each succeeding year of the Patient's residence in the Asylum. No fees are paid for parish Patients, or by Patients at the first rate of Board.

Patients are admitted and dismissed by orders from the Physician.

No person affected with contagious fever, or in a dying state, can be admitted as a Patient.

When any Patient is ordered to be dismissed, timely written notice of the order for dismissal is always sent to the person or persons in Glasgow, who have subscribed the Obligation for Payment of Board; and when the Patient is not removed from the Asylum within a week after the time fixed in the notice, the Board is doubled and the case reported to the Sheriff.

Near Relatives, Guardians, or others, producing proper written authority, from the subscribers of those Letters of Application on which Patients have been admitted, are, by an order from the Physician, allowed to visit Patients.

No Visitor is permitted to enter the apartment of any Patient of a different sex, but under proper restrictions.

All letters or other articles, brought to or from Patients, must be lodged in the Physician's Office before they can be permitted to pass in or out.

Three Days' previous notice must be given, before the removal of any Patient.

All necessary Documents may be addressed (post paid) to the Physician, Dr. HUTCHESON, Royal Lunatic Asylum, Gartnavel; or to the Secretary and Treasurer, Mr. DONALD CUTHBERTSON, No. 110 West George-Street. And, to ensure the immediate admission of any Patient from a distance, it is requested that these, if possible, be transmitted in due time for correspondence, before the Patients be sent to the Asylum.
