Isabel Mc Cum

Admitted Feb^{ry} 1st 184th

Middle height, very thin
Dark complexion, hazel
eyes, dark hair. Aged

Became deranged six
weeks since

About two months ago
some persons came to
her sister's shop (where
she was then attending
for the purpose of examin-
ining the weights she refused
became very much alarmed

in consequence and
appeared very dejected
afterwards - Two weeks
after this circumstance
happened she had a
severe fall & since that
time she became very
much worse - Becomes
worse always at bed
time - Is at present
very Melancholy and
refuses to take any food
Feb^y 2nd Took no food
yesterday - Bowels continue

Will not take any
Medicine - Took her
breakfast tolerably
well -

Feb 3rd Complains
of pain in her loins -
Let the part be fre-
quently rubbed with
Anodyne Liniment -
Takes her food rather
better Let her head & neck
be shaved & apply a
small Blister to the
upper part of it -

any to have an injection
at bed time if no
stool before —

Feb 4th One small
stool after the injection
— 5th Takes very little
nourishment. No stool
Dwight better — The
rectum to be dressed with
candle cerate night
morning —

6th General appear
ance better. No stool

7th He had another
injection last night

No effect produced
Feb 8th Let her have
41 grains of Calomel

— 9th The Calomel well
operated. Is much
better. —

— 10th No stool to day
continues better

— 11th It is with great
difficulty she can be
prevailed upon to take
a sufficient quantity
of food —

— 13th Repeat the dose

of Calomel

31

Feb 16th Takes

her food tolerably

well every other day

— 18th Repeat the Cal.

If no stool by bed

time give an injection

— 22nd The Calomel

repeated twice

— 24th No improvement
mind

— 28th — Do —

March 1st — Repeated the dose

Calomel

Mary^s Brown, Admitted she was
Feb. 4th 1817 Short-
stout made, florid
complexion, dark eyes
& hair, aged 23 years
In May last she was
attacked with Fever &
cont^d ill in health for
about 20 weeks. When
became rather better &
went out to shear -
She became deranged
immediately after -
Supposed to be in con-
sequence of fatigue
being very weak when

she went to labour again

Occasionally injures those

near her & tears her

clothes & her raving

is on religious subjects

generally - Was Blistered

& Bled - no good effects

Her great aunt was deen-
ged —

Feb 6th shaved her

head - apply a Blister

to the upper part of it -

Is very dirty & mischievous

— 9th The Blister to

be dressed with Simple

Lydia Edgar alias She was a
Admitted Feb ²⁵th 1871, in the
Tall. thin, fair complexion
grey eyes, dark hair
Aged 56 years - Wears
occasionally rather slight
in her deportment -
Has been repeatedly
deranged, it is three
years since the first
attack she was then
confined in Bridewell
This attack arrived at
present height three
days ago; however the

She has an obvious alteration
in her manner observed
four weeks since, a quick
change in her language & move-
ments, a greater desire of
signifying, & a greater irasci-
bility of temper. - She
used to be so quick & obliging
in temper - never attempts
to hurt herself or others
except with this exception that
in alluding the height of the
paroxysm any person
through whom she suspects had
injured her. she was

violent in her expressions Feb 9.
of resentment & her seclusion
to whom she was very - 7
partial in health is a truth
the particular object - 9
of her aversion. Her
raving is not confined
to one subject but is - 13
- long - most concerning - 20
those she suspects to have
used her ill - or about - 25
her wealth. Is very
quiet before strangers
this restraint being
withdrawn she becomes
as violent as ever

Feb 4. 6th - Cut her hair
her hair loose

7th - Drews one of her
teeth

9th - No improvement
in mind

13th - Do

20th - Is extremely
tranquil

25th - Continues so

Marion Thomson

Admitted Feb^y 27th

1817 — Tall, thin

fair complexion grey

hair - dark grey eyes

aged 50 years -

In January 1816, she

imagined some tales

concerning some

of her neighbours with

whom she never was

in the habit of corre-

sponding ~~with~~ and the

not knowing she was

deceived & quarreled

with her: and ever since
years they are waiting
an opportunity of taking
away her life: In conse-
quence of these fears
her husband took another
lodging where in the course
of four weeks she got
considerably better &
to be able to return
to her own house &
follow her usual duties.
In the course of ten
days her disorder return-
ed and has continued

with Irregular lucid
intervals ever since
Within the last three
weeks has talked of self
destruction - Formerly
wrong judgements on
most subjects - of
quiet temper But
when crossed very
violent —

Feb 28th Cut her hair
short - I asked her
for two hours for
striking the keep

Admitted March 26

1817 - Tall thin
fair complexion

light hair grey

eyes aged 50 years

In Autumn 1815 Attempt

frequently to drown herself

saying she was weary of the

world, because no longer

able to do her duty to

her family & because she

hated her for being a

wicked woman with the following

winter her V Lemaire

subsidied into a fixed
loom in the following
spring it suddenly rose
to its present height
in autumn again
became melancholy
since the commence
ment of Spring 1817
has incessantly sought
an opportunity of des
traying herself. Of
cheerful, warm, but
violent temper - Has
frequently destroyed

various things -
has several times
beaten most violently
her children without
any known cause
April 10th Has shown
no symptoms of
violence since her
admission nor made
any attempts to in-
jure herself

— 16th She has taken - 26
6 Aloetic Pills at the same
doses which have operated the

April 23rd The menses

have appeared - com

plaints of having

a slight attack of

fever in the morning

31 Continued to amend so
much that the prospect of a
speedy cure was daily more
more bright, when her Hu-
band who, tho' very affecti-
onate

female, seems somewhat flighty⁴
insisted on taking her home
hastily because she hung on
him in order to detain him
or induce him to take her
with him, partly also from
the hope of getting back part
of her board & giving her a
pauze withal. He took her
out accordingly but as it
was contrary to the medical
opinion of the attendants, no
board was returned.

She is dismissed Relieved
Mrs Drury who was lately
at Paisley heard from the best
authority that this Patient
was still going on extremely
well.

Cath: Yuille from
page 169 -

August 3 - No change on
the size of her belly. For
times much better in every
respect than any one who
sees the enormous size of
her belly could possibly ex-
pect. Urine pretty copious &
regular. Is sometimes more
sometimes less frothy but al-
ways unsettled.

Aug²⁶ 6th Urine more
copious - belly softer
is one inch less in size

— 7th Continues in
size as yesterday

— 8th Half an inch
larger - has been relaxed
two or three times this

day -

— 9th Half an inch less
vomited several times
this morning -

— 10th Same size as yester-
day - continues sick -

Cath: Guille

August 11 an Inch less
sickness nearly abated

no stool

13 $\frac{1}{2}$ an inch less by mea-
sure but no abatement of
tension by the feel. Urine a-
bundant tho' its proportion to
the fluid ingesta cannot be
ascertained. P. S. & looks sur-
prisingly good considering the
enormity of her swelling.
Rept. Jul 21. - London. m. m. m.
& aug^r gradation

- 14th The pills operated
twice - the vomiting being
increased with the mixture
for a few days -
