ST LUKE'S HOSPITAL

INCURABLES

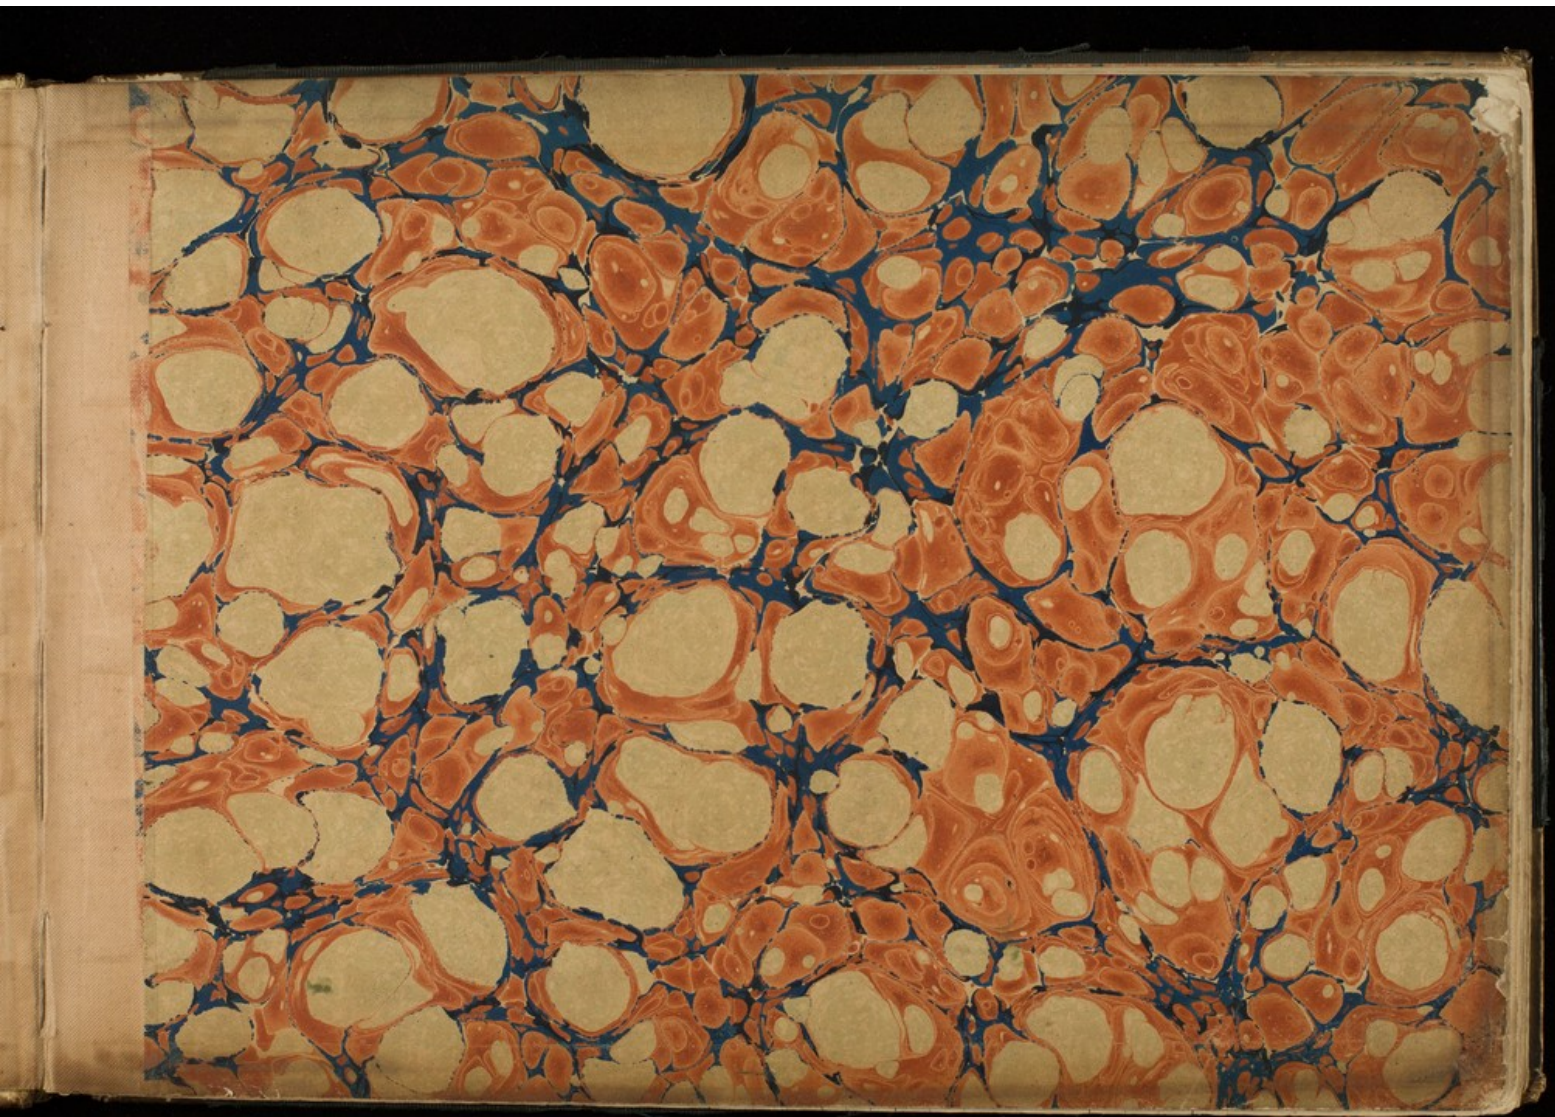

Deira More,  
Moor Park,  
Farnham, Surrey.  
6th September, 1946.

I have been asked by the Appeal Committee of the New Shamrock Club, of which I am Chairman, whether there is any chance of your husband giving us a special performance of Sean O'Casey's play for the benefit of our appeal.

We are getting a moderate response from Ireland, and are extremely glad to have received £500 from the British Army on the Rhine. For the good work that the Shamrock Club has done and is doing. We hope that this grant may lead to others from the different Armies to whom we are now appealing.

I wish we could say that we had secured a house, but our present Committee feel that until we have got a considerable sum of money in the bank, it would be unwise to commit ourselves to any heavy expenditure in this connection, or even to secure an option of a house.

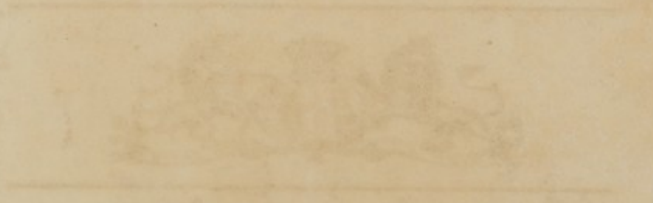

In any case I hope that you will sympathise with our efforts and give us some token of your sympathy.
