Such applicant will also be required to produce a certificate of good standing in the profession of Medicine from the Registrar or other officer of the Medical body having jurisdiction where such applicant last practised his profession, and evidence by statutory declaration that he has not lost the benefit of his said registration under the "Medical Act" (Imperial) by misconduct, or otherwise.

2. Chemistry.
3. Physiology.

REPORT OF COMMITTEE.

The committee appointed by the Council for the arrangement and publishing of the Annual Announcement and as to the work done during the year, report as follows :

The announcement contains the usual information concerning the business of the Council, as well as a copy of the Medical Act Consolidated. This was considered advisable in view of proposed amendments and alterations considered necessary.

The Ontario Medical Act, which it would appear has worked so satisfactorily in our sister province, will be carefully looked into by the Council, and, if the provisions are found desirable and applicable to this province, an endeavour will be made to secure the adoption of the Act in part or in its entirety by our Legislature.

Suggestions from the members of the profession as to the amendments and alterations thought advisable are invited.

There has been a large number of prosecutions made by the Council during the past year, necessitating a large expenditure, and the Council considers it wise to continue an aggressive policy, in this way preventing, as far as possible, inroads being made on the work of the profession, and safeguarding the public from the irregular and unqualified practitioner.

Fourteen names are added to the register, and, on account of death, three are struck off, since last publication.

The Council, as you are aware, have reduced the annual fee to two dollars and fifty cents, and it will require every dollar available to carry on the prosecutions and other work of the Council. We, therefore, urge upon every member of the profession to pay punctually his dues. The members of the Council do not wish to be under the necessity of taking any harsh measures, but it is their desire that all arrears to the Council should be settled at once.

All of which is respectfully submitted,

JOHN A. DUNCAN,

G. L. MILNE,

C. J. FAGAN,

Committee.

CHAPTER 81.

An Act respecting the profession of Medicine and Surgery.

Her Majesty, by and with the advice and consent of the Legislative Assembly of the Province of British Columbia, enacts as follows :

Constitution and Election of Council.

2. The members of the medical profession to be elected as hereinafter mentioned, shall be a body corporate under the name of "The Medical Council of British Columbia," and shall have perpetual succession, as hereinafter provided, and a common seal, with power to acquire, hold, and dispose of chattel property and real estate, for the purposes of this Act, and to sue and be sued. 1886, c. 13, s. 2.

3. The persons entitled to vote at elections of members for the said Medical Council, shall be registered as Medical Practitioners in pursuance of this Act. 1886, c. 13, s. 3.

4. No person shall be eligible to be elected a member

of the Council unless he be registered in pursuance of this Act. 1886, c. 13, s. 4.

5. The number of persons to be elected as members forming the said Council shall be seven, and the mode of election shall be by voting papers as hereinafter mentioned. 1886, c. 13, s. 5.

6. The charge and conduct of elections shall be under the management of the Registrar of the said Council. 1886, c. 13, s. 6.

7. After the election of members for the Medical Council held in April, 1887, the election of members for the said Council shall take place on the last Monday in the month of April in each third year, at such place as may be determined on by the Medical Council. The persons elected shall hold office until the next triennial election, and until their successors be elected, and shall be eligible for re-election. 1887, c. 21, s. 3.

8. Every person entitled to vote may vote for seven persons. 1886, c. 13, s. 8.

9. Such votes shall be given by closed voting papers in the form in the First Schedule to this Act, or to the like effect, signed by the voter and delivered to the Registrar of said Council on any of the twenty days preceding the day of election. Any voting paper delivered to the said Registrar by post during the respective times aforesaid shall be deemed delivered him. 1886, c. 13, s. 9.

10. In respect of every election the members for the time being of the Council shall appoint, on the last Monday in April, two persons, who, together with the Registrar of the Council, shall act as scrutineers at the election.

On the day succeeding the day of election, the voting papers shall be opened by the Registrar, in the presence of the other scrutineers, who shall scrutinize and count the votes, and keep a record thereof in a proper book, to be provided by the said Council. 1886, c. 13, s. 11.

11. The seven persons who have the highest number of votes at any election shall be the members of the Council until their successors are elected. 1886, c. 13, s. 12; 1887, c. 21, s. 3.

13. In case of an equality of votes between two or more persons, which leaves the election of one or more of the members of the Council undecided, then the scrutineers shall forthwith put into a ballot-box a number of papers, with the names of the candidates having such equality of votes written thereon, one for each candidate, and the Registrar of the Council, in the presence of the scrutineers, shall draw by chance from such ballot box one or more of such ballot papers, sufficient to make up the required number, and the persons whose names are upon such papers so drawn shall be such members. 1886, c. 13, s. 14.

14. No person shall be entitled to vote at any election unless all his fees to the Council have been paid. No person shall be eligible for election unless qualified to vote at such election, and any votes cast for any person who is ineligible to be elected a member shall be null and void, and the election shall be declared as if such votes had not been cast. 1886, c. 13, s. 15.

15. In the event of any person placing more than seven names on his voting paper, the first seven shall be taken notwithstanding any of such seven so named shall be ineligible for any election for any cause whatever. 1886, c. 13, s. 16.

16. The Registrar of the Council shall, on the second Monday of the month of April in which the election may be held, make out an alphabetical list or register of the medical practitioners who are entitled to vote at the election then about to be held, and such register may be examined at all reasonable times. In case any medical practitioner, entitled by this Act to vote, complains to the Registrar of the Council in writing of the improper omission or insertion of any name in the said list, it shall be the duty of the Registrar of the Council forthwith to examine into the complaint, and rectify such error, if any there be; and in case any person is dissatisfied with the decision of the Registrar, he may appeal to a judge of the Supreme Court in a summary way, and the decision of such judge shall be final, and such list shall remain or be altered in accordance with such decision. 1886, c. 13, s. 17.

17. The list or register so to be made out shall be held to be the register of persons entitled to vote at the next election, and no person shall be entitled to vote whose name is not upon such register. 1886, c. 13, s. 18.

18. The members of the Council may make such regulations as they consider expedient, not contrary to the provisions of this Act, for regulating the procedure under the preceding sections of this Act. 1886, c. 13, s. 19.

19. The voting papers belonging to any election shall

not be destroyed until after all petitions in respect to such election have been decided, but the same, together with all other papers in connection with the election, shall be retained by the Registrar. 1886, c. 13, s. 20.

20. No petition against the return of any member shall be entertained unless such petition be filed with the Registrar of the Council within ten days after the election, and shall contain a statement of the grounds on which such election is disputed, and unless a copy of such petition is served upon the member whose election is disputed within ten days from the day of election. 1886, c. 13, s. 21.

21. Any such petition shall be disposed of in a summary way by any judge of the Supreme Court, who may dismiss the petition, or may decide it to be well founded, in which case the person whose name is next in the order of votes of eligible candidates shall be declared elected. 1886, c. 13, s. 22.

22. The members of the Council shall, within seven days after their election, from amongst themselves, elect a President, Treasurer, and Registrar and Secretary, and whenever a vacancy occurs in any of such offices shall elect one of the persons registered, or other person qualified for election under this Act. 1886, c. 13, s. 23.

23. In case of the failure in any instance to elect the requisite number of duly qualified members of the Council, or in case of any vacancy caused by the death or resignation of any member of the Council, or by any other cause, then it shall be the duty of the remaining members to supply the deficiency by appointing to such vacant place or places, as the same may occur, any person or persons duly qualified, according to the provisions of

this Act, to be elected as a member or members of the Council. 1886, c. 13, s. 24.

24. The members of the Council may from time to time make, alter, or amend and repeal, rules and regulations for the well-being and discipline of the Council, the conduct of its affairs, and the promotion of medical and surgical knowledge, and the disposition of the funds of the Council, provided such rules and regulations be not repugnant to the provisions of this Act. 1886, c. 13, s. 52.

25. All moneys forming part of the Council's funds shall be paid to the Treasurer, and may be applied to carry this Act into execution. 1886, c. 13, s. 49.

Registration.

26. The Council shall cause to be kept by an officer appointed by them, and to be called the "Registrar," a book or register in which shall be entered the name of every person registered according to the provisions of this Act, and from time to time the names of all persons who have complied with the enactments hereinafter contained, and with the rules and regulations made, or to be made, by the Council respecting the qualifications to be required from practitioners of medicine or surgery in this Province, and those persons only whose names are inscribed in the book or register above mentioned shall be deemed to be qualified and licensed to practice medicine or surgery in this Province, except as hereinafter provided, and such book or register shall at all times be open and subject to inspection by any person. 1886, c. 13, s. 26.

27. It shall be the duty of the Registrar to keep his

register correct in accordance with the provisions of this Act, and the rules, orders, and regulations of the Council, and he shall from time to time make the necessary alterations in the addresses or qualifications of the persons registered under this Act, and the said Registrar shall perform such other duties as may be imposed upon him by the Council. 1886, c. 13, s. 27.

28. Every person who is now registered under the provisions of the "Medical Ordinance, 1867," shall be entitled to be registered under this Act. 1886, c. 13, s. 25.

29. The Council shall admit upon the register any person who shall produce from any college or school of medicine and surgery, requiring a three years' course of study, a diploma of qualification; provided, also, that the applicant shall furnish to the Council satisfactory evidence of identification, and pass before the members thereof, or such of them as may be appointed for the purpose, a satisfactory examination touching his fitness and capacity to practice as a physician and surgeon. 1886, c. 13, s. 28.

N.B.—By 53 Vic. c. 30, it was enacted that the "Medical Act" should be read as if section 30 of the said Act had not been set forth therein, and the section next following and now numbered 30 was enacted by 56 Vic. c. 27, s. 3.

30. The Council shall admit upon the register every person mentioned in chapter 48 of the Acts of Parliament of the United Kingdom, passed in the 49th and 50th years of Her Majesty's reign, duly registered under the "Medical Act" (Imperial) prior to and inclusive of the 30th day of June, 1887, upon complying with the orders, regulations or by-laws of the Council and giving

due proof of such registration, and that the person applying for registration has not lost the benefit of same by reason of misconduct or otherwise, and upon payment of the fees fixed by the Council, not to exceed one hundred dollars. 1893, c. 27, s. 2.

31. The members of the Council shall from time to time, as occasion may require, make orders, regulations, or by-laws for regulating the register to be kept under this Act, and the fees to be paid for registration, and shall from time to time make rules and regulations for the guidance of the examiners, and may prescribe the subjects and mode of examination, and generally make all such rules and regulations in respect of examinations not contrary to the provisions of this Act, as they may deem expedient and necessary. 1886, c. 13, s. 29.

32. Any registered medical practitioner who has been convicted of any felony in any Court shall thereby forfeit his right to registration, and by the direction of the Council his name shall be erased from the register; or in case a person known to have been convicted of felony presents himself for registration, the Registrar shall have power to refuse such registration. 1886, c. 13, s. 30.

33. Every person registered under the provisions of this Act shall be entitled to practice medicine and surgery, including mid-wifery, or any one of them, as the case may be, in the Province of British Columbia, and to demand and recover in any Court of the Province, with full costs of suit, reasonable charges for professional aid, advice and visits, and the costs of any medicine or other medical or surgical appliances rendered or supplied by him to his patients. 1886, c. 13, s. 31.

[2.] In case of any person whose name does not appear in such copy, a certified copy, under the hand of the Registrar of the Council of the entry of the name of such person on the register, shall be evidence that such person is registered under the provisions of this Act. 1886, c. 13, s. 32.

35. Any homœopathic physician holding a diploma of qualification from any authorized school or college requiring a three years' course of study may be registered under this Act, and such homœopathic physician shall not be bound to pass the examination required by Section 29 of this Act, but in lieu of such examination he shall pass, before the Council, or such of them as may be appointed for that purpose, a satisfactory examination in the following subjects, viz.: Anatomy, physiology, pathology,

40. If any person procures, or causes to be procured, his registration under this Act by means of any false or fraudulent representation or declaration, either verbally or in writing, it shall be lawful for the Registrar upon

receipt of sufficient evidence of the falsity or fraudulent character of the said representation or declaration to represent the matter to the Council, and upon the written order of the President, attested by the seal of the Council, to erase the name of such person from the register and to make known the fact and cause of such erasure by notice to be published in the *British Columbia Gazette*; and after such notice has appeared, the person whose name has been erased as aforesaid shall cease to be a registered practitioner under this Act and shall cease to enjoy any of the privileges conferred by registration under this Act at any further time without the express sanction of the Council. 1886, c. 13, s. 35.

43. Any person who wilfully or falsely pretends to be a Physician, Doctor of Medicine, Surgeon, or general practitioner, or assumes any title, addition or description other than he actually possesses and is legally entitled to, shall be liable, on conviction thereof before a Justice of the Peace, to a penalty not exceeding fifty dollars nor less than ten dollars. 1886, c. 13, s. 38.

44. Any person not registered pursuant to this Act who takes or uses any name, title, addition, or description, implying or calculated to lead people to infer that he is registered under this Act, or that he is recognized by law as a Physician, Surgeon, or a Licentiate in Medicine or Surgery, shall be liable, upon summary conviction thereof before any Justice of the Peace, to pay any penalty not exceeding one hundred dollars nor less than twenty-five dollars. 1886, c. 13, s. 39.

In all cases where proof of registration under this Act is required to be made, the production of a printed or other copy of the register, certified under the hand of the Registrar of the Council for the time being, shall be sufficient evidence of all persons who are registered practitioners, in lieu of the production of the original register; and any certificate upon such printed or other copy of the register, purporting to be signed by any person in his capacity of Registrar of the Council under this Act, shall be *prima facie* evidence that such person is such Registrar, without any proof of his signature or of his being in fact such Registrar. 1886, c. 13, s. 45.

51. Every prosecution under this Act shall be commenced within six months from the date of the alleged offence. 1886, c. 13, s. 46.

But if such body be claimed within the usual period for interment by *bona fide* friends or relatives, the body shall be delivered to them; or if the person otherwise directed as aforesaid before death, the body shall be decently interred, as heretofore. R. L. No. 119, s. 1.

60. On delivery of every such unclaimed body as aforesaid, the person or persons in charge of the hospital, or the Coroner, as the case may be, shall take from the medical practitioner receiving the body a receipt in the Form A in the Third Schedule to this Act; and such practitioner shall pay the sum of ten dollars to the person from whom he receives the body, and take a receipt therefor in the Form B in the said Schedule; and such sum shall in every case be applied towards the support and maintenance of the Public Hospitals in the Province.
