MEDICAL LIBRARIES.

III. 1911.

THE name of the library is followed by its post office address, the librarian's name and the number of bound volumes. With the exceptions indicated, the list is made up from recent returns. Copies may be obtained by enclosing a postage stamp to the librarian of the New York Academy of Medicine. The chief object of presenting the list is to facilitate donations and exchanges. Historical and economic details, degrees, and official titles are therefore omitted.
