First International Eugenics Congress,

LONDON.

Wednesday, July 24th, to Tuesday, July 30th, 1912.

General Arrangements for the Meeting.

An invitation circular has been widely circulated to all members of Eugenic and Heredity Societies in Europe and America, and to many other persons likely to be interested in the approaching Congress. Through that circular the objects and general plan of the Congress have been made widely known. Copies may still be had on application to the Secretary.

The following arrangements have now been definitely made.

Place of Meeting. The Meetings of the Congress will be held in the Great Hall of the University of London, Imperial Institute Road, South Kensington, London, S.W., which is easily reached from South Kensington Station on the Underground Railway, and by omnibus from all parts of London. (In wet weather those travelling by rail can avail themselves of the subway).

Headquarters of the Congress. Until Tuesday, July 23rd, the headquarters and offices of the Congress will remain at 6, York Buildings, Adelphi, W.C. (close to Charing Cross Station), where all information will be supplied and tickets issued. Office hours 10-30 a.m. to 5 p.m. On and after Wednesday, July 24th, the headquarters will be transferred to the University of London, South Kensington. If arrangements for hotels or for lodgings have not been made previously, members arriving on and after July 24th are recommended to leave their luggage in the "Cloak Room" at the railway station and come to the office of the Congress, at London University, South Kensington, for information.

Correspondence. From July 24th to 30th, Members and Associates of the Congress may have their letters addressed to them at the First International Eugenics Congress, c/o The University of London, South Kensington, S.W., where special postal facilities will be provided. All invitations to Receptions, etc., will be distributed in this way.

Languages. It has been decided that in the Meetings and Discussions the English, French, German, and Italian languages shall be on an equal footing. At the same time it is right to point out that in all Congresses the number of Members speaking and understanding only the language of the country in which they are held has been far in excess of those conversant with several languages; therefore those who speak in English on the present occasion will be most widely understood. The abstract of every paper which is received in time by the Secretary will be translated into English, French, and German. Pamphlets containing the abstracts in these languages will be available on July 24th at the University Buildings. Members wishing for advance copies should notify the fact to the Secretaries, and state clearly in what language they are required, and to what address they should be sent.

Stewards. A number of Stewards acting as interpreters will be in attendance; the languages spoken being indicated by rosettes of the following colours:—Red, French; Blue, German; Green, Italian.

Hotels, etc. The Organising Committee is prepared to book rooms in advance for intending Members. Lists of hotels and the accommodation vouchers have been sent out to all Members with their membership cards. Any Member wishing to pay his membership fee on arrival can on application obtain an accommodation voucher in advance.

To make certain of securing the accommodation desired, it is essential that accommodation vouchers duly filled in should reach the office not later than July 10th.

Tickets of Membership. In order to take advantage of the reduced fares offered by the railway companies (see below), the official Congress ticket must be produced when paying the fare. The subscription entitling to membership of the Congress is £1 sterling; for an Associate it is 10/-. Members may obtain additional tickets for ladies at the cost of 10/- each. These additional ladies' tickets are transferable to ladies. Associates are entitled to all the privileges of Members, except that they have no vote in the meetings and will not receive a copy of the Report when published. The tickets of all Members and Associates who pay in advance will be forwarded to their addresses before the commencement of the Congress. A limited number of Day Membership Cards at 5/- each will be obtainable from the Secretary's Office in the Marble Hall during the Congress. These cards admit to both the morning and afternoon sessions, but do not carry the privileges of voting and hospitality.

Inaugural Banquet. An Inaugural Banquet will be held at the Hotel Cecil on Wednesday, July 24th, at 7 p.m., at which all the officials of the Congress and readers of papers will be the guests of the Entertainments Committee. Members of the Congress can obtain tickets at 7/6 each, from the Hon. Secretary, Entertainments Committee, 30, York Terrace, Harley Street, London, W. Speeches of welcome will be made by the President, the Lord Mayor of London, the Rt. Hon. A. J. Balfour, and others. The Banquet will be followed by a Reception to which all Members and Associates of the Congress will be invited.

Railway Arrangements. Important concessions have been made by a number of Railway Companies to Members and Associates of the Congress. On the railways of Russia, Austria-Hungary, Germany, Switzerland and Holland, no reductions will be allowed; but by taking tickets to a station in Belgium or France, near the frontier, reductions may be secured by groups of not less than 20 visitors travelling together from those countries for the rest

of their journey. In all cases it is necessary to produce the Congress Membership Ticket before receiving railway tickets at reduced rates; and arrangements **MUST** be made in advance, 14 days' notice being required. Persons desiring to take advantage of these concessions must therefore forward their subscriptions at once; and immediately on receipt of their membership ticket should communicate with the Secretary of their country (see page 3). In the following list the countries most distant from London are mentioned first:—

Italy. The P.L.M. Company will grant a reduction of 50% to Members coming from Italy via Modane.

At the time of issuing this notice definite information regarding reduced rates on the Italian State Railways is not to hand.

Germany. Members from Germany desiring to obtain reduced rates are requested to communicate, through their Secretary, with the General Agent of the South Eastern and Chatham Railway Office in Cologne (6 Domhof). Provided at least 20 Members travel together on the journey to London, arrangements can be made for reduced fares at 50% reduction from the Belgian or from the Dutch Frontier to London and back. At least 14 days' notice must be given to secure these facilities.

Belgium. If at least 20 members travel together, a reduction of about 50% is granted. Members are requested to communicate, through the Secretary of their country, with the General Agent of the South Eastern and Chatham Railway in Brussels (19, rue de la Regence).

France. On presentation of their Congress Cards, members attending the Congress will be able to obtain at Paris (Gare du Nord) special 15 day return tickets to London via Calais-Dover or Boulogne-Folkestone at the following fares:—

1st Class.—72f. 85c. 2nd Class.—46f. 85c. 3rd Class.—37f. 50c.
available from July 22nd.

These tickets are available by the following trains:—

Paris (Nord)	dep.	8-25 a.m. ...	3-05 p.m. ...	9-20 p.m.
London (Charing Cross)	arr	...3-25 p.m. ...	10-45 p.m. ...	5-43 a.m.
		(B)	(B)	(C)

(B) via Boulogne-Folkestone.

(C) via Calais-Dover.

Special arrangements can be made for reserved accommodation to be provided for groups. The above-mentioned tickets can also be obtained at the Paris Office of the South Eastern and Chatham Railway (14 Rue du 4 Septembre), but the Congress vouchers must be presented at the time in either case.

Another Route—From Paris (St. Lazare) special 15 day return tickets to London via Dieppe-Newhaven at the following fares:—

1st Class.—47f. 20c. 2nd Class.—36f. 40c.

These tickets are available for the following trains:—

Paris (St. Lazare) ...	dep.	... 10-20 a.m. ...	9-00 p.m.
London (Victoria) ...	arr.	... 7-40 p.m. ...	7-50 a.m.

Great Britain. All the British Railways have very kindly granted exceptional facilities to members of the Congress. Return tickets for the price of a single fare and a third, lasting from July 23rd to 30th, will be issued from all stations in the United Kingdom on presentation of the Congress voucher at the Booking Office.

Members wishing to return to their homes outside London daily, must apply for separate vouchers for each day if the distance is more than 50 miles. If however the member resides within that distance, the usual sleeping-out arrangements will apply, *i.e.*, that tickets at a single fare and a third for the double journey may be issued (upon production of cards of membership or letters of invitation), FROM the town where the Conference is being held to places where the delegates reside. The minimum fare will be 1/-.

Stations of Arrival. Passengers travelling from the Continent by the South Eastern and Chatham Railway, arrive at Victoria or Charing Cross Stations according to the train service selected. Passengers by the Great Eastern Railway arrive at Liverpool Street Station; and those by the London, Brighton, and South Coast Railway arrive at Victoria Station.

Hospitality Bureau. During the meeting of the Congress there will be many entertainments in the form of receptions, dinners, afternoon and evening parties, for which there will be invitations to Members and Associates of the Congress. In most cases the number to be entertained is limited, and it is desirable that the Secretaries should have as complete a list of members as possible to submit to the hosts.

All **Officials of the Congress**, and **Readers of Papers**, and **Delegates**, will shortly receive invitations to the various entertainments mentioned in the programme.

Members should apply at the Hospitality Bureau in the Marble Hall on arrival, as the number that can attend each function is limited, and cards will be issued to members in order of application.

A limited number of Tickets for the Zoological Gardens, tickets to hear debates in the House of Commons, and invitations to tea on the Terrace of the House of Commons, etc., will also be available.

The German Athenæum Club has very kindly signified its willingness to accord the privilege of Hon. Membership of the Club to German Readers of Papers and Members of the German Consultative Committee, and to a limited number of German Members of the Congress.

RULES OF PRECEDURE.

The Organising Committee feel that the interest and usefulness of the Congress will be greatly increased by the usual sectional plan being departed from, so that all papers can be discussed in general sittings. This plan will necessarily limit the time available for papers, but, on the other hand, it will allow the interest of all members to be focussed on each question to be considered. To enable the maximum amount of work to be done in the time available, the following arrangements have been made :—

Papers. The reader of each paper will be allowed 25 minutes in which to give a summary of his paper and to reply to criticisms. A certain time, limited at the discretion of the Chairman, will then be allowed for discussion (maximum time—20 minutes).

Should the reader of a paper not desire to exercise his right of reply he may devote the whole 25 minutes to his opening summary.

If, on the other hand, he prefers to reserve a longer time for reply he must reduce the length of his opening remarks, bearing in mind that the whole time at his disposal for the two speeches will be 25 minutes.

Discussions. All discussions are under the absolute control of the Chairman, who will regulate the length of time allotted to each discussion, and to each speaker in that discussion. The Chairman will ring a bell one minute before each speech must end. After the bell is rung a second time the next speaker will be called. The maximum time allotted to the discussion on each single paper is twenty minutes,—to each single speaker, seven minutes.

The names of persons wishing to speak must be handed up to the Chairman before the conclusion of the speech opening the Discussion.

Badges. A button badge, consisting of a reproduction of the head of Sir Francis Galton, will be presented to every Member and Associate.

A silvered medal with ribbon and clasp will be presented to members of the Consultative Committees, Readers of Papers and Government Delegates. Distinctive colours will be as follows :—

<i>Organizing and Consultative Committees</i> ...	Medal and Red Ribbon.
<i>Readers of Papers</i> „ „ White „
<i>Stewards</i> „ „ Yellow „
<i>Executive Committee</i> „ „ Blue „

The medals with green ribbons will be on sale, price 1/- each, to all Members and Associates.

DAILY PROGRAMME.

This programme will be adhered to as closely as possible, but the Executive Committee reserve the power to make any alterations which circumstances may render necessary.

WEDNESDAY, JULY 24TH.

10 a.m. The Offices of the Congress will be opened at the University of London, South Kensington.

THE EXHIBITION.

The Exhibition in connection with the First International Eugenics Congress will include—(1) Charts, pedigrees, photographs, and specimens illustrative of Heredity, especially in man. (2) Relics of Charles Darwin, Sir Francis Galton and Gregor Mendel. (3) Portraits of Notable Workers.

The Committee desires to make the Exhibition as fully representative as possible of the past history and present state of the sciences of Heredity and Eugenics.

Many interesting exhibits have been received from America, France, Germany and all parts of the United Kingdom.

Professor von Gruber has sent over from the International Race Hygiene Congress, held in Dresden, in 1911, a collection of exhibits representative of German work.

The American Eugenics Record Office is sending an important exhibit, as are also the State Epileptic Colony of New Jersey, and Dr. Goddard, of Vineland.

Among the British Exhibitors are Major Leonard Darwin, Professor Punnett, Mr. Wheler, Mr. Whetham, Mr. Nettleship, Mr. E. J. Lidbetter and many others.

An Illustrated Catalogue is in preparation, and will be on sale at the Book Stall.

Many of the Exhibitors have signified their intention of attending the Congress, and their willingness to explain their exhibits to enquirers.
