c. 10.
8 Edw. 7.
c. 63.

2.—(1) It shall be the duty of the parents or guardians of children between five and sixteen years of age who are defectives within the meaning of this Act, to make provision for the education or for the proper care and supervision of such children as the case may require, and, where the parent or guardian of a defective child is, by reason of the attendant expense, unable to make suitable provision as aforesaid, it shall be the duty of the school board (except as herein-after in this section provided) to make such provision either in virtue of their powers under the Education of Defective Children (Scotland) Act, 1906, as read with the Education (Scotland) Act, 1908, or in terms of this Act as the local authority concerned.

(2) It shall be the duty of the school board to make arrangements, as the local authority concerned under this Act, and subject to the approval of the Scotch Education Department—

- (b) for ascertaining which of such children are incapable by reason of mental defect of receiving benefit or further benefit from instruction in special schools or classes, or of receiving such instruction without detriment to the interests of the other children and for notifying to the parish council and the General Board of Control herein-after constituted (in this Act referred to as the Board) the names and addresses of such children.

(b) at the instance of the school board or the parish council, as the case may be, if he is a person under the age of sixteen for whom it is the duty of the school board or the parish council to make suitable provision ; or

(c) if in addition to being a defective he is a person—

(i) who is found neglected, abandoned, or without visible means of support, or cruelly treated ; or

but no such order shall be made except in the circumstances and in the manner herein-after specified.

Requirements as to the making of Orders.

6.—(1) A judicial order under this Act shall be obtainable upon an application to the sheriff by petition made by any relative or person contributing towards the support of the alleged defective, or by the local authority concerned, or where, Presentation of petitions.

(a) that the person to whom the petition relates is a defective within the meaning of this Act, and the class of defectives to which he is alleged to belong; and

(b) that that person is subject to be dealt with under this Act, and the circumstances which render him so subject; and

the Board may present a petition, in relation to any such person, and this section shall apply accordingly.

7.—(1) Upon the presentation of the petition the sheriff shall, unless cause to the contrary shall be shown to his satisfaction, grant warrant to cite the person to whom the petition relates to appear personally to show cause why an order should not be made against him.

A.D. 1913.
—
Procedure
on presenta-
tion of
petition.

(2) The sheriff may, before disposing of the petition, adjourn the case for such time as he shall fix in order that evidence may be adduced or further information may be procured, and he may remit to any suitable person to make such enquiries as the sheriff shall direct and to report to the sheriff, or may remit to a suitable person to visit and examine the person to whom the petition relates, or to take evidence on commission, and may order the person to whom the petition relates to submit himself to medical examination; or the sheriff may himself visit the person or take such other means as he shall think appropriate, in order to satisfy himself as to the expediency of granting or refusing the petition.

(4) If the sheriff is satisfied that the person to whom the petition relates is a defective, and is also satisfied that he is subject to be dealt with under this Act, the sheriff may make an order either ordering him to be sent to an institution, or appointing a suitable person to be his guardian, and the order shall state the class of defectives to which he belongs, and the circumstances which render him subject to be dealt with under this Act: Provided that, where the petition is not presented by the parent or guardian, the order shall not be made without the consent of the parent or guardian unless the sheriff is satisfied that the parent or guardian cannot be found or unless, in the opinion of the sheriff, such consent is unreasonably withheld, and the withholding of such consent is calculated to prejudice the best interests of the defective; and provided further that nothing in this section shall prevent an order being made, notwithstanding that the person to whom the petition relates

A.D. 1913. does not appear to the sheriff to belong to the class of defectives to which he is in the petition alleged to belong.

(5) The sheriff shall, in the exercise of the jurisdiction conferred by this Act, have the same jurisdiction, and the same power as regards the summoning and examination of witnesses, the administration of oaths, the awarding of expenses, and otherwise as if he were acting in the exercise of his ordinary civil jurisdiction.

(2) A person appointed to be guardian of a defective may, on the application of the local authority concerned or of any other person who appears to be interested, be removed from his office by the Board, and where a person appointed to be guardian of a defective dies, or resigns his office, or is removed from his office, the Board may, on the like application, appoint a suitable person to act in his stead.

(3) An order under this section shall not be made without giving to the local authority concerned, if any, and where practicable to the parent or guardian, or the relative or other person who presented the original petition, an opportunity of representing their view.

(2) Where a court adjourns the proceedings under the provisions of the foregoing subsection, or remands or commits for trial any person or child who appears to the court to be a defective within the meaning of this Act, the court may, without prejudice to any other powers, order the person or child, pending further proceedings in the matter, to be detained in an institution for defectives, or to be placed under the guardianship of any person on his finding bail for the appearance of the person or child. A.D. 1913.

(3) Where it appears to the prosecutor or to the person bringing a child before a court under section fifty-eight of the Children Act, 1908, that the accused person or child, as the case may be, is a defective within the meaning of this Act, it shall be the duty of such prosecutor or person to bring before the court such evidence as may be available of the mental condition of such accused person or child.

10. Where the Secretary for Scotland is satisfied from the certificate of two duly qualified medical practitioners that any person who is undergoing a sentence of imprisonment (except imprisonment under civil process) or penal servitude, or is undergoing detention in a place of detention by order of a court, or in a reformatory or industrial school or in an inebriate reformatory, or who is detained in a criminal lunatic asylum, or the criminal lunatic department of a prison, is a defective, the Secretary for Scotland may order that he be transferred therefrom and sent to an institution for defectives, or that he be placed under guardianship, and any order so made shall have the like effect as a judicial order under this Act. Effect of orders.

(2) An order that a defective be placed under guardianship shall, subject to regulations made by the Secretary for Scotland, confer on the person named in the order as guardian such powers as would have been exerciseable if he had been the father of the defective and the defective had been under the age of fourteen, or, if a female, under the age of twelve, and the guardian shall

A.D. 1913. also have power to warn persons against supplying intoxicants to him or for his use.

Duration
of detention
under orders.

12.—(1) An order made under this Act that a defective be sent to an institution or placed under guardianship shall expire at the end of one year from its date, unless continued in manner herein-after provided :

Provided that, in the case of any institution, the Board may fix four quarterly dates in each year and direct that orders that persons be sent thereto shall, unless continued as herein-after provided, expire at the quarterly date next after the day on which the orders would have expired under the above provision.

(2) An order shall remain in force for a year after the date when under the preceding provisions of this section it would have expired, and thereafter for successive periods of three years, if at that date and at the end of each period of one and three years respectively the Board, after considering such special report and certificate as is herein-after mentioned, and the means of care and supervision which would be available if he were discharged, intimate to the defective, and his parent or guardian, if any, or any other person who presented the original petition, and to any local authority concerned, that the continuance of the order is required in the interests of the defective :

Provided that, where a defective was, at the time of being sent to the institution or placed under guardianship, under twenty-one years of age, the case shall be reconsidered by the Board within three months after he attains the age of twenty-one years.

(3) On such consideration or reconsideration the Board, if it appears to them that further detention in an institution or under guardianship is no longer required in the interests of the defective, shall order him to be discharged :

Provided that, if the Board do not order his discharge, the defective or his parent or guardian or any other person who presented the original petition or the local authority concerned may, within fourteen days after intimation of the decision of the Board, appeal to the sheriff, who shall hold such inquiry and subject to the provisions of this Act shall dispose of the appeal by discharging the defective or otherwise as he shall think fit.

(4) The special report above mentioned shall be a special report as to the mental and bodily condition of the defective

made, in the case of a person detained in an institution, by the medical officer of that institution, and in any other case by a duly qualified medical practitioner, and shall be accompanied by a certificate under his hand that the defective is still a proper person to be detained in an institution or under guardianship, and the person sending the special report shall give to the Board such further information concerning the defective to whom the special report relates as they may require.

A.D. 1913.

(5) Notwithstanding anything in this section contained, an order made upon a petition presented by a school board shall cease to have effect when the defective attains the age of sixteen; but without prejudice to his being further dealt with as in this Act provided.

(6) A certificate under the hand of the secretary to the Board that an order has been continued to the date therein mentioned shall be sufficient evidence of the fact.

13.—(1) Where under this Act a defective has been placed by his parent or guardian in an institution or under guardianship, it shall be lawful for his parent or guardian to withdraw him from the institution or guardianship at any time on giving notice in writing for the purpose to the Board, unless the Board, after considering what means of care and supervision would be available if he were discharged, determine within fourteen days after receiving the notice that the further detention of the defective in the institution or under guardianship is required in the interests of the defective, and where the Board have so determined no further notice by the parent or guardian shall be allowed till after the expiration of one year from the last previous notice.

Duration of
detention not
under orders.

(2) Subject to the foregoing provisions of this section, a defective who under this Act has been placed by his parent or guardian, or by a parish council with the consent of his parent or guardian, in an institution or under guardianship may be detained in the institution or under guardianship, and the case shall be reconsidered by the Board at like intervals, and subject to the like right of appeal, as if he had been ordered to be sent to the institution or placed under guardianship, and the provisions of the last foregoing section shall apply accordingly.

(3) Where a defective has been placed by a school board in an institution or under guardianship with the consent of his parent or guardian, the authority for his detention shall cease when he attains the age of sixteen; but without prejudice to his being further dealt with as in this Act provided.

A.D. 1913.

(4) The managers of any certified institution or house may discharge any defective placed there by his parent or guardian on giving one month's notice to the Board and to the parent or guardian of the defective, if known.

Supplemental.

Power to
recover ex-
penses.

14.—(1) Where an order that a defective be sent to an institution or be placed under guardianship has been made under this Act, whether by a sheriff or otherwise, any sheriff having jurisdiction may, on the application of the local authority concerned, or, where there is no local authority concerned, of the petitioner, or of the managers of the institution or the guardian, make an order requiring the defective, or any person liable to maintain him, to contribute such sum towards the expenses of his maintenance in the institution, or of his guardianship, and any charges incidental thereto, including the expenses, in the event of his death in the institution, of his funeral, as, having regard to the ability of the defective or person liable to maintain him, seems reasonable.

(2) Any such order may be enforced against any property of the defective or person liable to maintain him in the same way as if it were a decree in the sheriff small debt court.

(3) An order made under this section may be varied or revoked by any sheriff having jurisdiction.

Power to
remove to
place of
safety
pending
presentation
of petition.

15.—(1) If any officer of the local authority concerned, authorised in that behalf, or any constable finds neglected, abandoned, or without visible means of support, or cruelly treated any person whom he has reasonable cause to believe to be a defective, he may take such person to a place of safety, and such person may be there detained until a petition under this Act can be presented.

(2) If it appears to the sheriff on information on oath laid by an officer of, or any person authorised by, the local authority concerned that there is reasonable cause to believe that a defective is neglected, abandoned, or cruelly treated in any place within the sheriff's jurisdiction, the sheriff may issue a warrant authorising any constable named therein, accompanied by the medical officer of the local authority concerned or any other duly qualified medical practitioner named in the warrant, to search for such person, and if they find that he is neglected or cruelly treated, and is apparently defective, to take him to and

A.D. 1913.

place him in a place of safety until a petition can be presented under this Act, and any constable authorised by such warrant may enter, and if need be by force, any house, building, or other place specified in the warrant, and may remove such person therefrom.

(3) Where the place to which such a person is taken is a poorhouse, the governor shall receive him into the poorhouse if there is suitable accommodation therein, and any expenses incurred in respect of him shall be defrayed by the local authority concerned, but shall, if an order is eventually made, be recoverable from the defective or any person liable to maintain him, as if they were part of the expenses of his maintenance.

16.—(1) Where the mental condition of a person detained in an institution for defectives becomes or is found to be such that he ought to be transferred to an asylum or other lawful place of detention for lunatics, the Board, or the managers of the institution for defectives with the consent of the Board, may cause such steps to be taken as may be necessary for having a sheriff's order under the Lunacy Acts made in respect of him and for his removal to such place: Provided that, where such person has been placed in the institution by his parent or guardian, the Board or managers, as the case may be, shall not cause such steps to be taken until, where practicable, they have communicated with the parent or guardian and given such parent or guardian an opportunity of taking them himself.

Transfers from institutions for defectives to institutions for lunatics and vice versa.

sheriff, under a procedure similar to that followed in the case of dangerous lunatics, and the sheriff, on being satisfied accordingly, shall issue his order for the transmission of the lunatic to an asylum or to another guardian or house, and for his detention therein until such time as the Board shall sanction his discharge, and the sheriff shall give decree for the expenses of the inquiry and procedure, and also for the maintenance of the lunatic in the asylum or house against the parties legally liable for the maintenance of such lunatic.
