SANCTION BY THE GENERAL BOARD OF LUNACY FOR LIBERATION OF A LUNATIC ON TRIAL.

I, George A. Paterson

one of the Commissioners of the General Board of Lunacy, having duly considered the Application made by Wm. John Robertson

for the liberation on trial of James Caven

G. A. Paterson *Commissioner in Lunacy.*

DATED at Edinburgh, this 25th day of January

One thousand eight hundred and seventy five

See Rules on other side.

RULES FOR THE DISCHARGE OF PATIENTS ON PROBATION.

The object of these Rules is to furnish Inspectors of the Poor and others with the information necessary to enable them to apply for the discharge of Patients from Asylums on trial; to point out the steps which the Board of Lunacy require shall be taken for their proper care during the period of trial; and to indicate the course to be adopted on the expiry of the period of probation.

1. Application for the Sanction of the Board for the Discharge of Patients on Probation shall be made according to Form G.

2. Pauper Lunatics discharged on Probation shall be visited by the Medical Officer of the Parish of residence once in every three months, as in the cases of Single Patients, and entries made by him in the book prepared for the purpose, called the "Medical Register," which may be procured from Messrs. THOMAS AND ARCHIBALD CONSTABLE, 11 Thistle Street, Edinburgh. It is very desirable that the first visit should be made within three weeks after the removal of the Patient from the Asylum.

3. Whenever an entry is made by the Parochial Medical Officer that the Patient has ceased to be a proper one for remaining at home on Probation, the Inspector shall, within fourteen days thereafter, remove him back to the Asylum.

4. During the period of Probation, Pauper Lunatics remain subject to visitation by the Commissioners; and on infringement of any of the Conditions on which Sanction was granted, or on the Report of the Visiting Commissioner that the circumstances in which the patient is placed are not satisfactory, or that the case is no longer a proper one for Probation, the Board may require the immediate removal of the Patient back to the Asylum.

5. When for any reason it is deemed necessary to send the Patient back to the Asylum, the Superintendent is bound to receive him on the simple demand for admission, provided the period of probation is still current.

6. Whenever any Inspector of the Poor of a parish declines, or unreasonably delays, to carry out the Instructions of the Board for the removal of the Patient back to the Asylum, no future Sanction will be granted for the Discharge on Probation of Patients chargeable to such parish without a Special Minute by the Board of Lunacy.

7. Whenever an Inspector of the Poor fails to give notice to the Board of the ultimate disposal of any Patient whose Discharge on Probation has been sanctioned on his application, notice of such failure shall be given by the Board of Lunacy to the Chairman of the Parochial Board of the parish to which such Patient is chargeable; and on the repetition of such failure, no future Sanction will be granted for the Discharge on Probation of Patients chargeable to such parish without a Special Minute by the Board.

8. No Patient sent to an Asylum at the instance of the Procurator-Fiscal shall be liberated on Probation without his concurrence.

9 Pauper Lunatics, whose period of Probation is expired, must, if they continue Insane, and in the receipt of Parochial Relief, be placed on the Roll of Single Patients. For this purpose application must be made to the Board of Lunacy for their sanction, according to Form (D.) (*vide* Instructions to Inspectors of Poor, 1866, pages 9 and 14). When recovery takes place, or the Patient is taken off the Poor-Roll, intimation to that effect must be made to the Board.

10. Before the period of Probation expires, notice must be given to the Board that the Patient is to be replaced in an Asylum, or a Medical Certificate must be transmitted to the effect either—(1.) that the Patient is recovered, or (2.) that he is still of unsound mind. In the latter case the Certificate must further state that Asylum treatment is no longer necessary, and you must give notice to the Board of the manner in which you have disposed of the Patient.
