Dear Sir

Dr White saw my Brother James & his knee to-day & the Dr White asked me to write & say that he finds my Brother quite well & able for his work any day as he is going to begin his work to-morrow. Dr White also asked me to state that as my Brothers Board was reduced from £25 per annum to £15 per annum as we had paid the £6.5 when he entered, we might

ask for the reduction, which I think will be £2.10, as we had got it reduced after he was in some time, to the £15. as the Trustees Bond was at the rate of £3.15, I ask for the £2.10 as balance from the £6.5, which I remit.
