To all Gentlemen and Ladies.

THERE are newly arriv'd two monstrous Girls, being one of the greatest Wonders in Nature that ever was seen; they were born with their Backs fasten'd to one another, and the Passages of their Bodies are both one Way: These Children are very handsome and lusty, talking three different sorts of Languages, and are very well civilized; they are six Years of Age, born in the Kingdom of Hungary; the one's Name is *Hellen*, and the other *Judita*; and *Hellen* was born three Hours before her Sister *Judita*. All those who are curious in observing the Workmanship of Nature, may see them walking together, and carrying one another upon the Back. The monstrous Children (whose Mother is still alive) are to be seen from Eight a Clock in the Morning till Eight at Night, up one Pair of Stairs at Mr. *William Sattclisse's* a Druggster's Shop, at the Sign of the *Golden-Anchor* in the Strand near *Charing-Cross*.

N. B. That the Children are not to be seen longer than the End of *August*, and that they are to continue at Mr. *Sattclisse's* as above, until they return Home. God bless *Queen Anne*.
