[illegible][illegible]

This image shows a vertical, rectangular textile object, likely a ceremonial mask or a decorative panel. The central vertical band is decorated with a diamond or chevron pattern. On either side of this band are two circular elements, each containing a stylized face with large eyes and a small mouth. The top and bottom edges of the object are decorated with geometric patterns, including diamonds and zig-zags. The overall appearance is that of a traditional or indigenous artifact.
