MEDICAL
JOURNAL

The image shows the front cover of an antique book. The cover is decorated with a marbled paper pattern featuring large, irregular, dark green or teal spots separated by a network of fine, branching veins in shades of red, brown, and yellow. In the center of the cover is a rectangular, cream-colored paper label with a thin black border. The label contains the following text: 'SHAW & SONS.' in a bold, serif font; 'WHOLESALE STATIONERS.' in a smaller, similar font; 'Account Book Manufacturers.' in a cursive script; 'Fetter Lane & Ranc Court.' in a cursive script; and 'LONDON.' in a bold, serif font. Below this, there is a small, faint, and mostly illegible line of text, possibly a date or a reference number. The book's spine is visible on the right side, showing a dark, possibly black, material. The edges of the book are slightly worn, and the overall appearance is that of a well-used, historical volume.
