Retreat 1<sup>st</sup> Nov<sup>r</sup> 22<sup>nd</sup> 1860.

Dear David

I did not receive thy  
Christmas present of Pies, Apples & Oranges  
till yesterday for what accept my  
thanks. I enjoyed one pie & orange but  
ever & made off with more than half  
a cake at tea-time - my pleasure  
was enhanced seeing my supper being  
of one of our kinsmen Edward Scamp  
every four Liverpool with 500 soldiers  
has to run to follow the voice of our  
dictating she had not eating a sup-  
per for 54 years - The spirit that  
tried to help others to what <sup>it</sup> they likes for  
itself is so cheering - I Scripture  
declaration well liked - of "He that  
witheth shall be withed also himself"

I have

newly shall not change be for the "thy offer most to the Lyden Park"

they were not all there enjoyed laying  
out gardens to new houses other such ground  
became when a dish of roasted Turkey  
went from Robert Kitchen to Trotter's  
shop & he took it directly to the  
gardeners who found it an agreeable  
addition to them by of fork - so doing  
can I get taking the story for dearth for  
the Turkey going to them was so different  
to ~~enemies~~ <sup>they</sup> juggling up our best for ex-  
-actly by <sup>so</sup> much better loved than our  
-elves." — — I have great difficulty  
in getting the good cheer I have sent for  
me - even the American market for & our  
she is now on a stock in J. Thomson's  
room for not choosing to do as she was  
rejoiced deliver what she had made  
for me onto my own hands. — I have  
been cheated of another Turkey dinner by  
Thomson but did not know till just

was of his head going from his shoulders  
when he began to set it up.

I did not hear directly after awaking  
of 900 persons coming dropping off between  
Wark & Retreat but before I had eaten  
my breakfast - They intended to take me  
to Benacoe - many foreigners are in  
the fields there - more particularly I have  
not heard except some sisters have  
been walking about there visiting some to  
speak of they are awake. - A man  
got up onto the wall of my room near  
my coach & was slow to tell me of  
500 devils are now about Bocking  
My love to my sister I have a good account  
of them have been hearing so much better than  
than we used to be even respecting the  
& more glad of they can be clever I  
have sisters attend to more & I anticipate  
grand results. I have been gladdened  
hearing of them from some of more one

so well off are remarked at Puygubert  
in the Bay of Naples they felt at home  
it is a place like to the one off Derby  
— slow hidden so many years by water.

I want for information about the foot  
of Permosens I have not heard whether  
any of ours have reached there. I have  
seen one place for Belvidere &  
it was the early part of last year. Thus,  
a packet was sent over to the house of  
K. but he had with it on board yet  
could not bear to let me have them:  
at the house again with another such a  
lot. — Yesterday she brought the parcel  
or probably I had not seen that at  
all. I do not think it the "Primer of the  
Art" but some one let me know when K.  
— ching's were about deceiving the Phobos the  
heads went for their sketches & the first  
he who both declared "The expectation of  
the face should not fresh for ever" the
