Sir

th
Jamaica: 29 Sept. 1819. -

In reply to your favor of 27th - we can certainly
send you 5^{2s} of Matt. a 7^{6s} - very good at the price, but
sometimes, we recommend that a 8^{0s} - as being very superior
I must better worth the money. - As we value your
connection, we should not wish, on that acct, to send
you any article but what would give the greatest
satisfaction, & therefore we shall send you 5^{2s} of the
best of Wilkinson next week, if we have not your direction
to the contrary. - We are now selling this very Matt
almost daily a 11/6 - per Barrel retail, which is 9^{2s} - per Barrel
& this is the price throughout the Trade for that quality.

Yours very truly

YORK SAVING BANK.

AT a MEETING of DIRECTORS of the YORK SAVING BANK, held at the GUILDHALL, the 1st of July, 1819:

PRESENT,

The LORD MAYOR, in the Chair.

John Dales, Esq.	Rev. W. Turner
W. H. Hearon, Esq.	Mr. Wm. Cooper
S. W. Nicoll, Esq.	Mr. Geo. Fettes
Henry Bland, Esq.	Mr. R. Spence
J. Tweedy, Esq.	

Resolved,

That the following Report, now brought in by the Committee, be adopted, and published once in each of the York Papers.

REPORT

OF THE COMMITTEE OF THE YORK SAVING BANK, 17th June, 1819.

The Committee have great satisfaction in reporting to the Directors the continued prosperity of the Institution, which they trust will sufficiently appear from the annexed statement of Accounts.

The Directors will be gratified to observe that the number of Depositors, as well as the amount of Deposits, continues to increase; and the more so, as they feel themselves justified in stating, that the most anxious vigilance and attention have been shewn in confining the benefits of the Institution to such Persons only as were properly entitled to them.

The increased balance due to the Auxiliary Fund, notwithstanding a variety of Demands, which are not likely to recur, will shew that the resources of the Bank are now fully adequate to meet its expences.

AT A MEETING OF DIRECTORS OF THE YORK SAVING BANK, held at the City Hall, New York, on the 31st day of December, 1880.

The following is a true and correct statement of the assets and liabilities of the bank as at the close of business on the 31st day of December, 1880.

The following is a true and correct statement of the assets and liabilities of the bank as at the close of business on the 31st day of December, 1880.

REPORT OF THE DIRECTORS OF THE YORK SAVING BANK, for the year ending December 31, 1880.

The Committee have great satisfaction in reporting to the Directors the continued prosperity of the institution, which they trust will sufficiently appear from the enclosed statement of Accounts. The Directors will be enabled to observe that the number of Depositors, as well as the amount of Deposits, continues to increase; and the same is true of the number of Loans and the amount thereof. The most anxious attention and attention has been shown in conducting the business of the bank, and to each branch only as were properly entitled to them.
