Catterick 12th Mo. 16th

Dear friend I write
to inform thee that I
now must resign my
self up into your hands
The enemy is getting
the master of me and
the sooner you can get
me a way the better I
am in an awful state
it flys to my brain then
I am delirious I cannot
overcome it at times I
seem to be all right but
the enemy soon prevails

dear friend thou knowest
the besetment that
I cannot get the better
of it has long been
the advice of several
friends to me to leave
Cutterick. my mind is
now willing to leave
if thou would be as kind
far to see some friend
I don't now whether my
friend John Pease or Josh
is at home or not perhaps
Pease would give
advice I remain
thy friend

James Arton

it appears to me
that I shall have to
go to the retreat be
so kind to loose no
time it must be done
quickly

Dear James,

I. Young wishes
me to say that he
duly received your
Letter & we are glad
to hear of the pleasant
way in which you
had spent your time
at Middlesboro. and
that you had got
comfortable quarters
at Redcar. which we
hope will do you good

I only wish that I
could have joined
you for a week or ten
days which would have
made it doubly pleasant
and a little relaxation
from the intense care
and ~~anxiety~~ which I
have daily upon me,
but at present I see
no way of being able
to do so. through Mr
Young's unwillingness
to be left alone, he
desires me to say that

you are to drink plenty
of sea. water. & bathe
pretty frequently & to
keep yourself as still
and composed as possible
and I am very glad
you have such fine
warm weather, which
will render it very
pleasant. I have
enclosed your letter
which came here the
same morning you left,
now mind and take
care of yourself

& nurse yourself up a
bit & if the weather
keeps this fine don't
come back too soon,
but give the sea air
a chance to mend you
up again, we are all
pretty well I am glad
to say, & I hope this
will find you improving
with my sincere respects

I am
Dear James

They will be done

My feed my Father: Whilst I stay
Far from my home, in life's rough way,
O teach me from my heart to say

They will be done

Though dark my path and sad my lot,
May I be still abid' my Maker's lot;
O breathe the prayer divinely taught
They will be done

even
a mistake it is not on the song side

What though in lonely grief I sigh,
For friends belov'd no longer nigh;
Submissive still I would be true,

They will be done

If thou shouldst call me to resign,
What most I prize — it never was mine
I only yield. What is thine

They will be done

examine

a mistake it is not on the wrong side

Should mining sickness waste away
My strength in premature decay,
My strength still I'll strive to save

They will be done

Some day will soon day to day;

Blind it will shine and be day
all that now makes it hard to say

They will be done

Then when on earth I breathe no more

The stranger oft mixed with tears before,

I'll sing upon a happier shore

They will be done

I could not but feel apprehensive that our endeavours
to serve the Lumbeys would be fruitless - I gave thee and
I gave them, when they called upon me, some ideas of
the doubts I entertained - knowing what the intricacies
of West Indian Property are - and the wretched and
selfish nature of the management - which often prevailed
and always ensued after the decease of a Planter -
- The fact has always seemed to me to be this - the
great apparent wealth obtained was built upon a bad
foundation - the labour and blood of the Slave trade

The profits that were made were the fruits of cruel
oppression and bondage - the parties took every
advantage of their victims and lived too often
in shameless adultery and fornication. - The Lord of
Sabaoth heard the cries of his children - a blast
very generally seemed to fall upon such and their
wealth disappeared like a cloud - there was, in
homely language, neither "spend" nor "tuck" in it - in
other words the blessing of the Most High was
never seen to rest like dew upon it and it withered away

The writer of the enclosed note is a friend
of mine the Governor of the Bank of England
and perhaps there is not one person who knows

more about that Indian Property - he is a man of
high Character and respectability - I attach confidence
to his Report which thou wilt see is as unfavourable
as possible - It does not seem to me that I can be
of any use to thy friends beyond requesting thee to
show them the enclosed letter from Sir John
Rae Reid Barmet - and then returning it to me
at thy first convenience. The
papers I will procure till
called for, they are all faithfully sent back to me

My Dear Uncle

I write to you with my sincere
thanks for the kindness you
have shown to my Dear Parents
as they was in distress for a
friend in need is a friend indeed
And after all the troubles my
Dear parents as gone through
and to go into the workhouse
after all which they expected
they would have done if it
had not been for your kind-
ness And I am sure that

would break my heart for while
I have a covering with God's
help they shall have part
and I hope the Lord will
reward you for your kindness
in this world and in the
next for there is another and
a better world for us all
I trust in the Almighty
god I like my place very
well and my fellow servants
I am comfortable and likely
to remain in it with the
Lord assistance Dear Uncle
I think my poor Dear father

Can't remain much longer
in this world afflicted as he
is I Pray to god that he will
go to a better one when he leaves
this and us all and I wonder
that my uncle Gray my mother
whose and only Brother don't
do a little ~~little~~ for them
situated as they are and he
in better circumstances they
ought not to be despised because
they are poor and despoor
The Lord has written in the
Epistle of Paul the Apostle
to the ~~Galatians~~ Galatians the 6th
Chapter the 8th and following
verses

For he that soweth to his flesh shall
of the flesh reap corruption. but he
that soweth to the spirit shall of
the spirit reap life everlasting.

And let us not be weary in well doing
for in due season we shall reap if we
faint not. As we have therefore opportunity
let us do good unto all men especially unto
them who are of the household of faith.
ye see how large a letter I have written
unto you with mine own hand. As many
as desire to make a fair shew in the
flesh they constrain you to be circumcised
only lest they should suffer persecution.
for the cross of Christ for neither they
themselves who are circumcised keep the
law but desire to have you circumcised
that they might glory in your flesh.
I can't say no more at present. I
hope you will write to me soon.

Dear Friend

James Otton,

Friends here have
been trying to see how they
can best help thee. It appears
that John Dodshaw has had
some conversation with thee &
proposed thy taking lodgings at
Croft & so prosecuting thy business
in the same district as before -
but still considering Croft thy
home. This appears to us a
very likely thing & we hope thou

will be able to carry it out;
as likely to increase thy health
of body and peace of mind.

Please write and say how
this strikes thee & whether thou
thinks it can be carried out.
Our sole desire is to help thee
if possible - I we should be
very glad to be able suitably
to do so. - Thou canst write
either to Joseph Sease or myself
as thou feels most freedom -

Dear uncle

I send my kind love to you
in hopes it will find you quite well as it leave
me at present thank God for it I hope you
wont think it unkind of me not writing
to you before. I hope you have not had the
cough I have there it as been dreadful
in London a great number of people is
sick with it. it as been most shocking in
some parts of London they would not
let people go down some of the street
they had a black flag at the top
of the street and a policeman
to prevent people from going
through ever where was shut up in
that street but thank God
we have all escape it but my
poor father had a touch of it

he was very bad a week with
it we was a fraid we should
lose him but thank God he as got
quite safe over it. Dear uncle
I am sorry to say that my poor
mother as had her work taken
away from her sence the family
came back it thore mother back
with them going away and
then to take ^{it} from her when
they come back to give it to
the nurse is mother that live
there poor mother is nearly gone
out of her mind with one thing
or another she as had a little
work to do for a person but
now they have gone so
she will have to go in the
work house at last she as
had to struggle very hard to

to keep out of it so long. & to
see how she as had to work all
her life to keep home up how
many we are is there that
would have done it. they would
have gone to every body in the
place begging a mast before they
would have work so hard night
and day and not have got
strength to do it & she as been
as good mother to us all and
may god reward her for it as we
shall never be able to pay her
for half her trouble ~~the~~ let alone
all the trouble. & am allways
thinking about them night
and day weather they have
got vittles to eat or not & it
will break my heart as well

as my poor mother but never
mind we must try and bear
it as long as we live we shall
be better off perhaps than some
of the rich people that as plenty
of money laying by there for
no purpose when we die the
Lord will look upon the poor as
well as the rich he will not hate them
because they are poor the poor will
be better off in the next world.

Dear uncle I am pretty comfortable
at my place at present. mother
nor father dont know that I have
write this they told me when
I wrote to you I was to give them
love to you I cant stay any more
now so good by uncle please to write
to me as soon as you can from

We thank thee for
thy kind note accompanied

Dear Friend

James Orton,

I enclose thee a letter
from John Kitching which will
explain the charges - also an ac-
count showing the Disbursements
£ 1. 15. 7. Thou wilt see that
the average cost of the Patients is
20/- per week & therefore they have
charged thee reasonably.

Now I must leave the matter
with thee. I do not know what
thy circumstances may be -

or what amount thou wouldst
wish to pay thyself. Please
write to me by an early post
and say what thou wishest

to be paid - I perhaps thou

thou art able) to defray a
considerable portion of it thy-

Let me hear from thee soon

Respectful friends

James Orton —

I have theme of the 21st

I should have been quite easy if thy cousin
had felt disposed to place her money in
the share named, but as she prefers other
security, I have studied over to find some
one who would take the money as proposed.
I have mentioned it to Mr. Barnard a mem-
ber of this meeting who has been building
a house & I knew was rather short of
means to finish it. I find him willing to
take it at 4% according to them, he is a
very upright young man & I consider
the money will be quite safe, as much so

as if I had it myself, indeed he offers
to let his writings be kept by me for
thy cousin's security, which if she can
conclude to lend him the money I will
not object to take charge of them.

I think thou named Two thou-
sand Pounds but he is not particular
to Twenty Pounds more or less if you
would like the business concluded from
this term (called Mortmain) that the
Interest may be payable at May-day to
Mortmain when he draws his rents
it will suit him any will if you
like to come over any day this week I hope

I should be at home to attend to & help you
at the same time it is not important
for a week or two or I don't object to
advance W.D any thing he wants to go
on with till he get settled with the
whole —

My Dear uncle

I send my
kind love to you in hopes
it will find you quite
well as it leaves me at
present. Dear uncle I hope
you have spent your Christmas^{as}
well it has been very dull
to us and many more
besides us. for every thing
is so very dear things was
never know so dear as they
are now at this present time
I don't know how poor people
will get through this winter
if things keep so dear. my
poor mother is not very
well and farther is still

the same I don't know
how my poor mother stand
it as she do if it was not
for the Lord that help her
through she could not do
he give her strength but I
don't think she as much
now for she as don't it so
long I do not think she
can much longer for she
seem to get so very weak
only think for my father
to be ill so very long no
money coming to help
my poor mother having
to work all this time with
her own hands she had
trouble enough in this
world it to be here she
will have rest in the

next world.

To bending affectionately desirous
of you we were willing to have
imparted unto you not
the gospel of God only but
also our own souls because
ye were dear unto us.

For this cause also thank
we God without ceasing for
the cause when he received the
word of God which he heard
ye received it not as the word
of men but as it in truth
the word of God which
effectually worketh also
in you that believe
the Lord seems very kind
to those that deserve
it but here some
thing would turn
up for

for my poor mother
that she would not
have to work so as she do
and having nothing
to eat neither and
my little brother William
he is as thin as he can be
it makes my heart
ach to go up and see him
but I hope and trust
in the Lord to help them
through as yet I pray
that he will run all
ways praying that he
will look upon them
yet they all told me
when I wrote to you
again to send them
love to you and he shall
all be glad to see you
in the summer.

George is still in his
place and John is gone
to herit he has been gone
a month now he likes
it very much at
present we all are
comfortable at present
there only little William
at home with mother
now I have no more

be a bifle in the latter
respect as explained

Thy sincere friend

certainly, not less than

4000 & from this to 5000

I consider them as certain

as any thing in this

WHY THAT LOOK OF SADNESS?

Why that look of sadness?

Why that downcast eye?

Can no thoughts of gladness

Lift thy soul on high?

Oh thou heir of heaven,

Think of Jesus' love,

While to thee is given

All his grace to prove.

Is thy burdened spirit

Agonized for sin?

Think of Jesus' merit,

He can make thee clean.

Think of Calvary's mountain,

Where his blood was spilt;

In that precious fountain

Wash away thy guilt.

Is thy spirit drooping?

Is the tempter near?

Still in Jesus hoping,

What hast thou to fear?

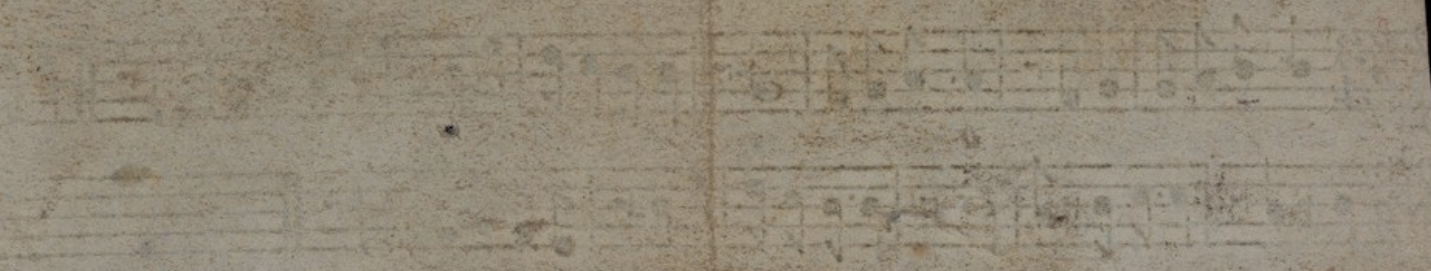

Set the prize before thee,

Gird thy armour on,

Heir of grace and glory,

Struggle for thy crown.

WHY THAT I LOOK OF SADNESS

Think of Christ's blood
Which has paid
In that precious blood
Was my sin
Is the spirit of God
Is the temple of God
Still in Jesus
What has been done
Set the heart free
Glad to be
Hallelujah

Why that look of sadness
Why that downcast eye?
Can no thoughts of sadness
Lift thy soul on high?
Oh thou heir of heaven,
Think of Jesus' love,
While to the Father
All his grace to prove.
The burdened spirit
Is released for ever
And the heart is free
Hallelujah

Friend James

I rec^d thy note in due time and should
have answered it more early but after
returning I found myself very unsettled
I am now thankful to say I am as well
as usual. I was glad to find thou had
got settled at the Retreat a place I have
great confidence in as a place to suit
thy complaint. I am in the first place
confident thou wilt have every thing
shown thee. This is what thou wants -
as thy complaint is altogether on thy
mind not any particular bodily pain
my advice to thee is to keep up thy spirits
& think little of them who cannot give
or place their affections on thee. She
it is likely is desired for another. Thou
has paid her the greatest compliment
a man can pay thy offering to her thou
could not be accepted. Therefore my advice
to thee is. Think no more about her. only
at all times act a prudent part. Thou
must well remember my advice to thee
it was at all times. for thee not to fix thy
affections so strongly on things below
thou must look upwards & place more
strongly thy affections on things above

My daughter has acted upon receipt of thy letter - as I trust and believe my dear children will always do - so long as it pleases the Lord to spare me to my family - in shewing me the same - and I have conversed with her thereupon. - She is quite decided that it is impossible for her to entertain thy proposition - there is nothing in her mind or judgment that could ~~be~~ justify her in hesitating to request that the subject may be at once dismissed from thy thoughts and in desiring that it may not be revived to her or any of her family either personally or by writing. -

I may now as thy friend, add that it will ever be a pleasure to me to see or hear of thy welfare - any little occasional attention I may have shewn thee as belonging to

the same Religious body - may have been and have been, I trust,
such (however small the tokens) as to evince this - in the same
spirit I would add that if in thy opinion the married state
is likely to conduce to thy Comfort and help (and - if it is entered
upon suitably - with a suitable person - it probably would be for
thy benefit) - I would point out to thee what next to the
importance of obtaining - a virtuous religious minded wife
seem to me essentials - or nearly such ^{to} a happy union and
agreeable married state. - Equality of age - similarity
of educational habits - fitness for the same habits of
living - association and occupation. - I am far from
setting a high value upon large worldly possessions, but
it has pleased Divine Wisdom to place his creatures in
somewhat different spheres of life - all things are thus

Gifts - property - time - abilities - the hands of some minister
to their own necessities - others labour to assist their fellows.
but however we are occupied our comforts depend upon
our endeavouring to keep our relative position towards
each other - and upon our being surrounded, especially
as respects our most intimate connections - such as husband
and Wife, by those who can enter into and unite in all
our cares and feelings - and can assist ⁱⁿ or share all the
labours domestic and otherwise of our day - Every one
brought up as my daughters have been, could not do this
and hence the necessity of thy seeking a Wife in a
different not inferior class - In these sentiments my
honoured Father whose name is referred to, unites - I
therefore press upon thee to turn away thy mind from
this subject - I am sorry it has been disquieted by you

and I trust thou wilt find it has ended in the right way

I am My friend,

Peace.

Esteemed Friend,

I am in much
affair, & in reply, too early
to say that it is the practice
of this Institution to encourage
its inmates than industrial
use of their time. But as it at
the same time maintains
expensive arrangements for

their care in case they
are disabled from following
any occupation, it would
soon be Bankrupt if all
the patients did not pay
something. The average cost-
per patient is not far from
30/- a week. I am often very
thoroughly considered to have
been allowed the difference be-
tween that & 10/- a week.

The enclosed account will
explain the disbursements.
They are chiefly for character

falling to the sharp

I feel ~~my~~ an inward
desire arise in my heart
towards thee at this time
the impression strikes my
mind to say how his it
with thee. My dear friend
at this time, thou wast
informed new years gone
that I had a great desire
to speak unto thee at that
time I was refused the
cause of the objection I leave
I believe the time has again
come for me to renew the
object of my mind ⁱⁿ to
give ^{thee} to understand that I
love thee there has know
been great length of time

My dear friend the Lord
is the same now he chan-
geth not and if it be the
Lords blessed will for
to touch thy heart towards
me who shall say unto
him what darest thou
dare not frustrate the Lor-
ds will. My dear friend
jeala unto the softening
influences of heavenly love
what is all this world
but like unto the fading
flower tell not the happiness
of my beloved friend think
of him that was meek and
lowly in heart despised
and rejected of men a man
of sorrows and acquainted
with grief & this poverty
this poverty how often
is he despised

well my beloved friend
What shall I say more than
that my heart salutes thee
in the precious love of God
through our Lord and Saviour
our Jesus Christ that in
blessing be my bless thee
with his heavenly gift and
enlarge thy heart in gospel
love towards thy fellow crea-
tures which is the very my
earnest desire of heart
be not offended my dear
friend for my heart is
enlarged towards thee
at this time I did not
think of saying what I have
said all fear seems to be
taken a way I know not
how it may be with thee
the Lord only knows the
secret of the heart

dear friends this seems to
relieve my mind of an oppre-
ssion of duty that I believe has
for a great length of time ^{been}
required of me I have been
unfaithfull I confess to my own
loss) But ^{now} I have retired
at Stranton by the seaside
nearly 2 weeks from business
and cares of this life so in
reflection I am thankful
to say hath brought me to
feel that I am a poor weak
and unworthy creature
I must now leave all this
in the hands of the Lord and
say not my will but thy will
be done O Lord
