5 portants an 2 attendants, 2 of them are as bad
as it a Sepilla to be, one of them once seized me by
the throat, and I had reason to believe that he
was going to take my life, because he said I
was constantly chattering to him and shaking the
ground beneath me, altho I had not spoken more
than 2 or 3 words to him in 5 or 6 months.
What right has any person to place me as near
as a rat.

Your Affectionate Brother John Reacy.
