Friend's Petrad
York March 26th/86

My dear Eleanor

I cannot bear

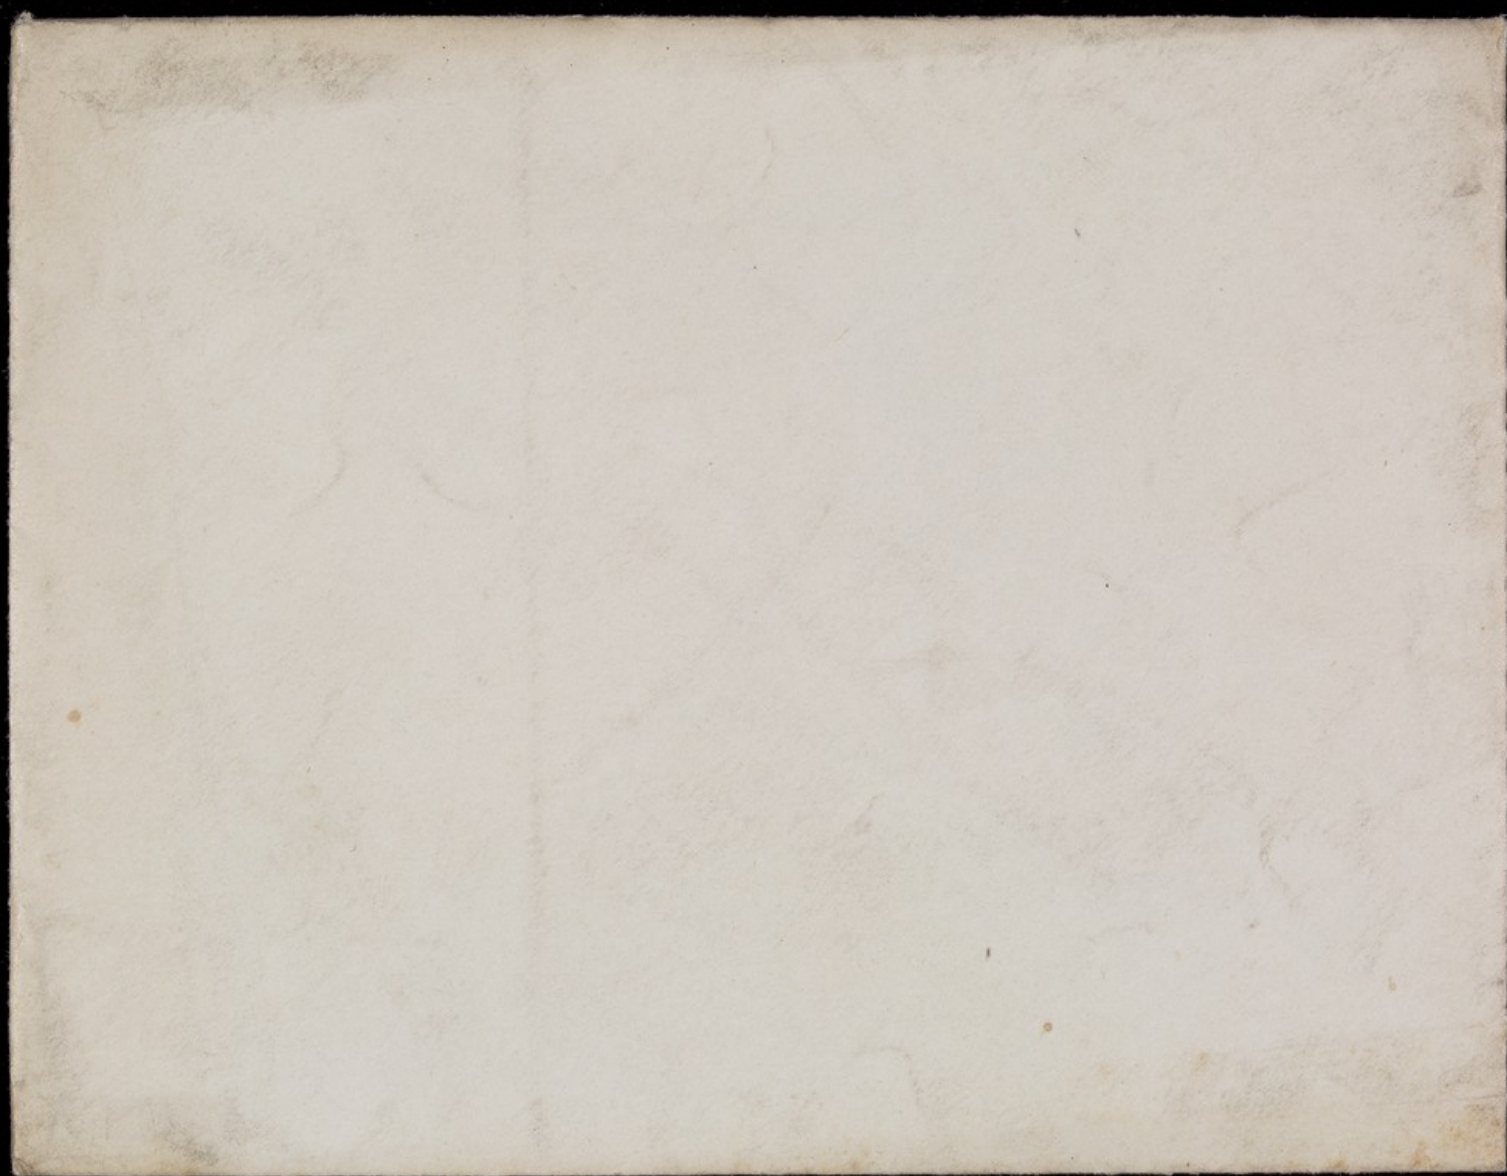

without a sight of you
again why did you not
come with Willie. I am
wanting another dress so
much as this one seems
to another one would

be better than this
could be done up for
morning wear. I do
so much that I had
given the portraits
and all your letters
to Willie when he
was here. The night
have stayed a little
longer than he did

I was very well I
 spent my morning but had
 some trouble with my
 hands. I am now
 feeling much better.
 Yours truly,
 J. H. P.

never able to get
to you and constantly
feeling such a dyed
with kindest love
believe me to be
your affectionately
Mamma

J. L. W. Loring.
