The image shows the front cover of an antique book. The cover is decorated with a traditional marbled paper pattern, featuring large, irregular, cell-like shapes in shades of teal and blue, set against a background of orange and cream. The pattern is dense and intricate. In the center of the cover, there is a small, rectangular, white paper label with a decorative border. The text on the label is printed in a classic, slightly ornate font. The book's spine is visible on the right side, showing a similar marbled pattern. The edges of the book are slightly worn, and the overall appearance is that of a well-used, historical volume.

This Book altered its character
when the plan was adopted of
having Wage Books in which
