INFORMATION
CONCERNING THE TRAINING OF MENTAL NURSES
AT THE RETREAT, YORK.

THE Retreat is a Registered Hospital for the Insane, and is situated about two miles from York Station. It was founded in 1792, in order to provide a home for the care of persons afflicted in mind, where they could be treated in a humane way, and with the utmost kindness and sympathy. It was, moreover, the first institution to adopt and carry out this improved method in the treatment of the Insane, and the principles then set forth by William Tuke, Lindley Murray, and other members of the Society of Friends who founded the Retreat, are now universally recognised.

With but few exceptions, the patients are from the middle and upper classes, and no patient receives assistance from the rates, but a considerable amount of charitable help is afforded in necessitous cases.

There is accommodation for about 170 patients, of whom 100 are women. The women are accommodated in six departments in the main building, at Belle Vue House adjoining, and at the branch house at Scarborough. Each of these departments is under the care of a qualified "Sister."

The Committee of the Retreat have arranged for a systematic course of training in Mental Nursing, covering a period of four years.

During the fourth year, if found suitable, Nurses will be liberated to undertake the nursing of private patients in their own homes or elsewhere.

Applications, from those wishing to enter upon the course of training, must in the first instance be made in writing to the Matron.

REGULATIONS.

- 1.—Candidates must produce satisfactory evidence of moral character, good health, general intelligence, and fitness of disposition for the work, and they should not be less than about twenty-two years of age.
- 2.—Suitable candidates are in the first place received on two months' trial. If then approved they must engage to stay for a period of four years, made up as follows:—Two years as probationers, including the two months on trial, and one year as staff nurse, and, if found suitable, one on the private nursing staff.
- 3.—They will be provided with board, lodging, washing, and indoor uniform.
- 4.—The Salary will be: For the 1st year, £16;
For the 2nd year, £18; 3rd year, £22; 4th year, £25,
conditional on passing the examination at the end of each year.
The salary is paid quarterly. Nurses on the private nursing staff will receive, in addition to their salary, a commission upon the fees earned.
- 5.—The Duties consist in the care and treatment of the patients in the Retreat, under the direction of the Matron and Medical Officers. The Nurses assist in the various occupations and amusements of the patients, in the service of meals, needlework, and in sundry household duties.
- 6.—Hours, from 7 a.m. to 8-30 p.m. In addition to meal times, one hour each day is free from duty.

Leave of Absence. One half-day and one whole day on alternate weeks. A half-day on two consecutive Sundays; on the third Sunday, one hour. Once in three weeks, four hours on Saturday or Monday.
- 7.—Annual Holiday—fourteen days. An extra holiday of one week will be given in the third and fourth years.
- 8.—Agreement. On entering, each Nurse will be required to sign an agreement to conform to the rules of the Institution, and acknowledging the right of the Committee to terminate the engagement if it sees fit so to do.
- 9.—Withdrawal. Should circumstances render it desirable to withdraw from the engagement, application in writing must be made to the Committee of the Retreat, asking for permission to do so, and giving reasons for the proposal. These will be considered by the Committee, whose decision will be final.
