As to any "Ministers of
this Parish" by which I
suppose is meant "The Vicar",
or any Magistrate signing
a certificate, obviously
such a certificate would
signify nothing and could
not be connected by them
with the life of the son of
the said George Tally Harrison
as nobody hereabouts knows
anything about any one of
the three your affctly

"I give and bequeath the Sum of One Hundred Pounds of lawful British Money to be raised by my Executors, or Executor's herein after named out of my Ready Monies or a Security for Money, within twelve Calendar Months next after my decease, and paid into the Fund of the Committee or Managers, and to be applied in aid, and towards the support of an Institution established at York by the Society of Friends commonly called Quakers, and called "The Patent for the Reception of Lunatics." Provided the Rules of the Committee or Managers of the said Institution will always allow a power to the Members of the Society of Friends, commonly called Quakers of the Quarterly Meeting of the said County of Bucks. from time to time and at all times, if and when required, to have one Patient in the said Institution on the lowest Terms of admission for ever, if required, but not otherwise, as if otherwise, my Will is that the said last mentioned Sum of One Hundred Pounds shall lapse into, and become a part of the Residue of my personal Estate."
