The happy associations of  
my early days have made the  
collecting & arranging of these  
Photographs & Memorials of the  
Centenary of the Friends' Retreat  
a labour of love.

It is my wish that they may be  
preserved at the Retreat; it may  
be that on the occasion of a bi-centenary  
they may be found interesting.

The Portraits were kindly supplied  
either by the persons represented, or by  
their lineal descendants.
