* Fifty Parishes have failed to send Returns.

† The only Parish belonging to the City of Edinburgh from which there is no Return, is that of the New Gray Friars, in which are situated the Edinburgh Bedlam, and the Charity Workhouse; in these Houses there were confined (according to the Return made last year, from this Parish, in consequence of the Address of the House) 88 Lunatics and Idiots; all those confined in the Charity Workhouse were stated to be Idiots, and they all belong to the City of Edinburgh. The greater proportion of those confined in the Bedlam, belong also to this City and County; so that a very considerable addition would be to be made to the Total Numbers of the County of Edinburgh on account of these two Establishments.

† The Returns from the Parishes of the City of Glasgow, do not comprise such Patients belonging to the Royalty, as are confined in the Glasgow Asylum and Towns Hospital; reference is however made to last year's Return, from which it appears that 95 Lunatics and Idiots, belonging to the Royalty, were then confined in these Establishments. This number therefore must be added to the Total of those confined in the County of Lanark.

The following table shows the results of the experiments conducted on the various mixtures of water and soluble substances, and it will be seen that the results are in accordance with the theory advanced in the preceding pages.
