Enclosure

G.A.R.

3rd March 1911

Dear Sir,

Re 54 Wigmore Street, W.  
=====

With reference to our application, accompanied by drawings, for permission to erect a projecting sign at the above, we understand that the objection of the Works Committee is owing to the size of the sign in question.

We enclose herewith revised drawing of sign reduced in size, and shall be glad to hear whether or not this will meet the objection raised.

Yours faithfully,

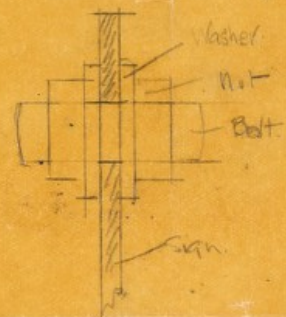

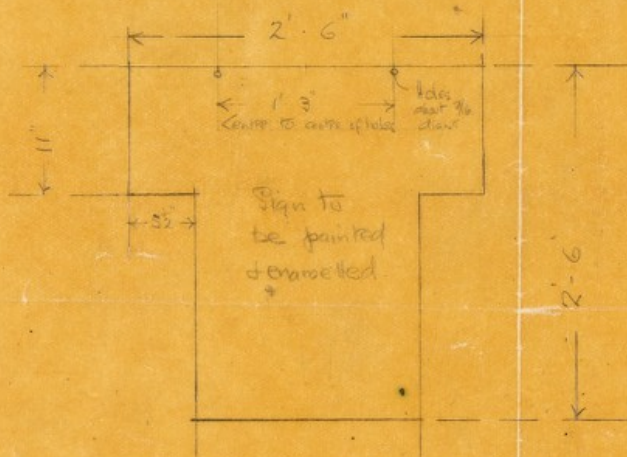

BURROUGHS WELLCOME & CO.,
