DWARFS AT THE TIVOLI.

Mr. Vernon Dowsett has materially enhanced the attractiveness of a strong programme at the Tivoli by the engagement of the Colibris Liliputians, whose entertainment, extending over forty minutes, is clever and amusing. Each of these nine little people is an artiste of pronounced ability, either as an instrumentalist, vocalist, or general entertainer, and they reap an abundant reward in the continuity of the mingled laughter and applause which their efforts elicit. Chirgwin is as amusing ever.
