Be kinder to the environment – recycle your old mobile

By giving us your old mobile phone, you can choose to collect Green Clubcard Points or we can donate money to the British Red Cross on your behalf – giving vital aid and better futures to the most disadvantaged people across the UK. Just £23 could pay for one volunteer to support one person for one week to live at home at a time of illness or crisis. And £150 could provide a baby resuscitation dummy for students to learn how to revive a baby.

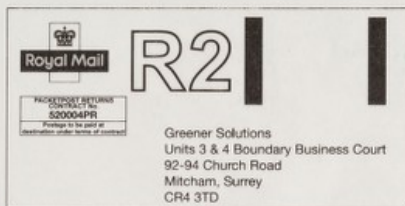

All you need to do is:

- 1 Remove your SIM card, as any SIM cards received by Greener Solutions will be destroyed.
- 2 Place your old mobile handset in this envelope.
- 3 Fill out the tear-off slip at the top of the envelope and place it **INSIDE** the envelope with your phone.
- 4 Seal the envelope and pop it in the post – you don't even need a stamp.
- 5 Greener Solutions will recycle your mobile phone and we'll follow your instructions on giving you Green Clubcard Points or donating money to the British Red Cross on your behalf.

Remember to put your Clubcard number on the tear-off slip.
