Dear Customer

## SPECIAL NEW CATALOGUE MAILING!

We are delighted to enclose your personal copy of our NEW full-colour catalogue. We hope you will agree that the changed design and extra pictures make it much easier to select the products that are right for you and your family.

On the reverse of this letter we have highlighted some products of seasonal interest - and there's a very special free offer too. But please place your order soon, as our free gifts are only available while stocks last.

Included in the catalogue for the first time is the full Granny Ann range of health foods - including tempting treats which are made entirely from non-animal ingredients, and taste scrumptious, too!

We know from the letters we receive that we provide a service which is much appreciated by the majority of our customers. Please remember, too, that we are always glad to hear from you with comments or suggestions relating to our products.

We look forward to receiving your order - and if you have any friends who would like their own copy of our new catalogue please attach a note of their name and address to your order form and we'll pop one in the post to them straight away.

### REMEMBER!

We accept Access and Visa for all orders, and you can telephone your requirements if you prefer - just call us on

## Need some help to look your best this Summer?

Potter's Boldo tablets are a herbal remedy traditionally used as an aid to slimming -

and this is the time of year they really come into their own as the dieter's friend.

Boldo should be used in conjunction with a calorie

controlled diet. Many customers have written to us over the years to let us know just how helpful they found these tablets, especially for improved vitality and reinforcing the willpower to tackle weight loss. Why not try a pack - Summer's on its way and we all want to look our best when we shed our Winter woolies!

**Product Code No BOL 10.**

## Change for the better?

At certain times of our lives we may need extra help to stay in tip-top health. Many women have a troublefree menopause but others find the symptoms of the change make day-to-day life hard to cope with.

Potter's Wellwoman

Tablets contain a special combination of herbs to help women in middle-age. This formula has been used safely and effectively by our customers for over sixty years.

**Product Code No WEL 10.**

## Granny Ann biscuits - a healthy treat for all the family

For a delicious treat try one of the Granny Ann range of biscuits. They are all made from the highest quality ingredients, and as they contain no animal products they can also be enjoyed by vegetarians and people on dairy-free diets.

**High Fibre Biscuits** are available in three tasty varieties - Date Syrup, Original and High Oat. They are a great favourite with anyone who needs to add fibre to their diet - many of our dieting customers have told us that an occasional biscuit helps prevent the constipation that can often follow a restricted diet.

**Product Code Nos: Date Syrup BIS 02; Original BIS 04; High Oat BIS 03.**

And for anyone needing a snack that's high in nourishment value (perhaps after illness or feeling 'run down'), we recommend our **Premier Protein Biscuit Cakes**. They make a delicious 'extra' at any time of the day. **Product Code No BIS 01.**

Put a fresh face on for Summer! For every order over £10 value (ex postage) we'll send you a FREE specially designed 'Potter's lion' face cloth and a bar of Potter's Skin Clear soap (together worth more than £1.75). But hurry! This offer is only available while stocks last.
