TO THE CURIOUS!!!
PATRONIZED BY THE FACULTY.

**The greatest Phenomenon of Human Nature ever
exhibited to the Public!!!**

**Two Children
UNITED**

From the Umbilical Chord to the top of the Breast-Bone.

BORN ALIVE, January, 1833.

ALLOWED BY THE FACULTY

FAR TO SURPASS THE

Siamese Twins.

This Phenomena opens a wide field for inquiry to the Members of the Medical Profession; its perfection astonishes every beholder.

THE
MATCHLESS LAMB

With three bodies (two of which denote the Male, the other the Female), eight legs, and only one Head, fell the 1st of May last, at Mr. R. Pittis's, Wimering, Hants.

This also stands Unrivalled; it bids defiance, even to Record, to cope with its wonderful Structure.

WONDERFUL KANGAROO PIG,

With no fore legs, two behind those being double jointed, there being four joints in each, a double set of teeth, and no eyes.

The curious and Learned must be astonished at the perfection, symmetry, and beauty of these unaccountable productions of Nature. It must be seen to be appreciated.

The PROPRIETOR begs to say, he challenges the WORLD for 1000 Guineas, for such productions of Nature. The Public are respectfully cautioned not to listen to the evil and ill-disposed assertions made by a scurrilous Exhibitor of Models against this Exhibition, but to satisfy themselves by strictly examining these Matchless productions of Nature.

To the above is added a Fine View of the

FATAL CONVICT SHIP, AMPHITRITE.

N. B.—No Wax-work. No Models in this Collection. No Deception.

Printed particulars may be had at the place of Exhibition, No. 28, High Street, Bloomsbury
