Wonderful Phenomena of Nature.

Just Arrived, and to be Seen every Day at the
LYCEUM, STRAND,
THE
Three Wonders of the Age!!!
Miss CRAWLEY,
The Beautiful Albines,
And Her Two Brothers.

They are peculiarly worthy the attention of all who delight in viewing such parts of the Creation as display the marvellous productions of Nature; their beauty cannot be credited but on sight: they have been viewed with equal admiration by all classes of society.

To the Ladies in particular this exhibition is recommended, as nothing can possibly display more innocence and beauty, which, with the phenomena, must render it deserving of their notice.

✂ Their stay in London will be short, as they are engaged to appear in Dublin early in the next Spring.

Admittance, ONE SHILLING.

Hughes, Printer, 33, Bartholomew Close.
