FACTS!
AMAZING FACTS!

Never Exhibited in England,
MADemoiselle

LEFORT,

IN HER NINETEENTH YEAR,

A first rate Phænomenon,
OF FRENCH PRODUCTION,

In whom the Sexes are so equally blended that it is impossible to say which has the Predominence.

This is one of the instances where Nature stepping out of her usual Track, produces to the Wondering World, a Magnet of Irresistible and Universal Attraction; the Hands, Arms, Feet and Bust, possess perfect Feminine Beauty, likewise the upper part of the Face, the lower part is also beautiful, but possessing the Masculine Accompaniments of

Beard, Mustachioes and Whiskers,

the curious must be amply gratified by the contrasted beauties of her Person, the Religious must be struck with sacred awe, and while in astonishment they contemplate Nature's Works, will raise their minds to Nature's God! but to the Faculty it has, and ever will be, an inexhaustible source of Professional enquiry.

Admittance 2s. 6d. each.

Mademoiselle Lefort will receive Company
at her own Apartments, No. 25, Queen Street,
Golden Square, from the hours of 12 until 9.
