TWO

Chinese Ladies!

THE ONLY FEMALE NATIVES OF THE
CELESTIAL EMPIRE,
EVER SEEN IN EUROPE!

N. B. The Public are respectfully informed, than on account of the INTENDED DEPARTURE OF THE CHINESE LADIES, the price of Admission is now reduced to ONE SHILLING, to afford every one the high gratification of viewing those enterprising Strangers, whose visit to this Country has already excited such intense interest and curiosity amongst the higher classes of Society.

THESE MOST INTERESTING and ELEGANT OBJECTS OF PUBLIC CURIOSITY, are Natives of the Province of Congsee-Laang-Lin Foo: The eldest (ATTOI WHOATOY) 24 years of age—the youngest (POWYUEN GUATUGA) scarcely 18; their STATURE is about the general standard of their Country-women, and their COUNTENANCES are highly expressive of affability and gentleness, with a pleasing east of pensiveness, so characteristic in all representations of Chinese Ladies. Their very DIMINUTIVE FEET, being little more than three inches in length; and remarkably LONG FINGER NAILS, of nearly the same extent, are with them, not only reckoned beauties of the first order, but also the most significant tokens of PERSONAL CONSIDERATION and RANK! Their Dresses, which are in the richest Costume of their Country, are of the finest Silks, Taffeta, and Crape, beautifully Embroidered and Embossed with Gold, Silver, and Colours, in the richest profusion and variety. The peculiar mode of attiring their Hair, is in the most esteemed fashion of Peking; ornamented with costly Jewellery, Artificial Flowers, &c. Their Bracelets are massive Orbs of Gold, Coral, Agate, and other precious Materials; and their Rings, Ear-drops, and Necklaces of the same.

The pleasing countenance of the Interpreter, Ayong-chongtie, from Canton, (attired in the Dress of a Mandarin,) gives great interest to the Group; which, with the characteristic embellishments, exhibit in the most correct manner, the Apartments, and Costume of the *Fashionables of China!*

 *The Saloon* is enriched with a profusion of *Chinese Curiosities*, in elegant *Lanterns*, *Skreens*, fine *Jars*, and other *Ornaments* of the richest *Porcelain*; also a great variety of the most curious *Paintings* and *Drawings*, in *Portraits*, *Fancy*, and *Mythological* subjects, *Landscapes*, &c. Likewise a complete *Altar*, or *Joss-House*, with the customary offerings presented to their **HOUSEHOLD DEITY!!**

Descriptive Catalogues, 6d each, may be had at the Saloon. Also, (just Published,) a fine Print of the Chinese Ladies and their Interpreter.

OPEN FROM 11 TILL 6.

ADMITTANCE, ONE SHILLING.
