THE Modern Living Colossus, or Wonderful GIANT, is to be seen at Mr. SQUIRE's, Peruke Maker, facing the Mews-Walk, within Two Doors of the Panopticon, Charing Cross, from 10 in the Morning till 8 at Night, at 1s. each Person.

This Wonder in Nature is thought by those who have already privately seen him, to be the tallest of the Human Species in Europe, large in proportion, and much superior in straightness to any one ever exhibited to Publick View of an uncommon Size ; in short he may be justly stil'd a Phenomenon in Nature.
