# Famous Miss Baggs.

From NEWFOUNDLAND

Now Twenty Years of Age, born without Arms,  
And will WORK with her TOES, in as complete a Manner as with  
ARMS, and HANDS. — She also cuts WATCH-PAPERS.

VERSES extempore by a celebrated VIRTUOSO,  
Wrote on seeing the above Astonishing and Curious, WONDER of NATURE

Instead of having either Hands or Arms,  
Nature's supply'd her with Ten Thousand Charms:  
This little Artist threads her Needle well,  
And does all Wonders of the Age excel;  
She with her Toes exhibits more to view,  
Than Hundreds with their Fingers e'er can do  
She feeds herself, can drink whene'er she please,  
And every Action does with so much ease,  
That Hundreds flock to see her ev'ry Day,  
And every One goes satisfied a way.

Taken in a Spanish Prize, & was going as a PRESENT to his MAJESTY the KING of SPAIN.

It is described by the late Dr GOLDSMITH, as follows, viz. The Head inspires some  
Degree of Terror, like a Warrior; it has the Eye of a Lion, the Defence of a Porcupine, and  
the Swiftneſs of a Courſer; but has neither Tongue, Wing, nor Tail. Its Legs, are ſtout like the  
Elephant, Heel as the human Species, and three Toes before; it is upwards of fix Feet high,  
and weighs above 200lb. Its Head and Neck are adorned with a Variety of beautiful Colours;  
the Top a Sky-blue the back Part Orange the Front Purple, adorned on each Side with Crim-  
ſon, curiouſly Headed; and its Feathers reſemble the Mane of a Horſe; and what is more  
extraordinary, each Quill produces two Feathers.-----Alſo,
