By Authority.

At the Talbot-Inn, near the Maypole in the Strand, is now to be seen the High German Performer, Born without A R M S.

THere is lately arrived a Person that was born without either Arms or Hands, and he does such miraculous things with his Feet, that the like never was known in the World. He has been sent for by Kings, Princes, and Dukes of several Countries, and shows such things with his Feet, that no Body can do with both Arms, Hands and Feet. He writes very fine with his *Mouth*, right and left Foot without discerning, which is the best, and in five sorts of Languages, and makes his own Pens with a Pen-knife, he walks upon his two great Toes, and stands upon one Toe, he lays his Foot in his Neck, and hops upon the other, he stands upon the top of a little Stool, and reaches a Glass with his *Mouth* from under it, he threads a very fine and small Needle, and sows very prettily, and all Actions whatsoever is done by Hands, he does with his Feet, he combs or dresses a Perrishig very well, shaves himself, dresses and undresses himself, &c. and all with his Feet. It is a strange and wonderful thing to the World, to see him put himself in a Posture of Defence, with a single Rapier to fight. He darts a Sword into a Deal-Board, he beats a Drum, he charges a Gun. or any manner of Arms, and shoots at a *Mark*, and Jumping and Vaulting is his *Master-Piece*, and what he does, no Body can do the like, he has also several Inventions with Glasses, it is impossible to express all.
