The Royal London Bazaar

GRAY'S INN LANE ROAD.

NOW EXHIBITING, THE

Spotted Child.

This interesting and amiable intelligent little Prodigy, had the distinguished honour of being presented by the celebrated Doctor BROOKES, on Monday, the 22nd of February, to the ROYAL

College of Physicians,

when near 400 Members were assembled. *Sir Henry Halford, President.* It is a certain fact there never was before exhibited a Phenomena so rare, and it is sincerely hoped she will meet with Patronage from the Nobility and the Public generally, as the profits arising therefrom, will be exclusively for the benefit of the little Stranger.

MISS FABRIAN

was born in Hampshire, is Two Years & a Half old,

Curiously Spotted all over,

and beautifully shaded with Hair, to give a full description of this Wonderful Child would be impossible, she must be seen to believe the reality.
