The Pleasant preparation of Halibut Liver Oil

HALIBORANGE presents Allenburys tasteless and odourless Halibut-Liver Oil, associated with additional vitamin D and Allenburys Orange Juice.

One teaspoonful of Haliborange is equivalent in vitamins A and D to one teaspoonful of cod-liver oil.

Haliborange is an excellent addition to the diet of babies as a precaution against rickets and scurvy. For older children, adolescents, or adults, it is a prophylactic vitamin tonic.

Haliborange
