SUN AND MOON CLOCK CIRCA 1680. The chapter ring is marked for twelve hours commencing at VI, through to XII, on again to VI, then returning, and so on. The left dial is the moon dial, with quarters. The right dial has a calendar, months and days, with the signs of the Zodiac. The upper scene depicts the Coronation of the Virgin Mary. Her figure is fixed to the pendulum rod and swings to and fro.

"In the predominantly anxious patient an underlying depression can often be discerned."
(*Brit. J. clin. Pract.*, 1967, 21, 348)

TRIPTAFEN-MINOR

treats both the anxiety
and any underlying depression

- Effective relief of both anxiety and depression with a single dosage form.
- Rapidity of action with most patients improving during the first week.
- Relief is obtained with low dosage so that side effects are comparatively rare.
