**COMMON COLDS, GRIPPE, INTESTINAL FLU,
NATURE'S S. O. S. SIGNAL**

A vicarious elimination of the toxin through some portion of the mucous membrane, which fails to be eliminated through the natural channels

SALVITAE

A tea-spoonful of Salvitae in a glassful of water every four hours, stimulates elimination through the natural channels, prevents toxic absorption, relieves congestion, allays fever, sterilizes the Intestinal and Urinary tract and prevents the numerous complications.

PRINTED IN U.S.A.
