The Great Remedy for Coughs,
Colds, Hoarseness; Sore Throat,
Croup, Whooping Cough.

Ammen's Cough Sprup is not a patent medicine. No patent has been asked for or obtained upon it. To protect the public from counterfeits and imitations the manufacturer has had the label registered in Washington. The Syrup is made from pure and costly drugs, and cannot be sold as cheap to the dealer as the common patent medicines that are simply made to sell, which explains why dishonorable druggists or dealers try to sell you something else when asked for Ammen's Cough Syrup. It is upon the market upon its own merits. You can buy a sample bottle for 15 cents, upon which, at the wholesale price, the manufacturer makes nothing. Ask to see a large bottle and read the label. Price, 50 cents and \$1 00.
