The World's Most Powerful Natural Antiseptic

THE ORIGINAL AUSTRALIAN TEA TREE OIL COMPANY

Product & Ingredients
not tested on animals

What is Tea Tree Oil?

Australians have long celebrated the powerful, antiseptic properties of Tea Tree Oil, an essential oil distilled from the leaves of *Melaleuca Alternifolia*. The oil was first discovered by the Aborigines, used by Captain Cook, issued to Australian soldiers during World War II and now recognised as a scientifically proven therapeutic grade antiseptic.

The Benefits of Tea Tree Oil

- Natural Antiseptic
- Anti-bacterial
- Germicide
- Anti-fungal
- Mild Local Anaesthetic

Thursday Plantation

Skin Care Products

Hand & Body Lotion

An all over body moisturiser with nourishing Aloe Vera, specially formulated to soothe dry skin and rejuvenate natural elasticity. Ideal for use after bathing and shaving.

Herbal Skin Wash

An all-purpose cleanser with soothing herbs for total skin hygiene which helps to combat bacteria and odours.

Soap

By using a special triple-milled process to minimise caustic agents which can dry the skin, Tea Tree Oil pH balanced soap gently cleanses and conditions the skin.

Skin Cleanse Daily Face Wash

Produced without harsh and drying chemicals, this pH balanced antiseptic cleanser can be used regularly on oily and problem skin.

Skin Blemish Gel

A deep penetrating anti-bacterial application to control excess sebum and help keep the skin blemish free. pH balanced, so as not to stress already irritated skin.

Walkabout

A unique insect repellent formula combining Tea Tree Oil and Citronella Oil in a lotion or handy roll-on application. Ideal for holidays, picnics and gardening.

Hair Care Products

Deep Cleansing Shampoo

A mild pH balanced shampoo which gently cleanses and nourishes the hair whilst protecting moisture balance. Can also help remove build-up of styling products and residues left in the hair.

Anti-Dandruff Shampoo

This scalp cleanser is gently pH balanced and free from chemical solvents. It utilises Tea Tree Oil and Sulphur to help in the control of flaky scalp problems.

Conditioner

Specially formulated for all hair types to enrich the hair providing body and manageability. pH balanced and best used in combination with either of the Tea Tree Shampoos.

Oral Care Products

Toothpaste

Free from fluoride and artificial sweeteners, this toothpaste leaves the mouth refreshed, the teeth clean and the gums healthy.

Mouthwash

An antiseptic mouthwash and anti-bacterial gargle with natural cinnamon which gently cleanses and refreshes. Free from artificial sweeteners and flavours.

Lipguard

A soothing water-resistant invisible barrier to help protect the lips against damage by sun, wind and cold.

Lipfix

A non-greasy, soothing cream for application to dry and sensitive lips. May be used for skin irritations on and around the mouth.

Lozenges

A very mild Tea Tree formula with honey and menthol to help soothe dry and irritated throats.

Foot Care Products

Foot Spray

Specially designed to help soothe, cool and deodorise hot and tired feet. Formulated without aluminium and utilising the astringent properties of Zinc and the coolness of Menthol and Camphor.

Foot Powder

A talc free dusting powder to help keep the feet fresh and dry with the odour fighting properties of Tea Tree Oil. For optimum benefit use in conjunction with Tea Tree Oil Foot Spray.

Personal Hygiene

Deodorant

An underarm roll-on which is free from zirconium salts and aluminium, designed to combat skin odour problems. With the soothing herbs Chamomile, Rosemary, Yarrow, Nettle, Birch and Coltsfoot.

Anti-Perspirant

Available in two fragrances, Sport and Floral, these anti-perspirants harness the perspiration diminishing properties of Zinc with anti-bacterial Tea Tree Oil. Free from zirconium salts and aluminium.

THE ORIGINAL AUSTRALIAN TEA TREE OIL COMPANY

For sensitive skin or first time users, it is advisable to carry out a skin sensitivity test. Apply one or two drops of the oil to the soft skin of the inner arm and leave for 24 hours prior to use.

Antiseptics

Antiseptic Oil

100% pure oil can be used neat or diluted and is suitable for all-over body use to provide top to toe antiseptic skin care.

Antiseptic Lotion

15% emulsified solution suitable for sensitive skin, ideal for mixing with water for bathing and for large skin areas. Tea Tree Oil is highly absorbent and can even penetrate through nails.

Antiseptic Cream

A non-greasy water-based, easily absorbed cream, soothing and sensitive to the skin.

Antiseptic Ointment

A water-repellent ointment designed to act as a barrier protecting damaged skin areas and associated irritation. Also contains natural Vitamin E.

Antiseptic Lavender Solution

An aromatherapy combination of antiseptic Tea Tree Oil and soothing Lavender Oil for application to even the most sensitive skin. Economical for use on large skin areas.

Gently soothes...

...and cleanses

Tea Tree Oil has many remarkable properties that make it a powerful natural antiseptic. It is a strong organic solvent and can actually dissolve the lumps of white blood cells which make pus. The oil is quickly and readily absorbed into the skin, and it can even reach inaccessible sites such as under the fingernails. It is also an effective germicidal, and can aid in the control of bacteria and stubborn microbes.

When you purchase a Thursdays Plantation product, you are receiving the benefits of the finest grade Tea Tree Oil, direct from the source, with guaranteed purity, activity and efficacy.
