Germolene

SCHOOL QUIZ

WHAT IS WRONG WITH THESE DRAWINGS?

Deliberate mistakes have been made in the illustrations shown. How many can you spot?

Your teacher has the correct answers

BROKEN SKIN

*an open door
for germs*

Remember, however strong or healthy you may be, your skin is easily broken. A little cut, a sore knee, a scratched spot, these are all open doors in your skin for dirt and dangerous germs. That's why it is so important to use Germolene on any skin injury—to stop it hurting, to make it clean, to heal it quickly.

*Germolene heals
quickly and
cleanly . . .*

*For the tender, delicate
skin of children Germolene
is ideal. It soothes at a
touch. It stops itching and
irritation — and greatly
assists healing. Keep
Germolene handy.*

*The healing ointment
STIMULATES THE NATURAL
HEALING PROCESSES*
