## **BENCARD** British Pharmaceutical Products

### **PRODEXIN**

*for control of hyperacidity*

Rapid and controlled relief of hyperacidity and continuous antacid protection for peptic ulcer are achieved by sucking these bland, non-gritty tablets. Prodexin efficiently controls widely different ranges of acidity for long periods without alkalisation.

Basic N.H.S. cost of 240 tablets: 30/4d.

### **FERRAPLEX B**

*for iron-deficiency anaemias*

This complete iron haematinic combines, in one tablet, ferrous sulphate and the supplements known to promote maximum iron absorption:— copper, ascorbic acid and complete, natural vitamin B complex. Ferraplex B is well tolerated and does not mask symptoms of pernicious anaemia.

Basic N.H.S. cost of 250 tablets: 15/6d.

### **PAYNOCIL**

*for pain and rheumatic conditions*

Non-irritant, quick dispersing, palatable aspirin-glycine tablets; safe and acceptable to patients needing prolonged, heavy dosage of aspirin for rheumatoid arthritis. Paynocil is also a pleasant and rapidly assimilated form of aspirin for occasional pain. Paynocil tablets each contain 10 grains of aspirin; Junior Paynocil tablets (2½ grains) are suitable for young children.

Basic N.H.S. cost of 240 tablets: PAYNOCIL, 21/8d.; Junior PAYNOCIL, 12/-.

### **THE BENCARD ALLERGY SERVICE**

Our unique range of diagnostic and desensitising materials for the radical treatment of allergic conditions is described in the 90-page *Bencard Manual of Allergy*, free to physicians on request.

*Colchicum autumnale*
