BLINDERWÄRT is the purest and most powerful of nerve foods. It is not a drug or laboratory product, but is the identical nourishment provided by nature herself for the sustenance of the nerve-centres and cells. It consists solely of non-poisonous nature-made products, prepared with the most scrupulous care and the highest scientific skill.

NATURE cures every ill the flesh is heir to with food, or substances extracted from food. Therefore, as **Blinderwärt** contains all nature's choicest agents in a state of the highest purity and concentration, it is of the utmost utility in almost every form of disease. Yet it is in nerve disorders that it finds its chief field of activity.

IT CURES Neurasthenia, and all forms of nerve breakdown, **Insomnia**, whether acute or chronic, **Sciatica** and **Neuritis**, **Hysteria**, and the diseases of women. **Locomotor Ataxy**, and other forms of Paralysis, **Tic Douloureux**, Neuralgia and Headaches, **Lessened Power** and energy, and, whenever cure is possible, any and every disease of nervous origin.

SEND TO-DAY for Booklet, copies of Testimonials and Sample. What **Blinderwärt** has done for others it will do for you.
