PLUM

OF THE ORAL  
PENICILLINS

**STABILLIN V-K**

SYRUP '125'

# STABILLIN V-K

SYRUP '125'

Flavour is particularly important, to children and adults alike. The pleasant plum flavour of Stabillin V-K (not too sweet and sickly) makes sure that the full course of treatment is taken as prescribed — a most important consideration in antibiotic therapy.

Potassium penicillin V (the reliable oral penicillin) quickly deals with the infection, whether it be tonsillitis, acute otitis media or the complications of upper respiratory tract infection.

## STABILLIN V-K SYRUP '125'

contains 125 mg. of penicillin V (as potassium salt) in each 5 ml. Packed in 60 ml. bottles, with 5 ml. plastic measuring spoon. Basic N.H.S. price: 4/4. Literature and further information from
